#### SECTION 1. ESTABLISHMENT OF INITIATIVES FOR PREDOMINANTLY MUSLIM COUNTRIES.

(a) FINDINGS.—The Congress makes the following findings:

(1) Surveys indicate that, in countries of predominantly Muslim population, opinions of the United States and American foreign policy among the general public and select audiences are significantly distorted by highly negative and hostile beliefs and images and that many of these beliefs and images are the result of misinformation and propaganda by individuals and organizations hostile to the United States.

(2) These negative opinions and images are highly prejudicial to the interests of the United States and to its foreign policy.

(3) As part of a broad and long-term effort to enhance a positive image of the United States in the Muslim world, a key element should be the establishment of programs to promote a greater familiarity with American society and values among the general public and select audiences in countries of predominantly Muslim population.

(b) ESTABLISHMENT OF INITIATIVES.—The Secretary of State shall establish the following programs with countries with predominantly Muslim populations as part of the educational and cultural exchange programs of the Department of State:

If feasible, the host government or local educational agency shall share the salary costs of the assistants.

(4) SISTER CITY PARTNERSHIPS.—The Secretary shall expand and enhance sister-city partnerships between United States and foreign municipalities in an effort to increase global cooperation at the community level. Such partnerships shall encourage economic development, municipal cooperation, health care initiatives, youth and educational programs, disability advocacy, emergency preparedness, and humanitarian assistance.

The Secretary shall encourage the establishment of direct school-to-school linkages under the program.

(6) **FULBRIGHT EXCHANGE PROGRAM.**—The Secretary shall seek to substantially increase the number of awards under the J. William Fulbright Educational Exchange Program to graduate students, scholars, professionals, teachers, and administrators from the United States who are applying for such awards to study, teach, conduct research, or pursue scholarship in predominantly Muslim countries. Part of such increase shall include awards for scholars and teachers who plan to teach subjects relating to American studies.

The report shall include information concerning the number of grants to conduct exchange programs to countries described in such section that have been submitted for competitive bidding, what measures have been taken to ensure that willingness to include supporters of freedom and democracy in such programs is given appropriate weight in the selection of grantees, and an evaluation of whether United States exchange programs in the countries described in such section are fully open to supporters of freedom and democracy, and, if not, what obstacles remain and what measures are being taken to implement such policy.
