In light of Mayor Palmer's achievements as mayor of Trenton, he serves as an exemplar of the positive goals that can be achieved by a mayor who is a tireless advocate for his community.●

#### TRIBUTE TO DESIGNER TICKETS & MORE

● Mr. BUNNING. Mr. President, I rise today to honor a very special teacher and group of students from Estill County High School. Yesterday in Frankfort, Connie Witt and her students received a Springboard Award and a \$2,000 grant from the Appalachian Regional Commission. Ms. Witt and her students were recognized for their success running Designer Tickets & More, a school-based printing business, which prints designs on everything from bumper stickers to ball caps.

Six years ago, Connie Witt, who has taught business classes at Estill County High School for nine years, received free ticket-making software in the mail. Ms. Witt, an entrepreneur at heart, thought it would be a shame to let this software go to waste, so she decided that, with the help of a few students, she could be in charge of printing tickets for the district basketball tournament. Soon, Ms. Witt and her student staff realized the value of their work and were suddenly printing designs on business cards, buttons, mousepads, and mugs. Today, the business known as Designer Tickets & More serves more than 300 customers in Estill County. They have been lauded by their customers as efficient, creative, and affordable. The students redirect their profits back into the business as an insurance policy for progressive thinking.

Students who wish to participate in this business venture must submit resumes and go through an interview process just as if they were applying for a job in my office. From among the applicants, Ms. Witt chooses chief executive officers, department heads, and employees. The students are held responsible for clocking in and out and must inform their boss if they will be unable to come to work due to sickness or vacation. Up to 30 students are in charge of running the business each semester. They are required to make sales calls, fill out order forms, design creative products, and prepare invoices. I applaud Ms. Witt for the phenomenal job she has done creating an educational atmosphere where students can learn not only about business basics such as inventory and sales but also life-skills such as leadership and responsibility.

I ask that my fellow colleagues join me in congratulating Designer Tickets & More on receiving a Springboard award and for their hard work and dedication. I believe Ms. Witt has discovered an effective and educational way to teach Kentucky's future busi-

ness leaders the importance of teamwork, commitment, and responsibility.●

#### IN RECOGNITION OF THE ROBERT WOOD JOHNSON UNIVERSITY HOSPITAL

● Mr. TORRICELLI. Mr. President, I rise today to honor The Robert Wood Johnson University Hospital. At the forthcoming 132nd Mercer County Chamber of Commerce annual awards dinner, the Robert Wood Johnson University Hospital will be recognized with the Mercer County Chamber of Commerce's Distinguished Corporation of the Year Award for its outstanding efforts in providing support for the postal workers facing the potential exposure to anthrax.

As our nation's Capitol, Florida, and the New York/New Jersey Area faced the fallout of anthrax laced letters, the Robert Wood Johnson University Hospital did its part to help our nation. After it came to light on October 13th that the anthrax-tainted letter sent to the NBC offices was processed at the United States Post Office on Route 130 in Hamilton, the Robert Wood Johnson University Hospital stepped forward to meet the needs of the community. Under the dynamic leadership of Christy Stephenson, the hospital assessed the potential need for Cipro within the community and took steps to secure the amount of Cipro the situation required.

Further, understanding the urgent need for its services, the hospital accommodated its schedule to treat the patients from the anthrax exposure area while continuing to keep its appointments with regular clients.

As an exemplary corporate citizen of the Mercer County community, Robert Wood Johnson University Hospital's efforts during this time of crisis were of life saving importance to over sixteen hundred individuals. I am proud to know that we have such fine institutions looking after the healthcare of New Jersey residents.●
