

and dedicated physicians, Dr. Elbert W. Sutton. After 43 years of faithful service to the Northwest Florida community, the past 24 years of which he has served as Director of the Santa Rosa County Health Department, Dr. Sutton will step down from his position in June of this year and begin his much deserved and well earned retirement.

A longtime resident of Milton, Florida, Dr. Sutton attended the University of Alabama as an undergraduate and subsequently received his medical degree from Tulane University in 1958. In 1960, he came to our community and opened a general private practice office. He kept this practice for 19 years until 1979, when he was appointed Director of the Santa Rosa County Health Department.

Over the course of his remarkable career, Dr. Sutton has continuously remained focused on helping to heal and improve the lives of area residents. In 1978, he was a partner in opening the Rehabilitation Institute of West Florida and I am proud to say that it remains operating today as part of the West Florida Hospital system. In 1986, Dr. Sutton joined forces again with other local healthcare professionals and created the Medical Assistance Clinic in Milton. This clinic provided medical care, to those who were unable to afford it, for 12 years until it was forced to close by rising medical costs. Finally, just two years ago, in 2001, Dr. Sutton helped create the Santa Rosa Community Clinic to provide primary healthcare services to residents in the surrounding community.

Upon his retirement, Dr. Sutton says it will be the people that he will miss most, both those he has helped serve and those he has worked with. I feel confident in saying that it is the people of Northwest Florida that will miss him more.

Mr. Speaker, I would like to offer my sincere and heartfelt congratulations to my good friend Dr. Elbert W. Sutton on his retirement from the Santa Rosa County Health Department. Very rarely does an individual have such a profound impact on a single community as Dr. Sutton has had on the First District of Florida. For the past 43 years, he has dedicated himself towards helping the residents of Northwest Florida and for that we will be forever grateful. Mr. Speaker, on this occasion we honor one of America's greatest public servants.

COMMEMORATING DUNNELLON'S
BOOMTOWN DAYS

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise today to commemorate "Boomtown" days in Dunnellon in my Fifth Congressional District of Florida.

This festival is held each year in Dunnellon to celebrate the history behind how the city of Dunnellon came to be.

Mr. Speaker, the story of how Dunnellon came to be is an interesting one, but not atypical of a town formed in the late 1880's in this country.

Dunnellon was created in 1887 and then saw its population boom in 1889 after phosphate was discovered there. The mining in-

dustry then "boomed" in the town and was responsible for the town's rapid growth and prosperity. Dunnellon was then dubbed a "Boomtown."

Each year, the city celebrates its heritage with a festival offering fun activities, contests, and parades for the people of Dunnellon.

This weekend, the residents of the city will carry on the tradition of celebrating "Boomtown days." I wish them the best and am proud to honor them in this Chamber today.

IN HONOR OF KALPANA CHAWLA

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Mr. PALLONE. Mr. Speaker, I would like to thank the Co-Chairs of the India Caucus, my colleagues JOE CROWLEY and JOE WILSON, for holding a memorial today in the House of Representatives for Dr. Kalpana Chawla.

It is with great sadness that we remember the tragic events of February 1, 2003. The loss of seven astronauts on board the shuttle *Columbia* leaves us with profound sadness that cannot be expressed.

Dr. Kalpana Chawla in particular represented much of the best that our world has to offer and I would like to pay special tribute to her. Kalpana grew up in India and although she came from a small, rural area—her charm, drive and dedication allowed her to surpass all boundaries and develop into the fine astronaut that she was.

In reading interviews that Kalpana gave both before and during her mission on *Columbia*, a portrait emerged of an intelligent, determined woman, who managed a successful career, while at the same time being a devoted daughter and wife. She helped open the door further for women in science and space exploration careers, and I know the people of India, as all of us here today, will always hold a special place in our heart for Kalpana. Those who were fortunate to know her personally will never forget her, and her legacy will live on.

HOUSE CONCURRENT RESOLUTION
CALLING ON THE PRESIDENT TO
REQUEST FORMER PRESIDENT
JIMMY CARTER TO ASSIST THE
ORHA

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to introduce a Concurrent Resolution designed to meet the most important promise we made to the people of Iraq—a promise to help them become self-governing.

Rebuilding Iraq will be a daunting undertaking. The Office of Reconstruction and Humanitarian Assistance has been established in Baghdad, and its leader, retired General Jay Garner, is responsible for coordinating humanitarian assistance, restoring the nation's infrastructure, and establishing an interim government.

