

children with diabetes. Mr. Speaker, on behalf of the millions of Americans with diabetes and their friends and family, I urge my colleagues to join me in honoring the life and legacy of Dr. Donnell D. Etwiler.

---

HONORING THE WOODIS FAMILY

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize the Woodis family of Montrose, Colorado for their willingness to dedicate their time and energy to benefit the disabled. The Woodis family is raising a puppy to be a companion dog for a person with a physical disability, and today I would like to pay tribute to their efforts before this body of Congress and this nation.

Sons Jeff and Ethan Woodis have raised pigs for their 4-H club, so when the club required a community service project, they turned to Canine Companions, an organization founded in 1975 to provide dogs trained to help disabled people achieve greater independence. Airlie, a female Black Labrador retriever, came to Montrose to live with the Woodis family and to learn thirty basic commands to help her prepare for life as a companion dog. After the initial training, Airlie will go to California for six months of advanced training before graduation. Then, the Woodis family will hand Airlie's leash to her new owner. Raising Airlie has been a community-wide effort, with help coming from numerous local organizations and businesses.

Mr. Speaker, it is a great privilege to recognize the Woodis family for their contributions to the quality of life of disabled Americans. By helping to raise and train Airlie, the Woodis family is helping to provide increased independence and freedom, as well as a loving companion, for a disabled American. I thank them for their efforts.

---

HONORING MASTER SGT. ROBERT  
J. DOWDY

**HON. STEPHANIE TUBBS JONES**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mrs. JONES of Ohio. Mr. Speaker, I rise to honor an American hero, Robert Dowdy, who lost his life during the conflict with Iraq. Master Sgt. Robert J. Dowdy, 38, was a native of Cleveland and a member of the 507th Maintenance Company of Fort Bliss, Texas.

First Sergeant Robert Dowdy was a loving son and devoted husband. A passionate distance runner, Robert placed second in a 10-kilometer run in el Paso, Texas, 2 years ago and contended in a 20-kilometer foot race over a mountain there in 1999.

Robert Dowdy had been in the Army for 18 years and was 2 years from retirement. His older sibling, Jack Dowdy expressed on his brother's behalf that Robert Dowdy had been looking forward to retirement to spend more time with his wife and 14-year-old daughter.

On behalf of the people of the 11th Congressional District and the United States Congress, I extend my heartfelt sympathy.

---

TRIBUTE TO MARY LU AFT

**HON. ROB PORTMAN**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. PORTMAN. Mr. Speaker, I rise today to recognize the outstanding service of Mary Lu Aft, a friend and distinguished constituent, who has enriched the lives of countless individuals in the Cincinnati area. On April 25, 2003, Mary Lu will complete an unprecedented fifth and final term as Chair of the Board of Trustees of the Friends of the Public Library.

Friends of the Public Library is an organization that raises funds for materials, programs and services that support the Public Library of Cincinnati and Hamilton County. The Public Library system has a circulation of 12.8 million books, videos and other materials, and is the fourth busiest library system in the country.

Mary Lu is an invaluable part of the Cincinnati community. Since 1998, she has served as Chair of the Board of Trustees of the Friends of the Public Library, and, since 1989, has also served as its Chair of Book Sales. Over the years, Mary Lu has been integral to the success of "Friends." During her service, she oversaw and coordinated used book, warehouse, and branch sales, which have raised over \$1.6 million for the Public Library programs and purchases. Mary Lu also planned and coordinated the recycling of over 3 million books, which were donated to "Friends" or retired from the Library's circulation. Her leadership and hard work have made the Public Library of Cincinnati and Hamilton County a national model for such initiatives, and, of course, have been a tremendous benefit to those in the Cincinnati area.

Mary Lu also has been active with a number of other good causes and organizations. Since 1981, she has served as a consultant to the American Red Cross, and she continues to give her time and energy to the United Way of America. Among her other activities, Mary Lu is the Co-Chair of the 2003 International Conference of Volunteer Administrators.

Mary Lu's success has not gone unnoticed. She received the Great Rivers Girl Scout Council Woman of Distinction award in 2000 and the Cincinnati Enquirer's Woman of the Year award in 1999.

Mr. Speaker, I hope my colleagues will join me in recognizing Mary Lu's many accomplishments as she steps down as Chair of the Board of Trustees of Friends of the Public Library on April 25, 2003. I know Mary Lu will continue to make a difference in our community and Nation. All of us in Southwestern Ohio wish her the very best in her future endeavors.

