Native contracting of Federal land management functions and activities and to promote hiring of Alaska Natives by the Federal Government within the State of Alaska.

The Alaska National Interest Lands Conservation Act (ANILCA) was enacted on December 2, 1980 as Public Law 96–487. Since then, Congress has passed several public laws which have amended ANILCA. The 1980 ANILCA amendments expanded the federal refuge and park systems in Alaska for the purposes of protecting habitat for fish and wildlife, to conserve fish and wildlife populations, and to provide the continued opportunity for subsistence uses by local Alaska Native residents and to protect archaeological sites associated with Alaska Native cultures.

Many rural Alaska native communities are located within close proximity of the refuges and serve an important part of the culture and ways of Alaska natives and other residents in rural Alaska. Congress, through sections 1307 and 1308 of the 1980 ANILCA amendments, directed the Secretary of the Interior to establish programs whereby Alaska natives were to be given preference in hiring, and to establish programs whereby Native lands were given preference for siting of conservation service unit facilities. The provisions also recognized that the Natives whose front and back yards were now part of the federal parks and preserves systems were the best individuals to be involved in the administering of the lands because of their special knowledge or expertise concerning the natural or cultural resources of such areas

Public Law 106–488 authorized demonstration projects in four areas in northwest Alaska: (1) Bering Land Bridge National Preserve (2) Cape Krusentern National Monument (3) Kobuk Valley National Park and (4) Noatak National Preserve in fiscal years 2000 and 2001. No demonstration project has been entered in either fiscal years 2000 or 2001 with the above named four areas at the Department of the Interior.

It has been twenty two (22) years since the 1980 ANILCA amendments were enacted, and the contracting and native hires provisions remain unfulfilled by the Department of the Interior. This bill would remedy this by directing the Department of the Interior to enter into demonstration projects with no less than six eligible Alaska Native tribes or tribal organizations in fiscal years 2003 and 2004.

This bill is a result of the legislative council of the Alaska Federation of Natives to address the contracting and hiring preference for Alaska native entities pursuant to the 1980 ANILCA amendments.

IN HONOR OF THE ADDITION OF DEPUTY SHERIFF CLARENCE LACROIX TO THE NATIONAL LAW ENFORCEMENT MEMORIAL

HON. DAVID E. BONIOR

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2002

Mr. BONIOR. Mr. Speaker, I rise today to honor the memory of Deputy Sheriff Clarence LaCroix. Deputy LaCroix, who was killed in the line of duty seventy-seven years ago this August 25, was added to the National Law Enforcement Officers Memorial here in Washington, D.C. today.

Deputy LaCroix served Macomb County as Deputy Sheriff on motorcycle patrol for a short time before his death. While riding on duty, Deputy LaCroix's motorcycle was brushed by an automobile that turned in front of him. Both motorcycle and rider were thrown into a ditch, killing Deputy LaCroix. An investigation into the matter ruled the incident to be accidental.

Just twenty-nine years of age at the time of his death, Deputy LaCroix left behind a wife and two small children. Some of his descendants still live in the St. Clair Shores area.

It is only fitting that a public servant like Clarence LaCroix is recognized on the National Law Enforcement Memorial for his service to the citizens of Macomb County. He paid the ultimate price while fulfilling the duties of his office. Truly, he represents the best ideals of law enforcement: dedication, devotion, and duty.

Deputy LaCroix's name will be added today to the National Law Enforcement Memorial at a candlelight vigil. As he is remembered through this distinction, we should also honor his memory by praying for the safety and security of all men and women in law enforcement.

HONORING THE WOODBRIDGE SEN-IOR CENTER ON ITS 25TH ANNI-VERSARY

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2002

Ms. DELAURO. Mr. Speaker, it gives me great pleasure to rise today to join the Woodbridge community in celebrating the 25th Anniversary of the Woodbridge Senior Center. As the center for senior activities, the Woodbridge Senior Center has become a landmark in our community.

With the establishment of a local Commission on Aging in 1977, there was an assessment of the needs of the elderly in Woodbridge. Almost immediately, the Commission found that there was a lack of space for a place for seniors to gather. Under the remarkable leadership of Patricia Gilbert and the founding members, the Commission on Aging successfully negotiated for space at Center School, adopted a budget, completed a needs assessment survey, formulated policies, opened the lounge and office, developed a volunteer transportation service and established several programs—all within nine months

In the years since its inception, the Woodbridge Senior Center has developed a very unique relationship with the community. Through the Woodbridge Awareness to Crime and Home Safety (WATCH) Council, the Senior Center and the Woodbridge Police Department joined together to develop programming aimed at reducing fear of crime and improving the quality of life for seniors. Each year, the Senior Center sponsors an afternoon tea at which they honor the many volunteers who assist them throughout the year. Working with the town officials, the Senior Center was able to secure a handicapped accessible van which provides transportation to the senior and disabled community. These are only a few of the many outstanding programs the Center has offered to Woodbridge seniors.

