

ended up at Tope and Wingate Elementary Schools, where he became a school counselor. He has worked for the schools for eleven years and hopes to work there for many more. Everyday on the job Louis provides the children with a positive influence, giving them a mentor they can respect and admire.

Mr. Speaker, I am proud to pay tribute to Louis Martinez before this body of Congress and this nation. His determination and optimism are models for today's youth. I am pleased that Louis has chosen a career where he can extend his positive influence to our children. Thank you, Louis, for the outstanding example of hard work, determination, and optimism that you have given our children.

#### RECOGNITION OF RALPH CLEMINGS

#### HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2003

Mr. SHIMKUS. Mr. Speaker, I rise before you today to recognize Mr. Ralph Clemings of Troy VFW Post 976, Illinois. Ralph recently presented two protective vests for the dogs of the Illinois State Police K-9 unit from District 11 in Collinsville, Illinois.

Ralph came up with the idea after watching the K-9 units work in the aftermath of 9-11. He thought that since these dogs are now being sent in to risk their lives in dangerous situations, they should have the same type of protective vests that the policemen have. He then contacted the Illinois State Police and found out that the state didn't have enough funding in the budget to purchase any vests for the dogs. After hearing this Ralph set out to raise the needed funds to purchase the vests. It took him nearly 7 months, but he raised the money without ever asking anyone else for help.

On April 27, 2003, Ralph presented two dog vests to Sergeant Fred Scholl and his K-9 partner "DAX" and also to Trooper Rampert and his K-9 partner "Rogune." Ralph also noted that K-9 units have been used to save thousands of lives in the Korean War, the Vietnam War, and most recently in Iraq.

I would like to congratulate and thank Ralph for his hard work on this cause. This selfless act is a prime example of someone giving back to the community and the dedication that makes this country so great.

#### TRIBUTE TO DAVID A. LEBOW

#### HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2003

Mrs. NAPOLITANO. Mr. Speaker, I would like to take this opportunity to pay tribute to Mr. David A. Lebow on the occasion of his retirement as the President of the Montebello Teachers Association. I also want to thank him for 39 years of distinguished and dedicated service to the Montebello Unified School District.

David Lebow first joined the Montebello Unified School District in 1964, as a teacher at Eastmont Junior High School. In 1971 he

began enriching the minds of students at Schurr High School in the disciplines of Music, Theater Arts, Advanced Placement American History, and Advanced Placement American Government. Over the last 33 years his service to the education community has been demonstrated through numerous positions including Fine Arts and Social Studies Department Chair, High Risk Academic Cluster Coordinator, Key Club Sponsor, National Honor Society Sponsor, Principal's Advisory Committee Chair, and Class Sponsor in 1974 and 1979.

In 1981 David Lebow began dedicating his time and skills to the Montebello Teachers Association (M.T.A.), serving as High School Representative from 1981 through 1984, Vice President from 1984 through 1985 and again in 1998 through 2000. He served as Treasurer from 1991 through 1993. In 2001, the membership elected Mr. Lebow President, where he has served as the voice of over 1,600 teachers for the past two years.

Mr. Lebow has also served as the M.T.A. Lifetime Health Benefits Trust Chairperson since 1987. Additionally, David Lebow's advocacy on behalf of teachers extends to the state level, where he has served on the California Teachers' Association (C.T.A.) Board of Directors from 1990 through 2001. He has served as member and Chairperson of the Alliance of Urban Teachers from 1985 through 1989 as well as Liaison Coordinator to the C.T.A. Board of Directors.

Mr. Lebow has lead with integrity and has enjoyed the respect of many in the field of education. So it is not surprising that his skills and devotion have earned him many awards and recognitions. He has been the recipient of the P.T.A. Founders Award, the Los Angeles County Bravo Award, the C.T.A. Local and State "Who" Award for outstanding work on behalf of members, and the C.T.A. Human Rights Award for work in fostering the advancement of women and minorities in leadership positions.

Mr. Speaker, in closing I wish the very best to David Lebow as he is recognized for his years of service to the Montebello Unified School District. His strong leadership skills and devotion to the teaching profession and to children will be greatly missed. During the last 39 years of service, he certainly has earned recognition, and I call upon all my colleagues to join me in applauding his tenure in education and wishing him all the best for his retirement.

#### HONORING RUTH ZEMLOCK

#### HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2003

Mr. MCINNIS. Mr. Speaker, I am pleased to stand before this body of Congress today to express my thanks and admiration for Ruth Zemlock, the winner of the May 2003 "9 Who Care Award". Channel Nine News in Denver, Colorado awards this honor to someone who strives to give back to his or her community through volunteering, something Ruth has succeeded in doing for over 14 years.

