

Madam Speaker, I reserve the balance of my time.

Mr. DAVIS of Illinois. Madam Speaker, I yield such time as he may consume to the gentleman from New Jersey (Mr. PASCRELL).

Mr. PASCRELL. Madam Speaker, I thank the gentleman from Ohio (Mr. TURNER) for his generous words.

I want to also thank this Congress for moving this and putting this on a fast track. Hopefully next month this Post Office will open up, and it will be a fitting gesture from Congress.

I rise today to speak in strong support of H.R. 1625, legislation to name the new postal facility in Clifton, New Jersey, after a really great public servant, Robert P. "Bob" Hammer, former city manager of Clifton, New Jersey.

He was a man who understood what public service was all about. He was honest. His word was his bond. He had integrity. He was a fixture at city hall and in the community, a leader who worked each day to improve the life of every Clifton resident. He was a city manager for 7 years before succumbing to a serious health problem in December 2002 at the age of 54.

In his position as city manager, Madam Speaker, Bob Hammer oversaw a blooming Main Avenue business district. How many towns throughout this landscape we call America are older towns trying to fight back and become part of the economic dream. It is our hope that the new downtown Post Office will be an anchor that holds the redevelopment together and brings residents down to the local businesses. This was one of his dreams.

Naming this Post Office after Bob is an appropriate tribute for an extraordinary individual. He helped improve city parks and playgrounds and ushered in scores of new businesses and homes to this great city even during very tough economic times. He was credited with guiding Clifton through a period of economic growth all while maintaining minimal tax increases. There is no question that Robert Hammer left Clifton a better city than when he started.

How often can we say that for individuals throughout this great country, and that is all anybody can ever ask of us, did we leave the place a little better than how we found it?

A father of five, Bob Hammer developed strong friendships with his humor and his professionalism. He was a leader in the truest sense of word, and a tremendous public servant. My friend and mayor of Clifton, New Jersey, James Anzaldi, said that never in his 30 years of service in Clifton government has he known anyone with Hammer's leadership qualities.

A native of Stanhope, New Jersey, Bob earned a Master's Degree in public administration from Farleigh Dickinson University, and a Bachelor's Degree in commerce from Rider College.

□ 1445

He was a member of the New Jersey and International City Managers Association,

the New Jersey Finance Officers Association, and New Jersey International Clerks' Association. He was also an adjunct staff member of Montclair State University, which is also in the Eighth Congressional District.

Before working for Clifton, Bob Hammer was a borough administrator in Oakland, Bergen County, and borough administrator in Bloomingdale, Passaic County. He was a parishioner of St. Philip the Apostle Roman Catholic Church in Clifton and a member of the St. Philip's Knights of Columbus. He was also a past president of the Clifton Rotary. He was a dedicated husband and a great father and son. I know how proud the whole family feels about him.

Our thoughts are with his wife Kathy; his five children, Megan, Kelly, Sean, Brett and Staci; and his parents, Stanley and Vera Hammer, of Stanhope, New Jersey. My staff and I have fond memories of working with Bob on a host of issues over the years. He was on my transportation advisory committee. We worked on Clifton highway interchanges, access to mass transit facilities, and pedestrian safety measures. Government and politics is all local, as someone who stood in your place, Madam Speaker, said many, many times.

Most recently, I was able to work with Mayor Anzaldi and Bob and other Clifton officials and representatives of the U.S. Postal Service to make the new postal facility in Clifton, New Jersey, a reality. The new postal building, which is currently in its final phase of construction, is on schedule to be completed next month. It will service the people of Clifton. The fact that this construction got done at all is a tribute to Bob Hammer.

Madam Speaker, I urge the House to pass this fitting tribute to my friend and our friend, Bob Hammer.

Mr. TURNER of Ohio. Madam Speaker, I yield myself such time as I may consume.

I want to thank the gentleman from New Jersey for introducing this legislation. I urge all Members to support the passage of this measure.

Madam Speaker, I reserve the balance of my time.

Mr. DAVIS of Illinois. Madam Speaker, I yield myself such time as I may consume.

I simply join with the gentleman from New Jersey in promoting passage of this resolution. I think he has eloquently spoken of the tremendous value of Mr. Hammer to the community where he lived and worked. I simply join with him and urge swift passage of this resolution.

