

the Girl Scouts of America. The Girl Scout tradition began on March 12, 1912, when founder Juliette Gordon Low assembled 18 girls in Savannah, GA for the first-ever Girl Scout meeting. Today, the organization offers girls of all races, ages, ethnicities, socioeconomic backgrounds, and abilities the chance to thrive by building the real-life skills they will need as adults.

I am especially honored to acknowledge the activities of the Girl Scouts of Rhode Island, which currently serves over 13,700 girls in my home State and several bordering towns of Massachusetts and Connecticut. The Girl Scouts of Rhode Island has created several enriching programs and activities over the years that truly help girls grow strong. One such program is Girls on the Go, which serves low-income girls at free lunch sites throughout the State during the summer months, allowing them to participate in Girl Scout activities. Other examples include the City Summer Camps program in both Providence and Central Falls which provides 6 weeks of training and recreational activities, and the Girls at the Center program which has provided numerous scouts and adults with opportunities to explore science and technology.

I am truly proud of the achievements of the Rhode Island Girl Scouts and their mission to help young women achieve high ideals of character, conduct, patriotism and service. I wish them continued success in the future.●

REPORT TO RESTORE NON-DISCRIMINATORY TRADE TREATMENT (NORMAL TRADE RELATIONS TREATMENT) TO THE PRODUCTS OF AFGHANISTAN—PM 83

Under the authority of the order of the Senate of January 3, 2001, the Secretary of the Senate, on May 3, 2002, during the recess of the Senate, received the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Finance:

To the Congress of the United States:

Public Law 99-190, 99 Stat. 1319, which took effect on December 19, 1985, authorized the President to deny normal trade relations (NTR) tariff treatment to the products of Afghanistan. On January 31, 1986, President Reagan issued a proclamation denying NTR treatment to Afghanistan.

I have determined that it is appropriate to restore NTR treatment to the products of Afghanistan. Restoration of NTR treatment will support U.S. efforts to normalize relations with Afghanistan and facilitate increased trade with the United States, which could contribute to economic growth and assist Afghanistan in rebuilding its economy. Therefore, in accordance with section 118 of Public Law 99-190, I hereby provide notice that I have

issued the attached proclamation restoring NTR tariff treatment to the products of Afghanistan. The Proclamation shall take effect 30 days after it is published in the *Federal Register*.
