PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-173. A resolution adopted by the City Council of Fairview Park, Ohio relative to NASA; to the Committee on Commerce, Science, and Transportation.

POM-174. A concurrent resolution adopted by the House of the Legislature of the State of New Hampshire relative to Turkey and the Republic of Cyprus; to the Committee on Foreign Relations.

HOUSE CONCURRENT RESOLUTION 9

Whereas, in 1974, Turkey sent armed forces to Cyprus and occupied over 36 percent of the land, creating widespread displacement of Greek Cypriots from the northern part of the island; and

Whereas, the international community and the United States Government have repeatedly called for the speedy withdrawal of all foreign forces from Cyprus; and

Whereas, a peaceful, just, and lasting solution to the Cyprus problem would greatly benefit the security and the political, economic, and social well-being of all Cypriots, as well as contribute to improved relations between Greece and Turkey; and

Whereas, the attention of the world will be focused on this region when the Olympics are held in Greece in 2002; and

Whereas, United Nations Security Council Resolutions 1250 and 1251, adopted on June 26, 1999, and June 29, 1999, respectively, provided parameters for a solution and were supported by the United States; and

Whereas, Resolution 1250 reaffirms all its earlier resolutions on Cyprus, particularly Resolution 1218 of December 22, 1998, and

Whereas, Resolution 1251 reaffirms that the status quo is unacceptable and that negotiations on a final political solution to the Cyprus problem have been at an impasse for too long; and

Whereas, Resolution 1251 also reiterates the United Nations' position that a Cyprus settlement must be based on a state of Cyprus with a single sovereignty and international personality and a single citizenship, with its independence and territorial integrity safeguarded, and comprising 2 politically equal communities as described in the relevant United Nations Security Council resolutions, in a bicomunal and bizonal federation, and that such a settlement must exclude union in whole or in part with any other country or any form of partition or secession; and

Whereas, despite such resolutions over 30,000 Turkish armed forces remain stationed

on the island of Cyprus with no substantial progress toward the establishment of an independent, bicomunal federation; and

Whereas, efforts by the United Nations and the United States to resolve this dispute remain unsuccessful; Now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the general court of New Hampshire hereby urges the President of the United States to increase the administration's efforts in mediating a peaceful resolution to the dispute in Cyprus; and

That the general court of New Hampshire hereby urges the President of the United States to persuade Turkey to comply with United Nations Security Council resolutions addressing Cyprus and to cooperate fully in achieving lasting peace and independence for the Republic of Cyprus; and

That copies of this resolution, signed by the speaker of the house and the president of the senate, be forwarded by the house clerk to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the New Hampshire Congressional delegation, the President of the Republic of Cyprus, the American Ambassador to Cyprus, the Cypriot Ambassador to the United States, and the Turkish Ambassador to the United States.

POM-175. A concurrent resolution adopted by House of the Legislature of the State of Delaware relative to Clean Air Act; to the Committee on Environment and Public Works.

HOUSE CONCURRENT RESOLUTION NO. 12

Whereas, methyl tertiary butyl ether (MTBE) is a volatile organic compound derived from natural gas that is added to gasoline either seasonally or year-round in many parts of the United States to increase the octane level and to reduce carbon monoxide and ozone levels in the air; and

Whereas, MTBE is found in gasoline and other petroleum products commonly stored in underground storage tanks and is typically added to reformulated gasoline, oxygenated fuel and premium grades of unleaded gasoline; and

Whereas, health complaints related to MTBE in the air were first reported in Alaska in November 1992 when about 200 Fairbanks residents reported problems such as headaches, dizziness, eye irritation, burning of the nose and throat, disorientation and nausea; and

Whereas, similar health complaints have been registered in Anchorage, Alaska, Milwaukee, Wisconsin, Missouri, Montana, and New Jersey; and

Whereas, currently the United States Environmental Protection Agency (EPA) tentatively classifies MTBE as a possible human carcinogen; and

Whereas, MTBE is one the EPA's Drinking Water Priority List, which means that it is a possible candidate for future regulation; and

Whereas, there is widespread concern about the health risks presented by the continued use of MTBE in gasoline; and

Whereas, on January 3, 2001, H.R. 20 was introduced in the United States House of Representatives; and

Whereas, H.R. 20 amends section 211 of the Clean Air Act (69 Stat. 322, 42 U.S.C. §7401 et seq.) to modify the provisions regarding the oxygen content of reformulated gasoline and to improve the regulation of the fuel additive, methyl tertiary butyl ether (MTBE); Now therefore be it

Resolved, That the House of Representatives of the 141st General Assembly of the State of Delaware, the Senate thereof con-

curring therein, memorializes the Congress of the United States to enact H.R. 20, that was introduced on January 3, 2001, and that modifies provisions of the Clean Air Act, regarding the oxygen content of reformulated gasoline and improves the regulation of the fuel additive methyl tertiary butyl ether (MTBE).

POW-176. A joint resolution adopted by the Legislature of the State of Maine relative to Election Reform; to the Committee on Rules and Administration.

JOINT RESOLUTION

Whereas, Maine citizens believe election outcomes are rightfully determined by voters, not state and federal courts of law; and

Whereas, in recent local, state and federal elections, outdated voting technology and numerous other problems concerning the election process in the nation as a whole have led to action in state and federal courts; and

Whereas, concerns about the integrity of the voting process, whether well-founded or not, point to the inadequacies of voting procedures that exist nationwide; and

Whereas, we wish to acknowledge the citizens' desire to channel these concerns into action to result in substantial election reform that will ensure nondiscriminatory equal access to the election system for all voters, including seniors and the disabled and minority, military and overseas citizens, and to ensure the complete and accurate counting of all valid votes cast: Now, therefore, be it

Resolved, That We, your Memorialists, respectfully urge and request the Congress of the United States to support significant reforms to our nation's voting system; and be it further

Resolved, That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate and each Member of the Maine Congressional Delegation in support of major electoral reform in order to ensure that the true intent of the country's voters determines the outcome of all future elections.