TRIBUTE TO MILLIE BEALL

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize Millie Beall of Steamboat Springs, Colorado for her extraordinary service to her community. Millie has long been recognized as a leader in Steamboat Springs, and today I would like to acknowledge her accomplishments before this body of Congress and this nation.

Millie moved to Steamboat Springs in 1971 for the ski season and never left. Since then she has served on the Steamboat Springs School Board for eight years, including four as its president, and another eight years as a member of the Routt County Education Foundation. Among many other activities, Millie has been involved with the El Pomar Youth in Community Service program, the Community Committee for the Arts, and the Yampa Valley Community Foundation, and the Northwest Colorado Philanthropy Days. She currently serves as the executive director of Routt County United Way and works to raise funds for a wide variety of projects. Spending most of her career in community service, Millie has received numerous awards, most recently receiving recognition from the Steamboat Ski and Resort Corporation.

Mr. Speaker, it is a great privilege to recognize Millie Beall for her outstanding commitment to her community. Millie holds a key leadership role in Steamboat Springs, and her community is immeasurably better off because of her efforts. I wish Millie the best in all of her future endeavors.

---

A TRIBUTE TO COL. DAVID  
PERKINS OF NEW HAMPSHIRE

**HON. CHARLES F. BASS**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. BASS. Mr. Speaker, I rise today to pay tribute to one of the many brave U.S. soldiers selflessly participating in Operation Iraqi Freedom. Col. David Perkins of Keene, New Hampshire, a community I represent in Congress, is the commander of the 2nd Brigade Combat Team of the 3rd Infantry Division. Col. Perkins led what has been referred to as the opening maneuver of the amazingly swift push of coalition forces into Baghdad.

On March 31, 2003, in a feint designed to draw the Iraqi Republican Guard away from Musayyib, where the division was to cross the Euphrates River, Col. Perkins focused attention on a bridge at Hindiyah, 50 miles south of Baghdad. The Granite Stater was reportedly "unfazed by Iraqi soldiers shooting at him" from the other side of the river as he told his men the bridge was not worth taking.

Col. Perkins then led a contingent of his men to the town's abandoned Baath party headquarters, where they destroyed a large weapons cache. In an historic event, just 4 days later, Col. Perkins' combat team and other brigades rolled through the streets of Baghdad.

Let the record show that I am enormously proud that a soldier from my District has played such a heroic and vital role in what will ultimately be the liberation of the people of Iraq from the brutal regime of Saddam Hussein. The world will be a much safer place because of the efforts of Col. Perkins and other fine men and women who risk their own lives on our behalf.

HONORING PRIVATE BRANDON  
ULYSSES SLOAN

**HON. STEPHANIE TUBBS JONES**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mrs. JONES of Ohio. I rise to honor an American hero, Brandon Ulysses Sloan, who lost his life during the conflict with Iraq. Private Brandon Ulysses Sloan was a native of Cleveland and a member of the 507th Maintenance Company of the United States Army. He was born on October 7, 1983, in Cleveland, Ohio to the union of Tandy U. and Kimberly T. Sloan.

Brandon Sloan exhibited a unique blend of personality and strength. A loving child, Brandon always played and enjoyed spending time with other children. Brandon later became a big brother to his sister Brittany, with whom he shared a close friendship.

Brandon began his education in the East Cleveland School District, and remained in the district until the family moved to Euclid, Ohio. While in the East Cleveland Schools, he developed a love for basketball and continued in various athletic pursuits.

During the formative years, the family enjoyed many happy times together. Brandon in particular enjoyed playing basketball and developed a knack for making good friends.

In 1996, the family moved to Oakwood Village, Ohio in the Bedford School District. There, Brandon became a Bedford "Bearcat", participating in high school football as a defensive lineman.

Brandon confessed a hope in Christ during his high school years and was baptized at The Historic Greater Friendship Baptist Church.

Later he decided to pursue a military career. He joined the United States Army to serve his country. After having served one year, Brandon gave his life for his country.

Precious memories are cherished by his father, Rev. Tandy U. Sloan; mother, Kimberly T. Sloan; sister, Brittny; two grandmothers, Dr. R. Pippen (James) and Luberta Sloan. He also had a host of uncles, aunts and cousins. His friends are numerous but to name a few: Stephon, Romel, Cleo and Eddie (U.S. Marine Corps), all who mourn his loss.

On behalf of the people of the 11th Congressional District and the United States Congress. I extend my heartfelt sympathy.

IN HONOR OF EDWARD H.  
HUNDERT, M.D.

