eral elections, to require States to meet uniform and nondiscriminatory election technology and administration requirements for the 2004 Federal elections, and for other purposes.

#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. DOMENICI:

S. 1964. A bill to direct the Secretary of the Interior to make a grant to the Hubbard Museum of the American West in Lincoln County, New Mexico; to the Committee on Energy and Natural Resources.

Mr. DOMENICI. Mr. President, I am pleased to introduce this bill which authorizes the expansion of the Hubbard Museum of the American West in Lincoln County, NM. Specifically, this bill would allow the Secretary of Interior to make a grant of up to \$4.5 million dollars to cover the Federal share of the museum's expansion.

The Hubbard Museum of the American West has been serving the public since 1993. Opened that year under the name of The Museum of the Horse, the museum welcomed 25,000 visitors in its first full year of operations. Current annual attendance is 130,000 visitors at three locations and one special event within Lincoln County.

As attendance and programs have grown, the museum no longer has the space or facilities to meet the needs of expanded exhibitions and programs. In addition, the Hubbard museum's recent affiliation with the Smithsonian Institute allows the museum to receive artifacts and other collections from the Smithsonian that can be exhibited for the benefit of the public. The Hubbard museum cannot fully serve the visitors or expand its exhibitions and programs without additional space.

The Hubbard Museum of the American West seeks to dramatically expand its facility in order to increase tourism and job development in Lincoln County, NM. This expansion will allow the museum to fully take advantage of its affiliate status with the Smithsonian, address additional needs for collection storage and collection preservation, through climate control, and will provide permanent jobs for an economically challenged region. Early estimates indicate that the project will bring 25 short-term construction jobs and 15 full time museum jobs to Lincoln County. In addition, the expanded tourist attraction will allow an estimated 100 additional jobs to be created throughout the community.

Lincoln County is consistently ranked in the bottom third for income levels in New Mexico, a State that is ranked at the bottom of most income level charts. The citizens of Lincoln and northern Otero counties include Native American, Hispanic Americans, and Anglo-American ethnic groups. It is estimated that one third of the new museum employees will come from each of these ethnic groups. Of special concern is the hiring of a Native American who will act as a curator for the