Our seniors deserve to have a place in each of our communities where they can socialize as well as access much needed programs. In the quarter of a century since the Senior Center was established, the efforts of the staff and volunteers has greatly improved the quality of life of Woodbridge Seniors. Providing invaluable programs and services, they have made a real difference in the community as a whole. Even today, the Senior Center continues to

grow and expand—enriching the community and the lives of many seniors.

Today, as they celebrate their 25th anniversary, I am honored to stand and join the Woodbridge community in congratulating the staff and volunteers, past and present, of the Woodbridge Senior Center, on this milestone. Their commitment, dedication, and advocacy has left an indelible mark on our community and I would like to extend my deepest thanks and appreciation to them for all of their good work.

Dr. Clark started his career in Marion, Indiana where he taught speech, drama, and English. He has since taught in Harvey and Lockport High Schools. In 1999 Dr. Clark was appointed Assistant Superintendent for Educational Services at the Joliet Township High Schools. In 1996, he received the appointment as Superintendent. RECOGNIZING THE OUTSTANDING SERVICE OF COMMANDER KARL VAN DEUSEN

HON. C.W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2002

Mr. YOUNG of Florida. Mr. Speaker, I rise today to recognize an outstanding naval officer, Commander Karl Van Deusen, who has served with distinction and dedication during the last year as a Navy Appropriations Liaison Officer in the Assistant Secretary of the Navy's (FM&C) Appropriations Matters Office. It is a privilege for me to recognize his many outstanding achievements and commend him for the superb service he has provided to the Department of the Navy, the Congress, and our great Nation.

During his tenure in the Appropriations Matters Office Commander Van Deusen provided the members and staff of my Committee on Appropriations, and our Subcommittee on Defense, with timely and accurate support regarding Department of the Navy plans, programs and budget decisions. His valuable contributions have enabled the Defense Subcommittee and the Department of the Navy to strengthen its close working relationship and to ensure the most modern, well-trained and well-equipped Naval Forces attainable for the defense of our great nation.

In addition to his professional relationship with my Committee, Karl has become like a family member to Beverly, to me, and to my sons. He is a constituent from St. Petersburg, Florida and he has served as a role model for my sons, who he has inspired to pursue careers in the United States Navy and Marine Corps.

Karl is also a recognized hero. He was recently awarded the Navy Commendation Medal for his courageous actions immediately following the September 11th attack on the Pentagon. Without regard for his personal safety, Karl time and time again helped bring fellow service members and civilians out of the burning building that terrible day.

Mr. Speaker, Commander Karl Van Deusen is the epitome of a United States Naval Officer. He now embarks on the dream job of any sailor, taking command of a ship and her crew. As he assumes command of the USS Gonzales, one of our nation's newest destroyers, I know the many friends he has made in working with the Congress will miss him greatly. Of course, our loss is his new crew's gain, and I am confident that Karl will be a great Captain who will ensure that his ship and crew are ready for whatever lies ahead.

I join with my colleagues today in wishing Commander Van Deusen, his wife, Beth, and their five children, Bonnie, Jon, Margaret, Todd, and Cora the very best in one of the best jobs in the world. This great American family has made many sacrifices during a Navy career in which Karl has distinguished himself with an unselfish service that exemplifies the Navy's core values of honor, courage and commitment. Clearly Commander Van Deusen is one of the best our nation has to offer and as he departs the Pentagon to return to sea duty, I call upon colleagues to wish Karl and his family every success and "fair winds and following seas" for the captain and crew of the USS Gonzales.

MAY 28 REPUBLIC DAY

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES Tuesday, May 14, 2002

Mr. BURTON of Indiana. Mr. Speaker, the purpose of my remarks is to congratulate, on behalf of myself and my colleagues, the Republic of Azerbaijan on the May 28 Republic Day. After the break-up of the Soviet Union we have all seen Azerbaijan's strife not only to occupy its rightful place in the international community, but, first and foremost, to preserve its sovereignty, independence, and territorial integrity, to promote the energy projects on the Caspian, as well as to establish relations of friendship and cooperation with the United States and the European nations.

Now we consider Azerbaijan to be one of the strongest U.S. allies among the post-Soviet countries. The reforms in Azerbaijan, both economic and political, as well as this nation's role in the international antiterrorist campaign, prove its dedication to the democracy, free market economy, its intention to pursue cooperation, not confrontation.

I extend my congratulations to President Aliyev and the people of the Republic of Azerbaijan and express my belief that the bilateral relations between our two countries will further develop and strengthen for the well-being of both our peoples, as well as with the purpose of furthering the U.S. interests in the South Caucasus, where Azerbaijan has become a stabilizing force.
