

in 1999, told the story of a Presidential election crisis not unlike the real one that transpired during the 2000 elections.

His sphere of influence was not limited to academia. Larry was an active member of the Democratic Party. He was part of the Democratic National Committee and served on the Executive Committee in 1996–1997. He was among the 538 electors in the Electoral College in 1988 and 1992. At the local and State levels, Larry headed many area campaigns for nationally elected officials.

His expertise on the electoral college and its process made him an invaluable consultant to this body's Judiciary Committee throughout the 1970s and 1990s. Often called to testify before U.S. Senate hearings, his research and findings on the electoral college contributed a great deal to public debates on this important issue. His legacy will be long remembered in the halls surrounding this chamber as well as across the country.

Larry was a true friend and one of my best supporters. He was an intelligent observer of and an active and loyal participant in our democracy. He will be remembered for his honesty, his diligence, and his kindness. We will dearly miss him.●

HONORING MARLOW McCULLOUGH

● Mr. BUNNING. Mr. President, today I am afforded the opportunity to rise amongst my colleagues to honor Mrs. Marlow McCullough of Taylor County, KY. Mrs. McCullough was recently named Woman of the Year for the Taylor County community.

When Marlow McCullough was informed that she had been named Woman of the Year for Taylor County, she was completely shocked and surprised. In fact, she did not have any idea that she had even been nominated for the contest. In an extremely thoughtful and loving gesture, David McCullough, Marlow's husband, nominated her for the award. Marlow was one of 40 women to be considered for this honor.

In my experiences in sports, business, and politics, I have discovered that the most difficult part of being successful is balancing responsibilities and commitments. Trying to find adequate and ample time to satisfy all of our wants and needs can be quite an overwhelming and intimidating task. For most of us, this task is something we work toward for a lifetime. Marlow McCullough has skillfully mastered this seemingly impossible balancing act.

Mrs. McCullough is not just a loving wife of 24 years and devoted mother of 4 wonderful children. She also is a full-time and highly respected instructor of mathematics at Campbellsville University. As if these accolades would not suffice to earn her the title of Woman of the Year, Mrs. McCullough is an accomplished musician, an active and de-

vout member of the Campbellsville Baptist Church, an organizer of local youth soccer, and an active and visible participant in many of her children's school activities. Mrs. McCullough stated it best when she said, "Planning and partnerships are the keys to success."●

I applaud Mrs. McCullough for her commitment to church, family, career, and community, and congratulate her on being named Woman of the Year for Taylor County. I believe we all can learn something from her exemplary behavior.●

TRIBUTE TO MAJOR GENERAL PATRICK D. SCULLEY

● Mrs. HUTCHISON. Mr. President, I rise today to pay tribute to a fellow Texan, Major General Patrick D. Sculley of the U.S. Army Dental Corps. Major General Sculley has served our country for 29 years in a number of senior positions. His distinguished career culminated with his appointment to be Deputy Surgeon General of the Army and Chief, U.S. Army Dental Corps.

As the deputy surgeon general, Major General Sculley provided exceptional leadership and oversight of all Army healthcare facilities and biomedical research activities. His efforts facilitated the highest quality healthcare for military beneficiaries while ensuring health readiness and a deployable medical force.

As the chief of the U.S. Army Dental Corps, he implemented a worldwide Dental Care Optimization Program that significantly increased the dental readiness of military personnel and improved the dental health of America's Army. While still a colonel, he was integral to the establishment of the U.S. Army Dental Command and was its first commander. Throughout the nearly three decades of service to our country, Major General Sculley emphasized personal involvement with his junior officers. His leadership by example has been instrumental in the retention of quality dental officers.

I would like to commend Pat and his wife, Peggy, for their unwavering dedication to the United States and the Army and thank them for their service. They have served our Nation with distinction and in the finest traditions of the U.S. Army. I wish them well in future endeavors as they enter a new phase of their lives in Texas. May God continue to bless Major General Sculley and his family and may God bless America.●
