

service transmitted its "Transformation Plan" to Congress. I read through some of the report and was surprised that there was no mention of the fact that the postal service spent \$55 million on general advertising in 2001.

The report did, however, stress that the postal service needs more "flexibility" and cited "increasing cost burdens" and "significant fixed costs" as part of the problem.

Now, why on earth is an organization who whines about "burdens" and "fixed costs" spending \$55 million on brand promotion? Remember, this money was spent during the same year it lost more than \$1 billion.

Mr. Speaker, the \$55 million the postal service spent on advertising for product lines which typically lose money could clearly have been spent more efficiently. For example, \$55 million would have just about covered all of the postal service's tax liability on leased facilities last year. Even better, \$55 million would have paid for more than two-thirds of the postal service employee wages in my district.

Mr. Speaker, an agency which spends \$55 million on a losing advertising campaign does not need "flexibility." No, Mr. Speaker. What the postal service needs is some old fashioned "accountability."

EXTENSION OF TAX CUT WILL RAID SOCIAL SECURITY AND MEDICARE

(Mr. MORAN of Virginia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MORAN of Virginia. Mr. Speaker, it is important to review a little of the chronology leading to today's vote. Only last year, at the end of the Clinton administration, there was a \$5.6 trillion surplus forecast.

Now, the majority of Democrats said, let us be a little fiscally disciplined here. Let us wait and see if these numbers hold up. But the Republican majority, in a rush to judgment, went ahead and enacted a \$2 trillion tax cut. Here we are, the very next year, \$4 trillion of the surplus is gone and we realize that that money is going to have to come out of Social Security and Medicare trust funds, even though five times we all voted for a lockbox on Social Security and Medicare.

The lockbox is broken. Today we are going to cut taxes between the years 2011 to 2020 by another \$4 trillion, \$7 trillion when you count interest payments on the increased public debt it will create, and virtually all of that money is going to have to be paid for by Social Security and Medicare. Yet in that decade, from 2011 to 2020, we are going to see another 40 million people join the retirement rolls.

This is fiscally irresponsible. It is not right. We would not do it in our own

family, and we should not do it to the American family.

THE JOURNAL

The SPEAKER pro tempore (Mr. OSE). Pursuant to clause 8, rule XX, the pending business is the question of agreeing to the Speaker's approval of the Journal of the last day's proceedings.

The question is on the Speaker's approval of the Journal.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. WILSON of South Carolina. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

This 15-minute vote will be followed by a 5-minute vote on the motion to instruct.

The vote was taken by electronic device, and there were—yeas 369, nays 52, not voting 13, as follows:

So the motion to instruct was agreed to.

The result of the vote was announced as above recorded.

PROVIDING FOR CONSIDERATION OF H.R. 586, FAIRNESS FOR FOSTER CARE FAMILIES ACT OF 2001

Mr. HASTINGS of Washington. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 390 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 390

Resolved, That upon adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 586) to amend the Internal Revenue Code of 1986 to provide that the exclusion from gross income for foster care payments shall also apply to payments by qualified placement agencies, and for other purposes, with the Senate amendment thereto, and to consider in the House without intervention of any point of order a motion offered by the chairman of the Committee on Ways and Means or his designee that the House concur in the Senate amendment with the amendment printed in the report of the Committee on Rules accompanying this resolution. The Senate amendment and the motion shall be considered as read. The motion shall be debatable for one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Ways and Means. The previous question shall be considered as ordered on the motion to final adoption without intervening motion or demand for division of the question.

The SPEAKER pro tempore (Mr. SWEENEY). The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, House Resolution 390 provides for a motion offered by the chairman of the Committee on Ways and Means or his designee that the House concur in the Senate amendment with the amendment printed in the report of the Committee on Rules accompanying this resolution.

The rule waives all points of order against consideration of the motion to concur in the Senate amendment with an amendment. It provides one hour of debate in the House, equally divided and controlled by the chairman and ranking member of the Committee on Ways and Means.
