In 1988, the Fresno State Bulldogs were the top ranked team in the nation after a 32-game winning streak. Bennett has earned conference Coach of the Year honors 14 times and was named NCAA Coach of the Year by the *Sporting News* in 1988.

Beyond coaching success, Coach Bennett has helped build Pete Beiden Field into a well-respected venue for college sports. Under Coach Bennett's leadership Fresno State has become a consistent national leader in attendance and fan support.

Coach Bennett's service to Fresno State and the greater community has been outstanding. He is a role model that all coaches should look up too.

Mr. Speaker, I ask my colleagues to join me in honoring Coach Bob Bennett of the Fresno State Bulldogs, and congratulate him on his 45 years of service as a head coach in my community.

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 15, 2002

Mr. MCINNIS. Mr. Speaker, it is with deep respect that I recognize the life and passing of John H. Trimble of Fruita, Colorado. Mr. Trimble recently passed away in September and, as his family mourns their loss, I would like to pay tribute to the many contributions he has made to his community and to his country.

Mr. Trimble was born and raised in Pine Ridge, South Dakota where he lived on his family's farm. At age 17, John enlisted into the United States Army and eventually served in both the European and Pacific Theaters. He remained on active duty as part of the Occupational Forces in Germany until November 1946. The patriotism and valor of veterans like John have given our country's military a reputation for honor, distinction, and courage.

After the war, John returned to South Dakota and worked in farming and construction. In 1954, John began working for the National Park Service at Badlands National Park and then, in 1968, moved to Colorado where he would spend the next 21 years assigned to the Colorado National Monument. Outside of his job, John spent his free time working on cars, traveling and spending time with his wife and ten children. He was a lifetime member of

the Veterans of Foreign Wars, the Fruita Town Council from 1986 until 1989, and the Public Works Commission from 1986 to 1996.

Mr. Speaker, it is with great admiration that I recognize the life and passing of Mr. John H. Trimble before this body of Congress for the service he has given to his country. My sincere condolences go out to the Trimble family, his wife Eva, their children Jerry, Larry, David, Karen, Steve, Tim, Mitch, Judy, John, and Betty, and all of their grandchildren and great grandchildren. Mr. Trimble served his country in a time of great need and uncertainty, and then continued to serve it as an outstanding steward of our National Parks; his loss will be deeply felt and our grateful nation will be forever in his debt.

HONORING CENTERPOINT ENERGY

HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 15, 2002

Mr. BENTSEN. Mr. Speaker, the La Porte-Bayshore Chamber of Commerce will present CenterPoint Energy with the 2002 Industry of the Year Award at their Annual Salute to Industry. CenterPoint Energy and its employees have been faithfully serving the La Porte community for nearly 77 years, providing residents, businesses and industries with safe and reliable energy services.

The Industry of the Year Award, the highest honor presented by the La Porte-Bayshore Chamber of Commerce, is awarded each year to an area business whose mission emphasizes a strong commitment to the community.

CenterPoint Energy was first organized in 1882 as Houston Electric Lighting & Power. It was reorganized and renamed Houston Lighting and Power Company in 1905. In 1999, Reliant Energy HL&P/Entex, a division of Reliant Energy, was formed, and is the electricity and natural gas provider for the Houston metropolitan area. In 2001, Reliant Energy HL&P/Entex was renamed CenterPoint Energy in recognition of the vital role the company plays in the center of the energy chain between producers and the consumers. CenterPoint Energy is one of the largest electric utilities in the U.S. in terms of kilowatt-hour sales. It serves more than 1.6 million electricity customers over a 5,000 square mile area in and around Houston and more than 730,000 natural gas customers in the Houston area.

A true connection exists between CenterPoint and the La Porte-Bayshore community. Demonstrating their generosity and connection to community, the company's employees have logged more than 5,000 volunteer hours on projects in the La Porte-Bayshore area, including the Trash Bash at the San Jacinto Monument, Boy Scout's Osprey Project, and the Bayport Container Port Expansion Project. CenterPoint Energy has been a major sponsor of the Bay Day Festival held at Sylvan Beach in La Porte. Every year employees assemble Reliant Energy Village, a wetland project, in an effort to provide participants with hands on learning about the importance of habitat restoration, and habitat education.

CenterPoint employees' active involvement in the La Porte community can be traced through its participation in a wide variety of

civic organizations, including the Citizen Advisory Group, La Porte Chamber of Commerce, and several community-based nonprofit organizations.

Mr. Speaker, I congratulate the employees of CenterPoint Energy on being named the La Porte-Bayshore Chamber of Commerce 2002 Industry of the Year. This honor is well-deserved for their work in expanding business and job opportunities, establishing safer conditions for workers, and initiatives to protect the environment. This award indicates that CenterPoint has demonstrated a commitment to strengthening community relations by supporting employees volunteer activities and making contributions to deserving sectors of the community.

