POM-186. A joint resolution adopted by the Legislature of the State of Alaska relative to the transport of firearms through Canada; to the Committee on Finance.

#### RESOLUTION

Whereas Alaska is separated from the 48 contiguous states of the United States by Canada, and many Alaskans travel the Alaska, Taylor/Top of the World, Skagway/Klondike, and Cassiar Highways and other highways in Canada to reach the 48 contiguous states of the United States; and

Whereas Alaska borders the Yukon and British Columbia, Canadians engage in recreational activities in Alaska, and Alaskans engage in recreational activities in Canada; and

Whereas, in pursuit of these recreational opportunities, Alaskans enter Canada at locations, some of which do not have a border station or customs personnel permanently stationed; and

Whereas Alaska and the United States do not impose a fee for Canadians to transport firearms into Alaska or the United States to engage in recreational activities; and

Whereas the government of Canada recently adopted new regulations that require visitors to Canada not having a valid Canadian firearms license to declare their firearms before entering Canada at a Canadian customs station, complete a Non-Resident Firearm Declaration Form, and pay a \$50 (Canadian) confirmation fee; and

Whereas the imposition of this fee on Alaskans and those traveling to and from Alaska is inconvenient and unexpected, especially when considering that neither Alaska nor the United States has a reciprocal declaration and fee requirement; and be it

*Resolved*, That the Alaska State Legislature urges President Bush, the United States Department of State, and the United States Congress to intervene and negotiate with the government of Canada to remove the declaration and fee requirements in a manner that allows Alaskans to engage in routine recreational, transport, and travel opportunities in Canada.