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Edward H. Hundert, M.D., President

of Case Western University, as he is recognized by the American Heart Association for his unwavering dedication and exceptional achievement within the Cleveland medical community—most notably, for his significant role in launching the Cleveland Clinic Lerner College of Medicine of Case Western Reserve University.

In 1982, Dr. Hundert earned his medical degree from Harvard Medical School. From 1984 through 1997, Dr. Hundert served on the faculty of Harvard Medical School. He held positions in the departments of psychiatry and medical ethics, and also served as Associate Dean of student affairs. Dr. Hundert's groundbreaking research in the area of medical education helped define professionalism and ethics in medicine on a national level. Moreover, for six consecutive years Harvard Medical School graduates voted Dr. Hundert as the "Faculty Member Who Did the Most for His Class."

In 1997, Dr. Hundert relocated to the University of Rochester as professor of psychiatry and medical humanities, and served as Associate Dean, then Dean of the University. Dr. Hundert has served as President of Case Western Reserve University for the past year. During this time, Dr. Hundert's leadership, expertise and exceptional interpersonal abilities has created a new sense of partnership, possibility and energy within the Cleveland medical community, which is clearly reflected through the partnership between the world-renowned Cleveland Clinic and the newly created Cleveland Clinic Lerner College of Case Western Reserve University.

Mr. Speaker and Colleagues, please join me in honor and recognition of Edward H. Hundert, M.D., President of Case Western University, whose vision, vast experience and outstanding leadership have elevated the status of medical research, education and ethics within the Cleveland community and beyond—reinforcing the image of Cleveland as the core of medical innovation, advancement and discovery for individuals within our community, across the nation, and around the world.

HONORING THE BONFILS BLOOD  
CENTER

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize an organization that has been dedicated to providing life-saving care to the citizens of Colorado for sixty years. Bonfils Blood Center operates several community donor centers statewide, including one in Pueblo, Colorado. I would like to take this opportunity to thank the employees and donors of Bonfils Blood Center before this body of Congress and this nation.

Since 1943, Bonfils has been an integral part of the health care system in Colorado, and now serves more than ninety health care facilities across the state. When the centers first opened, Bonfils annually collected 1,600 units of blood; today the center collects nearly 200,000 units each year. Pueblo's Bonfils Center opened in 1990 and consistently supplies about ten percent of the blood collected each year in Colorado. In addition to their

blood supply services, Bonfils also operates the Colorado Marrow Donor Program and Laboratories at Bonfils. This vital public service is possible only with the help of innumerable donors and local organizations, the community support Bonfils relies on to continue its long record of success.

Mr. Speaker, it is a great privilege to recognize the Bonfils Blood Center and its employees for their dedication to health care in Colorado. Hospitals and patients all over Colorado rely on Bonfils for a safe and adequate blood supply, a service Bonfils has effectively delivered for six decades. It is my distinct pleasure to honor that record of success today.

RENEWABLE ENERGY IN AMERICA

**HON. JON C. PORTER**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 9, 2003*

Mr. PORTER. Mr. Speaker, I rise today to address the importance of renewable energy in America. America's energy consumption is at an all time high and rising. In order to address the imbalance between consumption and domestic production, one part of the solution is to continue the advances in research and development of renewable energy resources.

In my home state of Nevada, the sun shines more than 300 days out of the year. We are also blessed with an abundant amount of other renewable energy sources such as geothermal, wind and biomass. Nevada is a perfect laboratory for renewable energy research.

We also can boast that we have one of the top research centers in the country for renewable energy. Since the 1970's, The Desert Research Institute or DRI has been actively researching ways to put renewable resources to better use, especially for commercial use. In the past, DRI has conducted solar energy research by developing a facility where it was completely cooled and heated by solar energy.

At the present time, DRI scientists and engineers are developing a solar and wind powered system that produces hydrogen for a fuel cell with excess renewable energy so that continuous power can be provided for off-grid sites. These fuel cells also potentially would power hydrogen fuel cell cars. This technology is a cornerstone in President Bush's national energy plan.

Because the research being conducted in Nevada, it will not only have an impact in my home state, but will also impact all Americans in the long term from having a more secure and environmentally sustainable mix of energy sources.

POSTAL CIVIL SERVICE RETIREMENT  
SYSTEM FUNDING REFORM ACT OF 2003

SPEECH OF

**HON. EDOLPHUS TOWNS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 8, 2003*

Mr. TOWNS. Mr. Speaker, I rise in support of S. 380, the Postal Civil Service Retirement System Funding Reform Act of 2003. I'd like