Madam Speaker, H.R. 1625, which names a facility of the U.S. Postal Service, located at 1114 Main Avenue in Clifton, New Jersey, after Robert P. Hammer, was introduced by Representative BILL PASCRELL (D-NJ) on April 3, 2003.

Mr. Robert Hammer served as the Clifton City Manager for seven years before he

passed away on December 20, 2002. Long heralded as a distinguished public servant, Mr. Hammer held a number of important positions in city government.

A native of Stanhope, New Jersey, Mr. Hammer had a bachelor's degree in Commerce from Rider College and a master's degree in public administration from Farleigh Dickinson University. In addition, he was a certified municipal finance officer and a registered municipal clerk. He served on numerous State associations and was known throughout the State for his leadership ability and for being inclusive and promoting unity.

Madam Speaker, the Mayor and City Council of Clifton, New Jersey, support this bill. As I understand it, the postal facility to be named after Mr. Hammer, is being built in Clifton and should be operational this month.

I support this measure and urge its swift passage.

Madam Speaker, I yield back the balance of my time.

Mr. TURNER of Ohio. Madam Speaker, I yield back the balance of my time.

Mr. TURNER of Ohio. Madam Speaker, on that I demand the yeas and nays. The yeas and nays were ordered.

**DR. CAESAR A.W. CLARK, SR.

Mr. TURNER of Ohio. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 1740) to designate the facility of the United States Postal Service located at 1502 East Kiest Boulevard in Dallas, Texas, as the "Dr. Caesar A.W. Clark, Sr. Post Office Building".

The Clerk read as follows:

H.R. 1740

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DR. CAESAR A.W. CLARK, SR. POST OFFICE BUILDING.

(a) DESIGNATION.—The facility of the United States Postal Service located at 1502 East Kiest Boulevard in Dallas, Texas, shall be known and designated as the "Dr. Caesar A.W. Clark, Sr. Post Office Building".

(b) REFERENCES.—Any reference in a law, map, regulation, document, paper, or other record of the United States to the facility referred to in subsection (a) shall be deemed to be a reference to the Dr. Caesar A.W. Clark, Sr. Post Office Building.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Ohio (Mr. TURNER) and the gentleman from Illinois (Mr. DAVIS) each will control 20 minutes.

The Chair recognizes the gentleman from Ohio (Mr. TURNER).

GENERAL LEAVE

Mr. TURNER of Ohio. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.

Mr. TURNER of Ohio. Madam Speaker, I yield myself such time as I may consume.

H.R. 1740, introduced by the distinguished gentlewoman from Texas (Ms. EDDIE BERNICE JOHNSON), designates the facility of the United States Postal Service located at 1502 East Kiest Boulevard in Dallas, Texas, as the Dr. Caesar A.W. Clark, Sr. Post Office Building. The entire delegation from the State of Texas has cosponsored this legislation.

Madam Speaker, by renaming this post office for Dr. Caesar A.W. Clark, this House will commemorate a remarkable American. Dr. Clark has served as the venerated pastor of Good Street Baptist Church in Dallas for over 50 years and is well known throughout the Dallas-Fort Worth area. At 88 years of age, Dr. Caesar A.W. Clark still preaches on Sundays at Good Street Baptist Church. He has delivered his vibrant sermons all over the world during his extraordinary career in the clergy. In addition, he has served as president of the Missionary Baptist Association of Texas and as vice president of the National Baptist Convention.

Growing up, Caesar Clark could not continue in school past the seventh grade because his help was too valuable to the family farm. He ultimately educated himself during his teenage years and earned admittance to Bishop College from which he graduated in 1946. In 1950, he became pastor at Good Street Baptist.

While his professional focus has always been squarely on the valued worshippers at Good Street Baptist, Dr. Clark is also an involved community leader who continues to enjoy membership on the Boy Scouts of America Advisory Committee and the Dallas Black Chamber of Commerce. In addition, Dr. Clark played an active role in our Nation's civil rights struggle. Perhaps most notably he was responsible for drawing Dr. Martin Luther King to his church in 1958 for his first of many speeches in Dallas.

Dr. Caesar A.W. Clark's life is one of dedicated service, compassion, faith, and devotion. For all these reasons, I urge all Members to support the passage of H.R. 1740, which names this Dallas post office building after Dr. Clark. I thank the gentlewoman from Texas for introducing this important legislation.

