STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. LEAHY (for himself, Mr. CAMPBELL, Mrs. CLINTON, and Mr. SCHUMER):

S. 2431. A bill to amend the Omnibus Crime Control and Safe Streets Act of 1968 to ensure that chaplains killed in the line of duty receive public safety officer death benefits; to the Committee on the Judiciary.

Mr. LEAHY. Madam President, today I proudly join with Senators CAMPBELL, and CLINTON to introduce the Mychal Judge Police and Fire Chaplains Public Safety Officers' Benefit Act of 2002. I want to thank my colleagues for their leadership and strong support for public safety officers and their families. I also commend Representative NADLER and Representative MANZULLO for their leadership on the House version of this bill.

This bill aims to restructure the Public Safety Officers' Benefits Program to expressly include chaplains as members of the law enforcement and fire units in which they serve, and would make these chaplains eligible for the benefits available to public safety officers who have died or who have been permanently disabled as a result of injuries sustained in the line of duty. In addition, the Act would expand the list of those who may receive benefits in the event of a public safety officer's death in the line of duty by including as potential beneficiaries the persons named on the most recently executed life insurance policy of the deceased officer. In short, this legislation will ensure that the families of chaplains killed in the line of duty receive due payments through the Public Safety Officers' Benefits program.

On September 11, 2001, Father Mychal Judge, a chaplain with the New York City Fire Department, was killed by falling debris as he ministered to victims of the horrific terrorist attacks on the World Trade Center. He was survived solely by his two sisters.

Current law allows the Bureau of Justice Assistance to determine whether or not a public safety officer died as a direct or proximate cause of a personal injury sustained in the line of duty, and, if such criterion is met, directs the BJA to pay a monetary benefit of \$250,000 to the surviving family members of the officer. In the case of Father Judge, the BJA correctly determined that he was eligible for payment of death benefits. However, Father Judge had no wife or children, and outlived his parents, and no benefits were paid to his life insurance beneficiaries, his sisters, as they were ineligible under existing law to qualify as his beneficiaries and receive death benefits. This case is not unique, of the approximately 450 public safety officers killed in the September 11 attacks, there are 10 individuals known to have died without spouses, children or parents, so the \$250,000 death benefit will not be paid. This is simply wrong.

For the purpose of determining benefit eligibility, the U.S. Code limits "public safety officers" to law enforcement officers; firefighters; rescue crews; FEMA employees; and members of State, local, or tribal emergency management or civil defense agencies who perform official duties in cooperation with FEMA. While the language of existing law could be interpreted to include chaplains, the Mychal Judge Police and Fire Chaplains Public Safety Officers' Benefit Act would resolve any existing ambiguities. It specifically recognizes chaplains as public servants eligible for Public Safety Officers' Benefits so long as they serve as officially recognized or designated members of a legally organized volunteer fire or police department, or are officially recognized or designated public employees of a legally organized fire or police department, and was responding to a fire, rescue, or police emergency when injured or killed.

Additionally, this legislation would expand the list of those allowed to receive such benefits in the event of an officer's death in the line of duty. Current law restricts such beneficiaries to the spouse, child, or parent of the decedent. Our bill would expand this list, which would still give priority to spouses and children, but, in the event that neither survived the officer, would allow the monetary benefit to be paid to the individual designated by such officer as a beneficiary under the officer's most recently executed life insurance policy. In the event that there was no such individual named or that an individual so named did not survive the officer, the benefit would then be paid to the parents of the officer.

Before us we have yet another unique opportunity to provide much-needed

relief for the survivors of the brave public servants who selflessly risk and sacrifice their own lives everyday so that others might live or be comforted. I look forward to continuing to work with my colleagues on legislation to support our nation's public safety officers who put their lives at risk every day to protect us, and I urge the Senate to pass this bill expeditiously.

By Mr. SMITH of New Hampshire:

S. 2432. A bill to prohibit the use of fiscal year 2003 Federal funds for support of the Palestinian Authority pending the cessation of terrorist activities by the Palestinian Authority; to the Committee on Foreign Relations.

Mr. SMITH of New Hampshire. Madam President, I rise today to offer a long-overdue bill for the purpose of defunding terrorism by Yasser Arafat and his supporters, by shutting off their flow of dollars from the U.S. Treasury.

It was the belief of the previous administration that Yasser Arafat and his Palestine Liberation Organization would live up to their renunciation of terrorism, and the newly-formed Palestinian Authority headed by Arafat and his PLO cronies could operate as a responsible governing body to further peace.

Instead, Arafat, the PLO and the PA have used the guise of their new-found political legitimacy, and agreement to the Tenet peace plan, to mask their real desires.

The reality of the situation is that the Palestinian Authority is joined at the hip with the PLO and other terrorist groups, such as Tanzim, the armed wing of Fatah, the largest faction of the PLO.

Tanzim is headed by a member of the PA's legislature, and is believed to have developed an alliance with Hamas and the Palestinian Islamic Jihad.

Our aid frees up other money the PA uses to pay for the bombs that are killing innocent men, women and children in Israel.

The chart was compiled by my staff from a published list of each such attack last year. That list is 25 pages long.

We dare not forget the level of terror visited upon Israel by Palestinian terrorists. The terror attacks in Israel in the year 2001 alone, from the first one on New Year's day, to the last one on December 12 are sobering: 79 separate incidents; 1220 injured; an additional 160 killed.

It has been reported that on March 2, 1973, Yasser Arafat ordered the execution of Cleo Noel, the American Ambassador to the Sudan. Arafat and his supporters have since been tied to countless acts of terror and murder. Therefore, it is beyond belief that our country to this day provides the Palestinian Authority and related entities more than \$75 million dollars every year.
