

number three I would say, let me read the quote from George Hansen. Mr. Hansen said on the floor of this House: "It is impossible to have religious freedom in any Nation where churches are licensed to the government. That is the point." That is the point. When the churches and synagogues in this country were given a 501(c)3 status, there was no restriction at all. I have researched this issue, no restriction at all on speech; nothing. It was Lyndon Baines Johnson that put the Federal Government into our churches and synagogues.

Myth number four is H.R. 2357 is not constitutional. Let me say to those again that raise that bogus argument, this is constitutional. Everything that I have ever read from being a student in high school to a college student to being an older man, that the first amendment applies to each and everyone and that means our preachers, our priests, and rabbis. In fact, in 1830, when Alex De Toqueville came to America and he was so impressed with this great, beautiful country that God had blessed with natural beauty, and he was excited about the New Republic and this freedom we would have in this country, what he said, Mr. Speaker, when he traveled America was, what impressed him the most was the flame in the pulpit. Mr. Speaker, we know for sure that until the Johnson amendment that the churches, synagogues, and mosques had no restrictions of speech.

So, Mr. Speaker, I close this way with a couple of comments. Mr. Hansen was right. It is impossible to have religious freedom in any Nation where churches are licensed to the government. The IRS testified on May 14 they cannot even enforce this law; and yet we have certain groups in this country that intentionally send out letters to intimidate a lot of our pastors, priests, and rabbis. I believe, Mr. Speaker, with our men and women in uniform fighting today and at this very moment for this country, trying to protect our national security and protect our constitutional rights, and one of those is the freedom of speech and the freedom of participation, then our spiritual leaders should not be handcuffed. If this Nation is going to remain morally strong, Mr. Speaker, our spiritual leaders must talk about the issues of the day that they think are important, whether they be cultural issues or moral issues or political issues; and sometimes they intertwine, quite frankly.

So, Mr. Speaker, I am very hopeful that this bill will be debated sometime this week, and I certainly hope that the House will join me in passing this legislation. That will be the first step of restoring the First Amendment right to our spiritual leaders.

I close this way because I close this way every time I speak, whether it be in my district, here on the floor, or anywhere throughout, because I feel that this time that we are in as a Na-

tion that, first of all, I have three military bases in my district. I have Camp LeJeune, I have Cherry Point Marine Air Station, New River Marine Base, and also Seymour Johnson Air Force Base. So I close, Mr. Speaker, by asking God to please bless our men and women in uniform. I ask God to please bless the families of our men and women in uniform. I ask God to please bless the American citizen. I ask God to please bless the men and women who serve in the House and the Senate, that we might do what is right in God's eyes. I ask God to please bless the President of the United States as he has many tough days and many tough decisions to make.

I close finally this way, Mr. Speaker, by saying three times, please, God, please, God, please God, continue to bless America.