Madam Speaker, I reserve the balance of my time.

Mr. DAVIS of Illinois. Madam Speaker, I yield myself such time as I may consume. I might note that the gentlewoman from Texas (Ms. EDDIE BERNICE JOHNSON) is returning from the Persian Gulf and is unable to be here at the moment with us. I would read her statement into the RECORD:

H.R. 1740, Legislation to Designate the Caesar A.W. Clark, Sr. Post Office. The Honorable EDDIE BERNICE JOHNSON of Texas in the House of Representatives.

"Madam Speaker, H.R. 1740 designates a post office located at 1502 East Kiest Boulevard in Dallas, Texas, as H.R. 1740 enjoys the support and co-sponsorship of the entire Texas delegation.

"Madam Speaker, during his 50-year tenure of the Good Street Baptist Church, Reverend Caesar A.W. Clark has provided a wealth of services to thousands of Dallas residents. Leading by example is how Reverend Clark became a pillar of the Dallas community. As an early pioneer in the civil rights movement, Reverend Clark was responsible for the first visit to Dallas by Dr. Martin Luther King, Jr. Following that 1958 visit, Reverend Clark continued to work to end segregation in Dallas.

"We honor Reverend Clark, a nationally renowned member of the clergy, humanitarian and respected leader that *Ebony* magazine has twice named one of the 15 "Outstanding Black Preachers in America." Under his leadership at Good Street Baptist Church, the church has progressively grown by establishing two day care centers, a free legal clinic, and a federally assisted complex for the elderly. Of particular note in the 1950s, a time when credit was expensive and loan sharks took advantage of people, Reverend Clark organized to create a church credit union. Today, the Good Street Baptist Church has more than \$1.2 million in assets and serves nearly 1,500 members and their families. Indeed, this is an honor for Reverend Clark who has served as a vice president of the National Baptist Convention and president of the Missionary Baptist Association of Texas. He has been a source of spiritual inspiration for some of Dallas' oldest African American families and many of our political and civic leaders. While sharing knowledge with residents and cultivating their humility, he is still dedicated to his congregation and to his daily work at Good Street Baptist.

"The designation of this post office acknowledges Reverend Clark's outstanding contributions as pastor at Good Street Baptist Church for more than 5 decades.

"Born in 1914 in Louisiana, Reverend Clark was subjected to a 'Jim Crow' South, a time when nearly all African Americans were not allowed an equal opportunity to receive a quality education. Determined to not let adversity remain a barrier, Reverend Clark studied independently and gained admission to Bishop College. Reverend Clark graduated from there in 1946.

"Reverend Clark is known throughout the State of Texas as a remarkable pastor and dedicated leader who views the community as extended family. I can think of no one more deserving of this honor.

"Madam Speaker, we wish to congratulate Reverend Clark on the designation of this post office and for his many years of service and dedication to the Good Street Baptist Church and citizens of Dallas. His achievements are an inspiration to all of us."

I commend the gentlewoman from Texas for extending to the good reverend this honor.

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, it is an honor and privilege to make this statement on behalf of legislation I sponsored honoring a great Texan and American.

H.R. 1740 designates a post office located at 1502 East Kiest Boulevard in Dallas, Texas, as the Caesar A.W. Clark Post Office. H.R. 1740 enjoys the support and co-sponsorship of the entire Texas delegation.

The entire delegation from the State of Missouri has cosponsored this legislation.

Madam Speaker, this bill honors a true American combat hero. Admiral Donald Davis served as a sailor and later as an aviator in three wars for the U.S. Navy. His esteemed career covered 38 years following his graduation from the Naval Academy in 1943.

During World War II, Admiral Davis took part in nine missions aboard the cruiser *Mobile* in the Pacific Theater. Finally, while serving in the Vietnam War, he was assigned to be commanding officer of the aircraft carrier *Kitty Hawk* in the Indian Ocean. Admiral Davis' career culminated with his tour as commander of the Pacific Fleet from May of 1978 to July of 1981. Among his many honors, Admiral Davis was awarded the Air Medal with a gold star, was twice awarded the Distinguished Service Medal, and earned the Legion of Merit four times.

Admiral Davis passed away in July of 1998, but I understand the gentleman from Missouri has known Admiral Davis and his wonderful family for some time.
