

This Member recalls how as a thirteen year old on a family vacation he visited Senator Curtis's Washington, D.C. office. On this occasion, and always, he showed his deep Nebraska roots as he spoke glowingly and knowledgeably about Nebraska and our Seward County community.

Carl Curtis believed that elected public service was an honorable calling and he lived up to that conviction. This Member greatly appreciated and admired his commitment to public service and to representative democracy.

This Member urges his colleagues to support S. 703, which would provide a fitting tribute to this outstanding former legislator, since the new National Park Service regional office will be built on the banks of the Missouri River, a river which was the focus of important legislation on which Senator Carl Curtis showed crucial leadership on a number of occasions.
