STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. HOLLINGS (for himself and Mr. THURMOND):

S. 2011. A bill to extend the temporary suspension of duty on ferroboron; to the Committee on Finance.

By Mr. HOLLINGS (for himself and Mr. THURMOND):

S. 2012. A bill to extend the temporary suspension of duty on cobalt bor-on; to the Committee on Finance.

Mr. HOLLINGS. Madam President, today, I, along with Senator Thurmond, introduce two duty suspensions designed to permit the import of raw materials into the United States duty free. The materials are not indigenous to or made in the United States. Therefore, their importation will not displace domestic sourcing. Moreover, because of the nature of the products at issue, they will assist in the creation of additional jobs in the United States.

I believe that this is the most appropriate use of such legislation. The imported product will not displace any that is manufactured in the United States. Moreover, the imported product will assist in enhancing American productive capacity. I am therefore hopeful that this new capacity can be used to supply both domestic and foreign needs and will increase employment in the United States.
