

back into the global scope of things. I would just conclude by turning our attention back to where we began this evening in terms of the public lands and the President's promise when he was candidate Governor Bush to deal with improving the stewardship. Not only are they rolling back protections for motorized vehicles, dealing with just the nuts and bolts that the gentleman from New York is going to have to deal with on the Interior committee in terms of the budget where we are going to eliminate a \$5 billion budget cap. This year I note that the gentleman has been given a Presidential appropriation request, \$2 million above last year's enactment.
