

Medicare currently costs seven and a half times what this Congress said it would cost when they invented it.

Seventy-six percent of seniors in America today already have prescription drug coverage and according to the CBO under some versions of this legislation more than a third of those Americans who enjoy coverage from a private employer from whom they have retired could lose that coverage.

If the foundations be destroyed, what can the righteous do? Let us not in this Congress today sow the seeds to destroy the foundation of a free market system by creating a universal drug benefit in Medicare. The answer is the reforms the President called for giving Americans the same choices that the Members of Congress have. It is not to create a massive new Federal entitlement.

REPUBLICAN MEDICARE BILL

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute.)

Ms. LORETTA SANCHEZ of California. Madam Speaker, I heard a strange rumor last night that the Republican Party was going to change its mascot from the elephant to the night owl. This would be fitting since most legislation these days is being discussed by Republicans in the dark of night behind closed doors without giving Democrats a fair chance to debate it here on the House floor.

Today we are going to vote on legislation that will provide the most significant reform in Medicare since its creation in 1965. This legislation will impact millions of seniors across the Nation, yet many of the Representatives in Congress will not have seen this legislation until today. Would someone sign their name on a long-term mortgage for their home if they had never stepped inside that house?

Moreover, many well thought out amendments today will not be debated. For example, my simple, cost effective proposal for a Medicare prescription drug benefit, they did not allow us to bring it to the floor to discuss it. The night owls have yet again ruined a perfect opportunity on what should really be bipartisan legislation. Ain't that a hoot.

HONORING SERGEANT JACOB BUTLER

(Mr. RYUN of Kansas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RYUN of Kansas. Mr. Speaker, I rise today on behalf of a true patriot. It will soon be July 4, a date etched in America's heart. A day that serves as a time of reflection and celebration in the memory of sacrifices made; sacrifices made throughout history that granted us the freedoms that we enjoy today.

As our Nation celebrates our independence, it seems appropriate to pay

tribute to an Army sergeant that meant a great deal to Kansas and our country. Sergeant Jacob Butler, from Wellsville, Kansas, joined the Army as a private at the young age of 19. He later rose to the rank of sergeant and accepted the demanding task of a scout. Unfortunately, Jacob Butler was killed April 1 when a rocket propelled grenade hit his vehicle in Iraq. It was an honor to attend Jacob's memorial service and funeral with his parents, Jim and Cindy, his friends, his family, and his fellow soldiers. The ceremony reminded me once again that great sacrifices for the causes of freedom did not end on July 4, 1776. Sacrifices continue today.

Jacob is no longer only a blessing to his friends and family, he is now a blessing to an entire Nation. On behalf of the people of Kansas and this grateful Nation, I ask that we remember Sergeant Jacob Butler as a son, a friend, a soldier, and a patriot.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The CHAIRMAN pro tempore. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. SHIMKUS) having assumed the chair, Mrs. BIGGERT, Chairman pro tempore of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2417) to authorize appropriations for fiscal year 2004 for intelligence and intelligence-related activities of the United States Government, the Community Management Account, and the Central Intel-

ligence Agency Retirement and Disability System, and for other purposes, pursuant to House Resolution 295, she reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the committee amendment in the nature of a substitute adopted by the Committee of the Whole? If not, the question is on the amendment.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

(By unanimous consent, Mrs. HARMAN was allowed to speak out of order.)

THANKING MEMBERS AND STAFF

Ms. HARMAN. Mr. Speaker, now that we have completed debate on our intelligence authorization bill for 2004, I just wanted to thank our chairman who is graceful, collaborative and bipartisan and the members and staff on the majority side and to thank the strong team we have on the Democratic side and especially our staff. By name: Christine Healey, John Keefe, Marcel Lettre, Wyndee Parker, Beth Larson, Kirk McConnell, Bob Emmett and Ilene Romack; and also David Flanders of my personal staff for all the effort they put into yesterday's very thorough and, I thought, outstanding debate.

(By unanimous consent, Mr. GOSS was allowed to speak out of order.)

THANKING MEMBERS AND STAFF

Mr. GOSS. Mr. Speaker, I too would like to congratulate my ranking member and the members of the staff on both sides of the aisle. Normally I would name all those staff. This year I am just going to point to one individual who really was the architect of the bill for the majority, put it together, did the hard work as he always does. He does the budget number and he understands the programs. His name is Mike Meermans. In addition to the spectacular work he did for us in a bipartisan and a thoroughly professional way, Mr. Meermans and his family had a sudden and significant illness in the family. We wish his family well and we wish his son Godspeed, full and complete recovery.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. GOSS. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

GENERAL LEAVE

Mr. GOSS. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on H.R. 2417.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

PROVIDING FOR CONSIDERATION OF MOTIONS TO SUSPEND THE RULES

Mr. LINDER. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 297 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 297

Resolved, That during the remainder of the One Hundred Eighth Congress, the Speaker may entertain motions that the House suspend the rules on Wednesdays as though under clause 1 of rule XV.

The SPEAKER pro tempore (Mrs. BIGGERT). The gentleman from Georgia (Mr. LINDER) is recognized for 1 hour.

Mr. LINDER. Madam Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Massachusetts (Mr. MCGOVERN), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Madam Speaker, H. Res. 297 is a simple, straightforward measure that authorizes the Speaker to entertain motions to suspend the rules on Wednesdays for the remainder of the 108th Congress. I strongly supported this proposal and urge all of my colleagues in the House to join with me in approving this measure.

This past Monday, the Rules Subcommittee on Technology and the House, which I chair, held a hearing to consider this very proposal. The chairman of the Committee on Rules testified on this proposal, and the subcommittee gathered testimony from the minority whip, the gentleman from Maryland (Mr. HOYER), and the gentleman from Massachusetts (Mr. FRANK) as well.

During the debate on H. Res. 297, I urge my colleagues to keep their remarks to the underlying measure, rather than use this modest proposal as an excuse to debate other matters. Extending the Speaker's ability to entertain motions to suspend the rules on Wednesdays provides the House leadership with another tool that can be used to easily move noncontroversial legislation through the Chamber.

By way of background, when the House convened on January 7, 2003, we adopted H. Res. 5, the House rules for the 108th Congress. Specifically, clause 1 of rule XV provides that it is in order for the House to entertain a motion to suspend the rules on Mondays, Tuesdays, and in the last 6 days of session