TRIBUTE TO JENNIE MARQUEZ

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 15, 2002

Mr. MCINNIS. Mr. Speaker, I would like to take this opportunity to honor an outstanding woman who has dedicated her life to caring for the elderly. Jennie Marquez of Alamosa, Colorado has given countless hours of devoted service to the people of her community as a Certified Nurse Aide, and it is my privilege to pay tribute to her before this body of Congress and this nation.

Jennie has worked as a restorative nurse aide in Alamosa for three years and been selected recently as the Certified Nurse Aide of the Year for the Pike's Peak Region of Colorado. Her endless smiles encourage residents of the Evergreen Nursing Home to listen to Jennie as she carefully explains their therapy program and its purpose. Her personable attentiveness to each resident has helped Jennie cultivate a reputation as a sincere and capable nurse aide. The positive demeanor Jennie possesses is visible whether she helps to buy much needed gowns for one resident or simply pauses to give an encouraging word to another.

Jennie, along with her husband of 16 years, Rafael, enjoys spending time with their son Jose and daughter Yesenia. Together they enjoy many Colorado outdoor activities, like fishing, hiking, and camping. Jennie's positive attitude is a credit to her personality as much as it is a testament to the dedication she displays to those around her.

Mr. Speaker, I stand today to honor Jennie Marquez for her outstanding service and excellent performance as a certified nurse aide. Jennie's efforts stand out as she brings comfort to her residents, gives them needed support, and helps them through their therapy. I am always glad to recognize Coloradans who continue to make this country great, and I am happy to count Jennie Marquez among them.

HONORING THE COUNCIL OF WOMEN FARMERS OF UKRAINE ON WORLD RURAL WOMEN'S DAY

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 15, 2002

Mr. SCHAFFER. Mr. Speaker, today, October 15th, is World Rural Women's Day. I rise

before the House on this occasion to honor the Council of Women Farmers of Ukraine and its contribution to Ukraine's agricultural and democratic development. During one of my visits to Ukraine, I was fortunate to visit leaders of this extraordinary organization to learn firsthand their remarkable unity and drive for success within Ukraine's expanding free market.

This organization began as a small group of women farmers in Ukraine who were willing to take on a male-dominated culture and industry. The challenges of an unstable economy, and, an agricultural sector in complete disarray only inspired and energized these enterprising farmers. Although this council developed with international aid, its origin represents a spontaneous indigenous grassroots quest for democracy.

As the council provided every level of assistance necessary for women farmers to succeed, it grew into a nationwide assistance network improving the status of rural Ukrainian women, raising their quality of life, and cultivating their managerial and entrepreneurial skills. Responding to the rapid growth of women in the industry, the council has opened several branch offices throughout the country, serving as information centers in 14 of the 24 oblasts throughout Ukraine and the autonomous Republic of Crimea in Ukraine.

The Council of Women Farmers of Ukraine provides assistance on a variety of issues, including legislation, financial management of farms, accounting, marketing, human resources management, business planning and business ethics, as well as scientific and specialized training. The council has also built an

information and telecommunications network between its branch office information centers, training its members in the use of computers, email and the Internet. This assistance and training has enabled Ukraine's women farmers to build private enterprises, thereby empowering rural women to effectively influence the governmental processes.

In recognition of the Council's tremendous success thus far, I urge my colleagues to support similar programs with the intention of empowering rural women throughout the world, and in doing so, promote education, democratic development and financial and social stability.

Mr. Speaker, I congratulate the Council of Women Farmers of Ukraine on its success, I commend it for its courage and perseverance on this important commemorative day. Furthermore, I urge our friends in the Ukrainian Verkhovna Rada to recognize October 15th as Women Farmers of Ukraine on World Rural Women's Day.

TRIBUTE TO REY MOTORS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 15, 2002

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to pay tribute to a family business that has become an integral part of the West Glenwood, Colorado community. Through their commitment to friendly service

and exceptional quality, Rey Motors, owned by Jeanne Rey and her son Allyn Rey, has evolved with the community into a successful and proud business. It is my privilege to honor them today before this body of Congress and this nation for the hard work that has gone into building a successful dealership.

Originally established under other owners in the 1950s, Rey Motors now celebrates 25 years within the Rey family. Jeanne's late husband, Ernie, was a part of the business almost from the very start, working his way up under the different owners until finally buying the company in 1977. When Vail was still only a pasture, Ernie was taking cars out for farmers and ranchers to test drive at their homes.

The same commitment to Colorado values that Ernie incorporated into the Rey Motors lives on in the second generation of the Rey family. The tradition of molding the business to fit the community lives on as Jeanne and Allyn offer daily specials, as well as a casual sales floor atmosphere. Allyn has been a local volunteer fireman as well as a ski patrol volunteer at nearby Sunlight Mountain Resort. He and his wife of 20 years, Barbara, are raising a third generation of Reys through their children, Chris and Rachel.

Mr. Speaker, I stand today to pay tribute to Rey Motors and all the men and women who have made it a success. The Rey family, with the help of their knowledgeable employees and traditional friendly service, illustrate the values that keep our communities strong. I wish the entire crew at Rey Motors many more years of success.
