

and despair are all too often the results for their families.

Most Internet gambling sites are based in the Caribbean or Central America, beyond the reach of the U.S. Justice Department. It is estimated that the American market generates up to 60 percent of their revenue. The local governments of these jurisdictions are also profiting from online gambling. For example, the Antigua and Barbuda governments are now licensing virtual casinos at a cost of \$75,000 to \$85,000 per site.

While the scourges of gambling addiction are well known, less understood is the fact that Internet gambling poses a serious threat to national security. A recent report by the General Accounting Office emphasized the concerns of law enforcement officials that gambling sites can serve as covers for illegal money laundering by terrorists and organized crime.

Enacting H.R. 556 would give law enforcement officials and bank regulators the necessary tools to crack down on illegal Internet gambling. Banks and credit card companies would be required to block payments to Internet casinos and other gaming operations, and accepting payment for illegal online gambling transactions would be a crime.

Mr. Speaker, I urge my colleagues to join me in supporting this common-sense legislation to help put a stop to illegal Internet gambling for the benefit and protection of American families and businesses.

#### IN MEMORY OF ROYCE MAGNESS

### HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 3, 2002*

Mr. HALL of Texas. Mr. Speaker, I rise today in memory of a longtime friend and outstanding East Texan, Royce G. Magness of Telephone, Texas, who passed away on August 30 at the age of 76 after a long illness. Royce was a prominent farmer-rancher who owned and operated Magness Farms for almost 50 years, and he was an influential leader in his community.

Royce was dedicated to his vocation and was well-respected for his abilities and his advocacy of farm issues. He was a member of the Fannin County Farm Bureau since 1964 and served as president from 1978 to 1983. He was elected to serve as a Texas Farm Bureau state director from 1983 to 1988, and in 1995, he was honored as one of 13 Texas Farm Bureau Pioneer Award winners from across the state. He was named Fannin County Fanner of the Year in 1988 by the Bonham Area Chamber of Commerce. At his funeral service, it was written that "he believed a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming . . . He believed that farming, despite its hardships and disappointments, is the most honest and honorable way a man can spend his days on this earth."

Royce was a member of the Telephone Baptist Church, where he served as trustee, deacon, Sunday School teacher, and for almost 30 years as treasurer of the church. He was a charter member of the Fannin County Hospital Board, a member of the Fannin County Peanut Association and the Forest Grove Cemetery Board.

He is survived by his wife of 55 years, Jean; two sons and daughters-in-law, Jerry and Brenda Magness of Telephone and David and Shirley Magness of Royse City; a daughter, Marilyn Ackmann of Fort Worth; six grandchildren; two great-grandsons; sister Neva Lewis and husband Bob of Lantana, Fla.; and many other family members. In his last weeks Royce spent countless hours with members of his family, retelling funny tales and recalling many happy memories of a lifetime spent in Telephone, Texas.

Mr. Speaker, Royce was a man of tremendous character and integrity. He loved his family, his community, his country, and the land on which he farmed—and to each of these he gave so much of himself. He will be missed by all those who knew him and loved him—but he leaves behind a powerful legacy that will endure. As we adjourn today, let us do so in memory of this great American, Royce Glen Magness.

#### COMMEMORATING 100 YEARS OF AAA NORTHWEST OHIO

### HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 3, 2002*

Ms. KAPTUR. Mr. Speaker, I rise to commemorate 100 years of AAA Northwest Ohio. For a century, the company has provided quality service to people throughout its region.

Prior to the formation of AAA, a series of small automobile clubs served the 23,000 automobile owners across the country. In 1902 as more people began to own cars, these clubs formed into the federation American Automobile Association, AAA. In that same year, fifteen Toledoans came together to form the Toledo Automobile Club, later renamed AAA Northwest Ohio. Its first president was Dr. Lewis Liffirin. By 1947 the club boasted 10,000 members. Only 15 years later, in 1962, that number had reached 50,000 and in 1989 the milestone of 100,000 members was achieved. Today, AAA Northwest Ohio is over 150,000 members strong.

With its mission to offer the community "exceptional customer service and diverse member benefits along with a commitment to public safety" AAA Northwest Ohio strives to put the customer first. The association provides roadside emergency assistance, a full service travel and insurance agency, and its unique "triptik" maps for travelers.

I am pleased to recognize the invaluable service AAA Northwest has provided to its customers, and congratulate its employees past and present for a century of dedication and commitment to quality.

*Thursday, October 3, 2002*

Mr. KILDEE. Mr. Speaker, I rise today before my colleagues in the United States House

of Representatives to pay tribute to both an outstanding organization, and an outstanding individual in my hometown of Flint, Michigan. Mott's Children's Health Center has been selected as the 2002 Corporate Health Advocate of the Year and Gloria R. Bourdon has been selected as the 2002 Individual Health Advocate of the Year by the American Lung Association of Michigan-Genesee Valley Region. They will be recognized for their achievements at the 2002 Health Advocate of the Year Awards Dinner on October 30th.