The ORHA is made up of retired generals and diplomats, government technocrats, and

oil executives. Efforts to establish and maintain civilian stability and coordinate humanitarian assistance will monopolize the ORHA for some time to come; tasks that would be daunting enough if they had inherited an intact bureaucracy and police force. But the ORHA's biggest stumbling block may turn out to be that none of its members have any experience in forging cooperation amongst radically differing political, religious, and ethnic factions to facilitate even the beginnings of a self-governing nation.

Iraq is the test case for our peacekeeping, nation building and humanitarian policies and success will demonstrate, to ourselves, and the rest of the world, that we can both win wars and transform societies. The three post-war initiatives of providing humanitarian assistance, restoring infrastructure, and establishing an interim government, must commence and progress simultaneously.

The Resolution I introduce today calls on the President to request former President Jimmy Carter and members of the Carter Center to assist the ORHA in establishing an interim government in Iraq. Former President Carter is uniquely qualified to forge a peaceful, cooperative structure among Iraq's political, religious, and ethnic factions. He has dedicated himself to resolving conflicts and enhancing freedom and democracy throughout the world.

Regardless of our opinions on the invasion of Iraq, we must keep the promises we made to the Iraqi people. U.S. and allied soldiers, civilians, and diplomats remain committed to what is certainly the most critical phase of Operation Iraqi Freedom. I urge my colleagues to join me in supporting this Resolution to ensure they have all the experience and expertise available to help ensure their success.

HONORING BURCH OIL COMPANY:
75 YEARS OF SERVICE

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Mr. HOYER. Mr. Speaker, I rise today to honor the Burch Oil Company, an excellent example of successful American entrepreneurship that has evolved to become a pillar of a local community. I am proud to recognize my good friends at Burch Oil Company who have been serving the citizens of Southern Maryland since 1928 and are celebrating their seventy-fifth anniversary this month. Whether it has been supplying the services of vital oil resources or helping to serve the community, the Burch Oil Company has built a solid reputation within the Southern Maryland community.

Founded in May of 1928, by cousins S. Bernard Burch, Thaddeus Burch, and Thaddeus' son Joe Burch, the company quickly began to service the community's gasoline, motor oil, and, most important to the area at the time, kerosene needs. With the onset of the Great Depression many businesses failed, but Burch Oil was able to steadily grow.

From the beginning of the company, the Burch family took an active role in the community. S. Bernard Burch served as the chairman for the Democratic State Central Committee and helped to establish the Mechanicsville

Volunteer Fire Department. Even during the worst of times, such as the Great Storm of 1933, the company delivered kerosene by skiff to hard hit St. George Island.

After S. Bernard Burch's death in May of 1944, a new era began with his son, F. Elliott Burch, Sr., who took over the reigns of the operation and guided the company through a period of steady growth for several decades until turning over the day-to-day duties to his two sons so he could devote more time to local politics. Serving as St. Mary's County Commissioner President from 1962 to 1970, F. Elliott, Sr. helped to steer St. Mary's County through a period of important community investments, during a time when local government was expanding to provide more services.

Outstanding service and high quality products have been the hallmarks of the Burch Oil Company since its founding by S. Bernard Burch in 1928; and on its 75th Anniversary, four generations of the Burch family, with a fifth soon to come of age, help to guide the hardworking and dedicated employees that have helped to make this company successful. In addition to their business success, they have been an integral component in helping to build St. Mary's County through their selfless commitment and belief in also performing public service to give back to the community in which they live. Today Burch Oil Company is led by F. Elliott (Sonny) Burch, Jr. and his brother Donald (Buddy) Burch, who have set their own high standard for community involvement, supported by 300 plus employees who carry on that proud tradition.

On behalf of the citizens of St. Mary's, Charles, and Calvert Counties, it is a great privilege to honor the Burch Oil Company for reaching the milestone of 75 years in serving the community of Southern Maryland. I ask my colleagues to join me in saluting a great example of American enterprise at its best. This company has been successful by its community, but continues to plough back its dividends every day through its public service. Congratulations to members of the Burch family and their employees and we wish you another 75 years of quality and reliable service to our community.

CONGRATULATIONS TO THE CRYSTAL RIVER MIDDLE SCHOOL CHEERLEADING SQUAD

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise today to congratulate the Crys-

tal River Middle School Cheerleaders, from my Fifth Congressional District of Florida, for winning the national championship in their division at a competition held in Orlando last month.

