STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. ROCKEFELLER:

S. 2074. A bill to increase, effective as of December 1, 2002, the rates of compensation for veterans with service-connected disabilities and the rates of dependency and indemnity compensation for the survivors of certain disabled veterans; to the Committee on Veterans' Affairs.

Mr. ROCKEFELLER. Mr. President, as Chairman of the Committee on Veterans' Affairs, I am tremendously pleased to introduce legislation that will authorize a cost-of-living adjustment, COLA, to veterans' compensation for next year.

Every year, Congress fulfills its obligation to provide a cost-of-living adjustment to veterans disability benefits. While we can never truly repay the debt that we owe to these individuals for their sacrifices to our country, what we can do is ensure that the benefits we provide for the men and women who are disabled while serving in places such as Afghanistan retain their value and are not eroded by inflation.

The Veterans' Compensation Cost-of-Living Adjustment Act of 2002 continues this tradition of fulfilling our obligation to America's veterans by directing the Secretary of Veterans Affairs to increase, as of December 1, 2002, the rates of veterans' disability compensation, as well as compensation for eligible dependents and surviving spouses. This increase would be the same percentage as the increase Social Security Act beneficiaries will receive.

The COLA is enormously important to veterans and their families. It is critical that veterans' disability compensation rates keep pace with the increasing cost of living. Without it, many disabled veterans might not be able to afford the simple necessities of life—warm clothes, food, and shelter. I, therefore, encourage my colleagues to join me in supporting this very important bill.

I ask unanimous consent that the text of the legislation be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 2074

(3) Each dollar amount increased pursuant to paragraph (2) shall, if not a whole dollar amount, be rounded down to the next lower whole dollar amount.