Mott Children's Health Center was founded in 1939 by C.S. Mott to "serve borderline medically indigent children of Genesee County." Today they offer a wide array of services including adolescent services, referral programs, child health strategies, pediatric dentistry and school and neighborhood programs for parents, caregivers and their children. Along with direct services, Mott Children's Health Center has also played a vital role in advocating for children's health issues. Mott Children's Health Center sponsors a number of conferences, workshops, and presentations all with the health of children as their number one priority.

Gloria Bourdon began her career in 1987 at Pinconning Area Schools and Linden Area Schools, teaching children the fundamentals of healthy lifestyles. Through the years since then, Gloria has expanded her classroom doctrine of healthy living and today she is the Director of Health, Safety, and Nutrition Services for the Genesee County Intermediate School District. Her job places her in charge of the health of students in 32 public schools, 9 public academies, and 14 private schools. Through her years of hard work and dedication to children, Gloria has received the Genesee County Child Advocacy Award, the Michigan Association of School Boards Health and Safety Award and the Rainmaker Award presented by HealthPlus.

Mr. Speaker it is indeed an honor and a privilege for me to urge my colleagues in the House of Representatives to join me in paying tribute to the Mott Children's Health Center, and to Gloria R. Bourdon for their years of dedication to the health and education of our most cherished resource on the planet, our children.

#### RECLAMATION RECREATION MANAGEMENT ACT OF 2002

SPEECH OF

### HON. JAMES V. HANSEN

UTAH

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 1, 2002*

Mr. HANSEN. Mr. Speaker, I request that the attached letters for H.R. 5460 be submitted for the RECORD under General Leave.

As you know, H.R. 5460 passed the House under suspension of the rules on Tuesday, October 1, 2002. These letters are an exchange between the Committee on Resources with the Committee on Transportation and Infrastructure and the Committee on Science, concerning the mentioned legislation.

U.S. HOUSE OF REPRESENTATIVES,  
COMMITTEE ON TRANSPORTATION  
AND INFRASTRUCTURE,

Washington, DC, October 1, 2002.

Hon. JAMES HANSEN,  
Chairman, Committee on Resources, Longworth  
Building, Washington, DC.

DEAR CHAIRMAN HANSEN: I am writing with regard to H.R. 5460, to reauthorize and amend the Federal Water Project Recreation Act, which was referred to the Committee on Resources on September 25, 2002. This legislation affects programs under the jurisdiction of the Transportation and Infrastructure Committee.

I recognize your desire to bring this bill before the House in an expeditious manner. Accordingly, I will not exercise my Committee's right to a sequential referral of the legislation. By agreeing to waive its consideration of the bill, however, the Committee on Transportation and Infrastructure does not waive its jurisdiction over H.R. 5460. In addition, the Transportation and Infrastructure Committee reserves its authority to seek conferees on provisions of the bill that are within its jurisdiction during any House-Senate conference that may be convened on this legislation. I ask for your commitment to support any request by the Transportation and Infrastructure Committee for conferees on H.R. 5460.

I request that you include a copy of our exchange of letters in the CONGRESSIONAL RECORD during consideration on the House Floor. Thank you.

Sincerely,

DON YOUNG,  
Chairman.

U.S. HOUSE OF REPRESENTATIVES,  
COMMITTEE ON RESOURCES,  
Washington, DC, October 2, 2002.

Hon. DON YOUNG,  
Chairman, Committee on Transportation and  
Infrastructure, Rayburn House Office  
Building, Washington, DC.

DEAR MR. CHAIRMAN: Thank you for your letter regarding H.R. 5460, to reauthorize and amend the Federal Water Project Recreation Act, and for other purposes. As you know, scheduling this bill for Floor consideration was a last-minute decision on the part of our Leadership, and I apologize for not consulting with you earlier about this bill and its unintended affect on programs within the Committee on Transportation and Infrastructure's jurisdiction. Fortunately, when the House considered the bill yesterday on the Floor, we were able to pass it with an amendment worked out between our staffs which should resolve your concerns.

In response to your letter, I agree that by not pursuing a sequential referral of H.R. 5460, you did not waive your jurisdiction over the bill. Moreover, in the unlikely event that a House-Senate conference should be required on H.R. 5460, I would support your request to have Committee on Transportation and Infrastructure represented on that conference for matters within your Committee's jurisdiction. As requested, I also plan to insert both your letter and my response in the CONGRESSIONAL RECORD.

Thank you again for your cooperation on this matter and for the good work of Susan Bodine of your staff.

Sincerely,

JAMES V. HANSEN,  
Chairman.

U.S. HOUSE OF REPRESENTATIVES,  
COMMITTEE ON RESOURCES,  
Washington, DC, October 1, 2002,

Hon. SHERWOOD BOEHLERT,  
Chairman, Committee on Science, Rayburn  
House Office Building, Washington, DC.