The competition hosted more than 200 cheerleading squads from across the nation and truly was a venue for the best of the best to showcase their talents.

These seventh and eighth grade girls captured the top honors in the small school division and brought to Citrus County the first national championship trophy of any school, in any sport—ever.

The squad of 14 girls, led by Head Coach Irene Hupp and Assistant Coach Terry Yant, has made the city of Crystal River, all of Citrus County and the entire state of Florida very proud. I am immensely proud of them as well.

Mr. Speaker, it is my pleasure to honor Amanda Bass, Marlana Camden, Tiffany Daniel, Nicole Davis, Katie Dicks, Sabrina Gonzales, Brittany Jones, Amber Lunginsland, Amanda Mayor, Alyssa Parker, Hailey Roberts, Jilica Smith, Jacke Vivian, and Kylee Zarro.

They have accomplished a remarkable feat and deserve every accolade sent their way. I am proud to honor them before this body this evening and am proud to have such motivated hard working young people call my district home.

SERVICEMEMBERS CIVIL RELIEF ACT

SPEECH OF

HON. TOM UDALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 7, 2003

Mr. UDALL of New Mexico. Mr. Speaker, I rise today in support of H.R. 100, of which I am proud to be a cosponsor. Considering the hundreds of thousands of people serving our country around the world and the many active duty servicemembers currently returning from the Middle East, this is a very timely bill.

As a member of the House Veterans' Affairs Committee, I support strengthening legal protections for those on active duty in the armed forces. Just as we depend on them to defend our country, they depend on us to provide fair and updated benefits and services.

This bill updates laws in place to protect servicemembers from being harmed in civil, financial, or legal proceedings. All too often I hear stories of deployed soldiers receiving calls from family that they cannot afford to pay rent and will face eviction, or that debt is piling up, or that the family cannot break a lease in order to move to a more affordable home. This bill, which has the support of many veterans groups and military organizations, as well as the legal community, would help fix those dire situations for those serving in active duty and their families.

I am pleased to vote in favor of providing these overdue protections revisions. The passage of H.R. 100 will be a testament to our men and women in uniform—and their families—that their country supports and applauds their courageous service.

IN HONOR OF TERRI HAMILTON BROWN

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Mr. KUCINICH. Mr. Speaker, I rise today in honor and recognition of Terri Hamilton Brown, upon the occasion of her retirement as Executive Director of the Cleveland Metropolitan Housing Authority (CMHA).

Ms. Brown's significant impact on the CMHA organization in less than 5 years has positively shifted the focus of housing in Cleveland where it should be—on the people who seek and depend upon affordable housing in Cuyahoga County. Her focus on revitalization, reorganization and renewal of the CMHA agency helped to build bridges within our community to make available quality and affordable homes for low-income families and individuals who are trying to break free of the devastating cycle of poverty.

Because of her leadership, integrity, and outstanding ability to connect easily with others, the CMHA organization has been raised to new levels of administrative efficiency, intercommunity partnership, accountability and true achievement that can be readily seen along our city streets. Ms. Brown's persistence, expertise and complete commitment on behalf of CMHA has produced profound strides in allowing CMHA to carry out its goals and mission as never before.

Mr. Speaker and Colleagues, please join me in honor and recognition of Terri Hamilton Brown whose vision, hard work and dedication on behalf of CMHA and all the people it serves has left an indelible and significant impact upon our community. Ms. Brown has rebuilt the foundation of a housing agency that successfully serves our most vulnerable citizens, and her work will have a lasting impact on every CMHA tenant and our entire Cleveland neighborhood for years to come. Please join me in wishing Ms. Brown our very best as she moves on to new challenges as Executive Director of University Circle Incorporated in Cleveland.

WHERE ARE THE DETAILS OF NEW FCC REGULATIONS?

HON. JOE BARTON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 9, 2003

Mr. BARTON of Texas. Mr. Speaker, more than 2 months ago Federal Communications Commission voted 3-2 on changes to the local telephone competition provisions of 1996 Telecommunications Act. This "Triennial Review" is required of this agency by the law we passed.

There has got a better way to regulate our Nation's telecommunications industry right now it is in nothing but a tailspin. The FCC's recent Triennial Review ruling has had many unfortunate portions, and clearly cannot be what the Supreme Court was expecting when it remanded the FCC's earlier decision. They seem to allow some companies the ability to provide telephone and Internet services across the nation with minimal investment, and minimal technicians and employees.