Valley View Hospital in Glenwood Springs, Colorado is lucky to have such a determined and hard working volunteer; a woman who

has done so much for the hospital that she has garnered the nickname "Dr. Ruth." Her fellow co-workers explain that Ruth knows "anything and everything" about the hospital, because at one time or another she has worked in every department. Today, Ruth is working at the information desk and in outpatient surgery and is a member of the hospital's Board of Directors. To date, she has amazingly given over 11,000 hours of her time, about 458 days, to the care of others.

Mr. Speaker, Ruth's hard work and determination have provided Valley View Hospital with an exemplary model of heart and kindness. Volunteers are an integral part of America's workforce. Each day, they make an impact on everyone around them. At the age of 85, Ruth's endless energy and enthusiastic spirit amaze all who know her. Thank you, Ruth, for your years of distinguished, honorable service. Valley View Hospital and Glenwood Springs, Colorado will forever be in your debt.

#### LEGISLATION TO AUTHORIZE CERTAIN BUREAU OF RECLAMATION ACTIVITIES

#### HON. NEIL ABERCROMBIE

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2003

Mr. ABERCROMBIE. Mr. Speaker, today, Representative ED CASE and I are introducing legislation to authorize certain Bureau of Reclamation activities that will have profound impacts on the future of Hawaii's economy.

The legislation is a companion bill to one introduced in the Senate by Senator DANIEL AKAKA and Senator DAN INOUE. It will expand the scope of the Bureau of Reclamation water resources study authorized by the 105th Congress as well as authorize three specific projects needed to address Hawaii water needs. This law, the Hawaii Water Resources Act of 2000, included Hawaii in the Bureau's wastewater reclamation program and expanded its drought relief programs to include Hawaii.

Although one of Hawaii's greatest assets is its tropical climate, there are vast areas where little rainfall occurs and conditions are very similar to that of the high arid regions of the mainland U.S. In addition, similar to current conditions in these U.S. areas, drought conditions have been occurring in most recent years.

The most recent projection of the Honolulu Board of Water Supply indicates that the island of Oahu will exhaust the fresh water supplies of the island by the year 2018. Seventy-two percent of Hawaii's population lives on Oahu, so it is easy to imagine the cataclysmic consequences of ignoring the dire warnings that are being sounded. There are numerous efforts underway at both the State and local levels to begin addressing problems, such as substituting recycled water for potable water when appropriate, improving storage to preserve surface water, and implementing conservation technologies.

Enactment of the legislation will help lead us to long-term solutions. There are, however, several projects ready for implementation that would begin to mitigate current and future conditions. Three of them would be authorized

under the bill. Briefly, a desalinization facility would be built on Oahu, capable of producing 5 million gallons of potable water a day. Secondly, on the leeward side of the Big Island of Hawaii, a facility is to be built creating sub-surface wetlands and an open surface wetland to treat effluent and generate useable water. The third project, in Lahaina, Maui, is to expand the existing recycled water distribution system so that numerous commercial users can substitute readily available recycled water appropriately where currently potable water is used.

I look forward to working with my colleagues to help find solutions to water development, conservation, reuse and recycling in Hawaii.

#### HONORING JESSE M. HARRISON

#### HON. JOHN B. LARSON

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2003*

Mr. LARSON of Connecticut. Mr. Speaker, I rise today to pay tribute to one of my constituents, Jesse M. Harrison of Rocky Hill, Connecticut. Mr. Harrison is a veteran of the Second World War, and I recently had the privilege of presenting him with the Distinguished Flying Cross, which he earned nearly 60 years ago during his service as an Air Force pilot, but never received.

Mr. Harrison, now 82, served in the Air Force from March 20, 1943 to January 8, 1946. He piloted an aircraft on D-Day, June 6, 1944 at about 1:00 am carrying 17 paratroopers from the allied base in England to their "drop zone" behind German lines in Ste. Mare Eglise, France, only miles from the Normandy beaches. Two of the three planes in Mr. Harrison's group went down in flames under heavy German fire, however First Lieutenant Harrison, then 24, dropped his aircraft down to tree top level and took complicated evasive actions to avoid German fire. After overshooting the drop zone because of the German fire, he returned to the drop zone and the paratroopers dropped and hit their mark. When he returned to base in England, his aircraft had 67 holes in it from German gunfire.

On September 19, 1944, Mr. Harrison was again the pilot of a plane flying over the Netherlands towing a glider with 10 American soldiers and a jeep on board to their drop zone near German lines. His plane came under heavy enemy fire and his crew bailed out after the plane caught fire and began losing altitude. Were Harrison to bail out as well, the troops on the glider he was towing would likely have had to let go early, resulting in their death or capture. Mr. Harrison alone continued to guide the glider with his burning aircraft to their drop zone. After dropping the glider at their mark, Mr. Harrison had to walk through a wall of flame to reach his exit door—with the plane only 300 feet from the ground and falling—to jump. He was assisted by two Dutch priests who found him. Mr. Harrison suffered 2nd and 3rd degree burns from his waist to his face and spent 15 months recovering, receiving numerous skin grafts.

