I encourage each of my colleagues to take note of this survey's results and the direct impact of sportsmen and sportswomen on his or her State's economy.●

CONGRATULATIONS TO HUNT DOWNER

● Ms. LANDRIEU. Mr. President, I rise today to congratulate Hunt Downer of Houma, LA, for his Senate confirmation to the rank of Brigadier General in the Army National Guard. I have known General Downer for years, and I know he will make an excellent member of the general officer corps. Moreover, he will serve with great competence, skill, and leadership in the Louisiana Army National Guard.

General Hunt Downer epitomizes the Citizen Soldier and has dedicated his life to public service. Not only has Hunt had a long and successful career in the Louisiana National Guard, but Hunt has served in the Louisiana House of Representatives since 1975. During that time, he has always been an advocate for his constituents and the entire State of Louisiana. I served with Hunt in the House of Representatives, where I gained great respect for him. Moreover, he was respected by his peers because they chose him to serve as the Speaker of the House of Representatives. Despite the pressures on his time stemming from his commitments to the Louisiana National Guard and his duties as an elected official, Hunt also runs a successful legal practice in Houma, LA.

Most importantly, Hunt Downer has a wonderful family. I know they must be proud of Hunt. So today, I also want to congratulate Hunt's wife, Linda Lee, and his children, Mary and Blair.●

TRIBUTE TO DEBBIE FOWLER

● Mr. ALLARD. Mr. President, I would like to take a moment to recognize a woman who last week went to work like she does every day, but returned home as a hero.

Debbie Fowler serves at the Veterans Administration Medical Clinic in Colorado Springs as the Homeless Program Assistant. On Tuesday, September 24, Debbie made a call to a VA clinic in Arizona trying to locate some hospital records of a gentleman who had just checked into Debbie's place of work. Her phone call confirmed that the man who had just entered the clinic was wanted for at least 14 sexual assaults in Arizona, California, Oklahoma, and Nevada.

Knowing the type of criminal that was in her midst, Debbie was told by U.S. Marshals over the telephone to keep him in the clinic. With remarkable poise, Ms. Fowler was able to persuade the man to stay. Local police soon arrived at the clinic and apprehended the man, and commended

Debbie for a job well done. Families of the victims have called Debbie a hero for what she did, and I concur. Although this woman humbly declined that title, I would like to thank Ms. Fowler for her efforts and her bravery.●

IN CELEBRATION OF THE CITY OF MOUNTAIN VIEW'S 100TH ANNIVERSARY

● Mrs. BOXER. Mr. President, I wish to take this opportunity to recognize the 100th Anniversary of the city of Mountain View in my home State of California.

The city of Mountain View began as a stagecoach stop and agricultural center for the Santa Clara Valley. Like other areas in the Santa Clara Valley, Mountain View was once filled with bountiful orchards and vineyards. When Mountain View was incorporated as a city in 1902, there were fewer than one thousand residents living there; today there are 72,200. The population grew after World War II alongside the electronic and aerospace industries. Today, Mountain View is located in the heart of California's Silicon Valley, the technology capital of the world. From orchard and vineyard country to high tech mecca, Mountain View has been part of the rich history of California.

Mountain View combines innovative development efforts with a commitment to strong and diverse neighborhoods and resident involvement. In recent years, Mountain View has received three awards for outstanding city planning, including two at the national level. The American Planning Association, APA, gave Mountain View the "Outstanding Planning Award for Implementation" in honor of the city's Integrated Transit Oriented Development. Mountain View received a wonderful honor when these transit projects were selected to be part of a special exhibit at the Winter Olympics. The exhibit highlighted state-of-the-art architecture, urban design and transportation projects from cities throughout the world. And California's Local Government Commission awarded Mountain View the 2001-2002 Ahwahnee Award Certificate of Merit for Integrated Transit Oriented Development that "reflects the continued evolution toward more livable and sustainable communities."

I am delighted that Mountain View has been recognized around the nation as an outstanding place to live. While the city receives national attention, it also has been recognized around the San Francisco Bay Area for a wide array of neighborhood parks, the Shoreline at Mountain View regional park created from reclaimed landfill, a civic center that includes the Mountain View Center for the Performing Arts, a state-of-the-art library and the Shoreline Amphitheatre. Mountain View's community pride is also evident by the locally organized neighborhood associations that exist to address resident needs. This local pride is one of

the things that makes this city such a California treasure.

I am thrilled that the city of Mountain View, its local government and its residents maintain such a strong community spirit while its high-tech companies provide new products to change the way we live. The city's mission statement, to "provide quality services and facilities that meet the needs of a caring and diverse community in a financially responsible manner," could not be more appropriate. I hope the people of Mountain View enjoy this community-wide centennial celebration, and I wish them another 100 years of success.●
