POM-230. A resolution adopted by the House of the General Assembly of the Commonwealth of Pennsylvania relative to economic stimulus legislation; to the Committee on Finance.

HOUSE RESOLUTION NO. 348

Whereas, The attack on America of September 11, 2001, was a shock to the Commonwealth of Pennsylvania and the nation; and

Whereas, There is an ongoing military and multidimensional response to terrorism that we strongly support; and

Whereas, The United States faces the potential of a serious recession, having already lost 50,000 manufacturing jobs in Pennsylvania since the beginning of the year, and the attack on America may cause the loss of an estimated additional 15,000 jobs; and

Whereas, The Congress of the United States has already taken critical action to support affected industries and is proposing additional aid to business; and

Whereas, The Congress is considering an economic stimulus package; and

Whereas, The core goal of an economic stimulus package is the stabilization of communities; and

Whereas, Supporting business to stabilize employment must be a critical part of any economic stimulus package to be adopted by the Congress; and

Whereas, Supporting workers must be included as part of any economic stimulus package to stabilize the economy; and

Whereas, Supporting State and local governments to avoid or lessen state or local tax revenues is a critical part of any economic stimulus package; and

Whereas, The economic stimulus package should include the following provisions: extending federally funded unemployment compensation, where needed, by 26 weeks; aiding workers by improving health care access by at least paying 75% of the COBRA health care costs and other health care assistance; aiding workers by fully funding targeted training and worker reemployment programs and taking such other actions to save personal homes and stabilize credit transactions; and

Whereas, If the Congress does not address the critical areas of economic stimulus, business workers and State and local government, these costs will have to be borne by State and local governments, workers and business; and

Whereas, The economic stimulus package adopted by the Congress on October 24, 2001, fails to adequately address the needs of workers in state and local government; therefore be it

Whereas, That the House of Representatives of the Commonwealth of Pennsylvania urge the Congress of the United States to ad-

dress each of the three critical areas that will create economic stability and allow full growth; and be it further

Resolved, That the House of Representatives ask the Congress to help workers by considering the following provisions: extending federally funded unemployment compensation, where needed, by 26 weeks; aiding workers by improving health care access by at least paying 75% of the COBRA health care costs and other health care assistance; aiding workers by fully funding targeted training and worker reemployment programs and taking such other actions to save personal homes and stabilize credit transactions; and be it further

Resolved, That the House of Representatives respectfully request that the Congress provide aid to affected states to offset revenue deficits; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, to the presiding officer of each house of Congress and to each member of Congress from Pennsylvania.