It was a privilege for me to be able to present him with his well-deserved medal on behalf of an eternally grateful Nation with all his family and friends present at Rocky Hill Town Hall on Wednesday, May 28, 2003. Mr.

Harrison is one of the thousands of real life heroes whose story must be told again and again so that each new generation of Americans will know that heroes do indeed walk among us, and that we must never forget the service and sacrifice our veterans gave for this Nation.

Mr. Speaker, I ask that my colleagues join me today in thanking and honoring Jesse Harrison for his service to the Nation.

#### SUPPORTING THE GOALS AND IDEALS OF PEACE OFFICERS MEMORIAL DAY

SPEECH OF

#### HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 3, 2003*

Mr. STUPAK. Mr. Speaker, today the House of Representatives took up H. Res. 231, a resolution supporting Peace Officers Memorial Day, which took place on May 15, and honoring law enforcement officers who were killed or disabled in the line of duty. I want to thank my colleague Mr. HEFLEY for sponsoring this important legislation again this year, and wholeheartedly back this important resolution.

Supporting law enforcement is very important to me. Before coming to Congress in 1993, I served for over 12 years as a Michigan state police officer for the Escanaba City Police Department. I was the founder and have continuously served as co-chair of the House Law Enforcement Caucus for the past 11 years.

Since September 11, 2001, many in this nation and this Congress have come to realize the importance of the sacrifices made by our law enforcement officers. Every day law enforcement men and women protect and serve, often putting their own lives at risk. In Michigan alone, over 40 officers have given their lives in the line of duty over the past 15 years.

Peace Officers Memorial Day brings us together in honoring the extreme sacrifice our nation's law enforcement and public safety officers make to our communities and our nation every day.

I think it is important as we discuss this important resolution, to resolve to focus in Congress on providing the necessary funding and support to law enforcement in the growing challenges they face.

I am hopeful that my colleagues will follow up on their support of this resolution, and continue our commitment to law enforcement by supporting these important funding needs. It is the least we can do for those who put their lives on the line every day.

#### PERSONAL EXPLANATION

#### HON. WALLY HERGER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2003*

Mr. HERGER. Mr. Speaker, I was unavoidably absent on Monday, June 2 and Tuesday, June 3. Had I been present, I would have voted as follows on the following rollcall votes: Roll No. 227—"yea"; Roll No. 228—"yea"; Roll No. 229—"yea"; Roll No. 230—"yea";

Roll No. 231—"yea"; Roll No. 232—"yea"; Roll No. 233—"nay"; Roll No. 234—"yea"; and Roll No. 235—"yea".

#### IN HONOR OF FRANK G. JACKSON

#### HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2003*

Mr. KUCINICH. Mr. Speaker, I rise today in honor and recognition of Frank G. Jackson, President of Cleveland City Council, as he was honored by the Cuyahoga County Democratic Party on May 18, 2003.

Mr. Jackson is a United States veteran, having served our country in Vietnam. After being honorably discharged, he returned to his East 38th Street neighborhood and began attending classes at Cuyahoga Community College. In 1975, he graduated with a Bachelor's degree from Cleveland State University. In 1977, Mr. Jackson was awarded a Master's degree in Urban Studies from CSU. In 1983, after working his way through law school as a night clerk at Cleveland Municipal Clerk's Office, Mr. Jackson was awarded a law degree from the Cleveland-Marshall College of Law, and worked as an assistant county prosecutor until his 1990 election to Cleveland City Council, representing Ward 5.

For the past 13 years, Mr. Jackson has focused his efforts on revitalizing the housing and commercial aspects of the Ward 5 community, and has done so by working closely with neighborhood leaders and development organizations, and by setting a tone of integrity, diligence, commitment and cooperation among City Council members and City administrators.

Mr. Speaker and Colleagues, please join me in honor of Mr. Frank G. Jackson, President of Cleveland City Council, as we recognize his outstanding contribution to our community. Mr. Jackson's work, expertise and dedication have served to improve and strengthen our urban neighborhoods, bringing light and hope to the citizens of Ward 5, and to our entire community.

#### TRANSPORTATION CRUNCH TIME IN OUR NATIONAL PARKS

#### HON. NICK J. RAHALL II

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2003*

Mr. RAHALL. Mr. Speaker, with nearly 300 million visitors to our National Park System each year, there are times when the roads in America's Crown Jewels look little different than the scene on I-395 into the District of Columbia during morning rush hour. The level of traffic congestion being experienced in many of our National Parks not only diminishes the visitor experience, but is adversely impacting the resource values these parks were established to protect in the first place.

While the automobile will continue to reign supreme, our National Parks and the people who visit them are suffering from a lack of alternative transportation opportunities. To address this situation, today I am introducing the Transit in Parks Act (TRIP).

Recognizing the growing problems many of America's 'crown jewels' are experiencing as a
