50TH ANNIVERSARY OF LITTLE LEAGUE BASEBALL IN BOUND BROOK, NJ

HON. MICHAEL FERGUSON

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. FERGUSON. Mr. Speaker, I rise today to congratulate the players, coaches and administration of the Bound Brook Little League on the 50th anniversary of Little League Baseball in Bound Brook, New Jersey.

Nothing symbolizes the springtime and the onset of warmer weather like the first pitch of the baseball season. A season's first pitch is always a special moment, but on Saturday, April 20, the first pitch ceremony of the Bound Brook Little League commemorates 50 years of little league baseball in the community.

Over the years, little league baseball has become a fixture in Bound Brook. The little league does more than merely teach the youth of the area about our national pastime. It fosters camaraderie with teammates, instills respect for fellow competitors, and teaches youngsters that sports are about much more than winning and losing.

On April 20, the community of Bound Brook will come together to have a parade followed by exhibition baseball games to mark the 50th anniversary of the little league. This day of celebration will bring together former and current players and is symbolic of the organization's meaning to the area. The little league brings the community together to give adults the opportunity to share their love of baseball and teach kids lessons that they will carry throughout their lives.

I commend Bound Brook Little Leaguers, past and present, and the many friends of the little league that have helped mold the lives of so many youngsters throughout the past 50 years.

HONORING DR. FRED B. KESSLER

HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. BENTSEN. Mr. Speaker, I rise today to honor Dr. Fred B. Kessler who has been selected The Houston Surgical Society's "Distinguished Houston Surgeon" for 2002. Dr. Kessler's family, colleagues, and friends will honor him at the society's meeting on May 21, 2002.

Dr. Kessler has dedicated his life to our county and to the world of surgical medicine. He was born on December 18, 1931, in Houston, TX. He graduated from the University of Texas in 1952 and obtained his medical degree in 1956 from the University of Texas Medical School in Galveston. Dr. Kessler interned at the Philadelphia General Hospital from 1956–1957 and completed his residency training at the Hospital University of Pennsylvania. He returned to Houston after completing his fellowship at Roosevelt Hospital in New York in 1963.

Dr. Kessler is currently Clinical Professor of Surgery and Co-Fellowship Director of the Plastic Surgery Hand Service at Baylor College of Medicine. He has served on numerous committees for the American Society for Surgery of the Hand and the American Medical Association, published numerous articles and chapters, and served as associate editor of the Journal of Hand Surgery.

Mr. Speaker, throughout his career, Dr. Kessler has distinguished himself as a spectacular surgeon, consummate educator and an integral part of the Houston community. It is with great honor that I congratulate him on this outstanding recognition of his commitment to the field of medicine.

HONORING MR. DEAN STANLEY SHELTON

HON. BOB SCHAFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. SCHAFER. Mr. Speaker, today I am proud to honor Staff Sergeant Dean Stanley Shelton who proudly served in the United States Army and recently received the Purple Heart and Bronze Star medals of honor.

Raised in Kansas, Mr. Shelton was drafted on February 8, 1951 at age twenty-one, and first served in Germany. During his time there he met his soon to be wife, Greta. Once his service abroad was completed, Mr. Shelton came back to the United States and was stationed at Fort Custer, Michigan where he received an Honorable Discharge on January 30, 1955.

However, due to his dedication and love of service, Mr. Shelton re-enlisted in the Army on June 27, 1955. Once again duty sent him to Germany, South Korea, and South Vietnam.

It was in Vietnam, assigned to Company A, Fourth Engineering Battalion, Fourth Infantry Division, where Staff Sergeant Shelton sustained injuries during combat. On March 26, 1968, the Third Battalion Fire Support Base came under intense enemy ground, rocket, and mortar attack. During these events, Spe-

cialist Shelton sustained injuries while positioned in a bunker defending the base perimeter.

Although his fellow soldiers and the U.S. Army recognized his personal bravery, due to his severe medical condition and evacuation to U.S. hospitals, there was unfortunately not time to present his medals when they were actually awarded. On the battlefield, Shelton showed uncommon valor, dedication, and sacrifice that cannot be instilled in training.

Mr. Speaker, I had the honor of attending an awards ceremony on April 8, 2002, when Mr. Shelton finally received his medals. This nation has not forgotten his tremendous service. I would like to thank Staff Sergeant Shelton in keeping with the highest tradition of armed service, and selflessly defending the lives of his fellow soldiers.

RECOGNIZING SHARON K. DARLING

HON. ANNE M. NORTHUP

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mrs. NORTHUP. Mr. Speaker, I rise today to congratulate a truly inspiring woman in my district, Ms. Sharon Darling. Ms. Darling has been honored as a 2001 recipient of the prestigious National Humanities Medal. Next month, Ms. Darling will receive her award in a personal presentation from President Bush and First Lady Laura Bush.

As a tireless advocate for education and literacy, Ms. Darling has worked hard to improve and reform the education system. While serving in many capacities throughout her career, she has always remained steadfast in her pursuit of this very noble goal. Ms. Darling pioneered a program that combines early childhood education, adult literacy education, parental support and structured interaction between parents and their children. Encouraged by positive results, Ms. Darling founded the National Center for Family Literacy in 1989. Since its inception, NCFL, which is located in Louisville, Kentucky, has been dedicated to family literacy. Their efforts are internationally recognized, and NCFL is well-known for creating innovative program models, developing effective advocacy strategies and providing research, training and technical assistance to professionals working within the field of family literacy.