DEAR MR. CHAIRMAN: Thank you for agreeing to allow H.R. 4792, to reauthorize funding for the Water Desalination Act of 1996, and for other purposes, to be brought to the Floor of the House of Representatives as part of a larger legislative package dealing with water projects. H.R. 4792, authored by our colleague Mr. Horn, was referred primarily to the Committee on Resources and additionally to the Committee on Science.

It is my intention to include the text of H.R. 4792 as one of several amendments to H.R. 5460 and consider the resulting bill on the Floor under suspension of the rules this week.

By allowing this bill to be scheduled, I agree that the Committee on Science has not waived its jurisdiction over the measure, nor should this action be taken as precedent for other bills. In addition, in the unlikely event that a conference on H.R. 5460 becomes necessary, I would support the Committee on Science's request to be represented on that conference for those matters within its jurisdiction. Finally, I would be pleased to include this letter and any response you might have in the Congressional Record during debate on H.R. 5460.

Thank you again for your cooperation on this matter, and I look forward to seeing H.R. 4792 enacted soon as part of H.R. 5460.

Sincerely,

JAMES V. HANSEN,  
Chairman.

U.S. HOUSE OF REPRESENTATIVES,  
COMMITTEE ON SCIENCE,  
Washington, DC, October 1, 2002.

Hon. JAMES V. HANSEN,  
Chairman, Committee on Resources, U.S. House  
of Representatives, Washington, DC.

DEAR CHAIRMAN HANSEN: On May 22, 2002, Mr. Horn introduced H.R. 4792, a bill "to reauthorize funding for the Water Desalination Act of 1996, and for other purposes," which was referred to the Committee on Resources in addition to the Committee on Science. It has come to my attention that you intend to include the text of H.R. 4792 as one of several amendments to H.R. 5460.

In deference to your desire to bring this legislation before the House in an expeditious manner I will not exercise this Committee's right to consider H.R. 4792. Despite waiving its consideration of H.R. 4792, the Science Committee does not waive its jurisdiction over H.R. 4792. Additionally, the Science Committee expressly reserves its authority to seek conferees on any provisions that are within its jurisdiction during any House-Senate conference that may be convened on this or similar legislation which falls within the Science Committee's jurisdiction. I ask for your commitment to support any request by the Science Committee for conferees on H.R. 4792 as included in H.R. 5460 as well as any similar or related legislation.

I request that you include this letter as part of the Record during consideration of the legislation on the House floor. Thank you for your consideration and attention regarding these matters.

Sincerely,

SHERWOOD L. BOEHLERT,  
Chairman.

## HOUSES OF WORSHIP POLITICAL SPEECH PROTECTION ACT

SPEECH OF

**HON. LEE TERRY**

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 1, 2002

Mr. TERRY. Mr. Speaker, I rise in opposition to the Houses of Worship Political Speech Protection Act (H.R. 2357).

While I am a strong defender of the fundamental freedoms of religion and speech, I am deeply concerned that H.R. 2357 could have serious unintended consequences. For example, this legislation would allow churches, mosques, and synagogues to make hard and soft money contributions to political campaigns, run issue advocacy advertisements for and against candidates, and use tax-free donations to sponsor political fundraisers. Simply by paying their tithing, parishioners could be contributing to a political campaign without their knowledge or consent. This would jeopardize the integrity of religious institutions and endanger the rights of citizens to choose who they will and will not support for public office. Tithes and offerings would be better spent feeding the poor and hungry, and helping other disadvantaged members of our society find hope and healing.

The primary mission of houses of worship is to save souls, comfort the afflicted, and uplift and inspire the people. Our Constitution guarantees the freedom of religion, and the government specifically exempts religious institutions from taxation in recognition of their crucial work. Religious leaders have, since the founding of our country, spoken out on moral and spiritual issues, serving as the catalyst for the anti-slavery and prohibition movements. I am extremely concerned that some spiritual leaders now feel they cannot adequately address moral issues without risking the loss of their church's tax-exempt status. I strongly support further investigation into the IRS regulations on political speech by tax-exempt organizations so a workable and appropriate solution can be found. However, H.R. 2357 is not the answer. While churches would be able to participate in political campaigns, involving their parishioners in electioneering and partisan politics would ultimately undermine their mission of hope and comfort.

Mr. Speaker, I urge my colleagues to join me in opposing H.R. 2357 and working toward a more effective and appropriate solution to address the legitimate concerns of religious leaders.

## EXPRESSING SUPPORT FOR GOALS AND IDEAS OF DAY OF TRIBUTE TO ALL FIREFIGHTERS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 1, 2002

Mr. ISRAEL. Mr. Speaker, before I begin, let me start by expressing my heartfelt sympathy for all the families and coworkers of firefighters who so valiantly responded to the call of duty. Is there anything more selfless than the bravery of a firefighter fighting to save the life of
