Mr. REID. Mr. President, I ask unanimous consent that the Energy Committee be discharged from further consideration of H.R. 1606 and the Senate proceed to its consideration.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (H.R. 1606) to amend section 507 of the Omnibus Parks and Public Lands Management Act of 1996 to authorize additional appropriations for historically black colleges and universities, to decrease the matching requirement related to such appropriations, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

I ask unanimous consent that the amendment be considered and agreed to, the motion to reconsider be laid on the table, the bill be read three times, passed, the motion to reconsider be laid on the table, and any statements related thereto be printed in the RECORD.

The bill (H.R. 1606), as amended, was read the third time and passed.

**COMMUNITY RENEWAL ACT**

Mr. REID. Mr. President, a bill that should have passed this year is H.R. 3100, the Community Renewal Act. We could pass this bill tonight. We could have passed it last night or the night

before. But some in the minority have objected to its consideration. This is too bad.

I will not offer the UC tonight, other than to say that Senator CLINTON has worked very hard on this bill to get it cleared on our side. It is a bipartisan bill that would allow HUD-designated renewal communities to take advantage of more recent 2000 census data in determining their boundaries.

This bill is important for more States than New York. Senator CLINTON has been the leader on this issue, but it is an important piece of legislation. It affects not only New York but Tennessee, Alabama, Kentucky, Colorado, Louisiana, Ohio, Texas, Mississippi, Washington, and other States.

Senator CLINTON cleared this bill with the chairman and ranking member of the Finance Committee, Senators BAUCUS and GRASSLEY. That was not enough. It is regrettable despite all our efforts Republicans could not clear

this fine legislation. I commend the Senator from New York for her good work.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. REID. We expect the House to act on the adjournment resolution this coming Friday. Therefore, we expect the Senate will reconvene at 12 noon, January 7, 2003.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The legislative clerk proceeded to call the roll.