Ms. Darling and the NCFL realize the importance of education and literacy. Without the ability to access knowledge, people will not have the tools necessary to fight their way out of impoverishment, and to empower themselves. Ms. Darling serves as an advisor on education issues to governors, policy makers, business leaders and foundations across the nation. By providing advice and creative planning strategies, Ms. Darling works toward

strengthening families through education, and moving them toward literacy and self-sufficiency; both essential steps in breaking the intergenerational cycle of poverty. She continues to have a lasting impact in helping to shape welfare reform, education reform and develop the skilled workforce of our nation.

The National Humanities Medal will not be the first time Ms. Darling has received recognition for her efforts. In 2000, she received the Razor Walker Award from the University of North Carolina for her contributions to lives of children and youth. She also has been honored with the Women of Distinction Award from Birmingham Southern University in 1999; the Albert Schweitzer Prize for Humanitarianism from Johns Hopkins University in 1998; the Charles A. Dana Award for Pioneering Achievement in Education in 1996; and the Harold H. McGraw Award for Outstanding Educator in 1993. Several honorary doctorate degrees and a feature on the Arts & Entertainment television network's series, "Biography" further exemplify the impact Ms. Darling has had in regards to education and literacy.

The National Humanities Medal, the Federal Government's highest honor recognizing achievement in the humanities, acknowledges individuals or groups whose work broadens citizens' engagement with and expands Americans' access to important resources in the humanities. By providing literary assistance to children and their parents, Ms. Darling's family literacy programs are helping reverse the disturbing trend of illiteracy in families, and improve the academic achievement of children. We all know that reading is critical to overall success in school—if a student cannot read the math problem, he cannot achieve in math—if he cannot read his science book, he cannot understand our changing world. Ms. Darling has striven toward the ideals personified by the National Humanities Medal, and her distinction is much deserved. I commend her on receiving this award, and thank her for the work she has done, and will continue to do.

HONORING MICHAEL P. GALAN

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. RADANOVICH. Mr. Speaker, I rise today to honor Michael P. Galan for receiving the Citizen of the Year Award from the Sanger District Chamber of Commerce. Mr. Galan has devoted many years to service within the community of Sanger.

Mike Galan graduated from Contra Costa Junior College in 1966 and was hired by the University of Wisconsin to work for the National Science Foundation in Antarctica. While in Antarctica he explored the Queen Maude Land area—which had never been explored. A mountain ridge was named "The Galan Ridge" for his involvement in the expedition.

He returned to California, completed a degree at California State University, Sacramento, and, after many promotions with Western Kraft Paper, moved to Sanger as Plant Manager. He has made a tremendous impact on the community through his participation in numerous organizations. He has

been a member of the Rotary for seven years and the Sanger Chamber of Commerce for fifteen years. Mr. Galan is also a member of the Sanger Masonic Lodge and serves as a Trustee and on the Stewardship Committee for the Sanger Methodist Church. Regardless of his enormous community involvement Mike also spends a lot of time with his wife of 32 years, Karen, and their two sons, Justin and Raymond.

Mr. Speaker, I rise today to congratulate Mike Galan for receiving the Citizen of the Year Award from Sanger Chamber of Commerce. I invite my colleagues to join me in thanking Mr. Galan for his community service and wishing him many more years of continued success.

HON. STEVE CHABOT

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. CHABOT. Mr. Speaker, today I want to recognize the Hamilton County Republican Women's Club of Cincinnati, Ohio, in celebration of its 75th anniversary.

Since 1927, this organization has diligently promoted and participated in our democratic process. The HCRWC has helped hundreds of candidates at the local, state, and federal levels, and supported countless issues of importance to the greater Cincinnati community.

Grassroots organizations like the HCRWC supply campaigns with dedicated volunteers who donate their own time to do the invaluable behind the scenes work necessary to keep the democratic electoral process functioning.

Mr. Speaker, organizations like the Hamilton County Republicans Women's Club are the backbone of the American political process. I wish the club and its members continued success in raising political awareness and increasing political participation in Cincinnati and beyond for years to come.

REMEMBERING ISABELLA ROSE LANCASTER, OF MOBILE, ALABAMA

HON. BOB RILEY

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2002

Mr. RILEY. Mr. Speaker, I rise this evening in extremely sad, yet spiritually joyful remembrance of a little girl named Isabella Rose Lancaster, who was born December 20, 2001, and died April 14, 2002, in the arms of her beloved mother.

During the short four months she graced our world with her innocent presence, Isabella touched the hearts of everyone fortunate enough to have seen her, to have held her, and to have loved her. Chief among them was her mother, Caroline Anne-Marie Lancaster, of Mobile, Alabama, whom my prayers, sympathy, and thoughts are with this evening.

Friends and family gathered at St. Dominic's Catholic Church in Mobile earlier today to remember Isabella and to comfort Caroline, who cared for her little girl with all a mother's love.

We in Congress mourn the unexpected passing of Isabella, and pause to remember her this evening.

While there are no words from man that could ever provide the solace Caroline needs, we humbly ask the Holy Spirit to shine into her soul, and reassure her broken heart that little Isabella will forever walk beside her, forever sleep next to her, and will forever protect her until Mother and Daughter are reunited in Heaven with our loving Father, the Lord our God, and his Son, Jesus, who this very hour holds Isabella safely in the palm of His hand, and who truly knows Isabella's life has no end.
