PROVIDING FOR CONSIDERATION OF H.R. 2559, MILITARY CONSTRUCTION APPROPRIATIONS ACT, 2004

Mrs. MYRICK. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 298 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 298

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2559) making appropriations for military construction, family housing, and base realignment and closure for the Department of Defense for the fiscal year ending September 30, 2004, and for other purposes. The first reading of the bills shall be dispensed with. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the CONGRESSIONAL RECORD designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and re-

port the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto the final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from North Carolina (Mrs. MYRICK) is recognized for 1 hour.

Mrs. MYRICK. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Massachusetts (Mr. MCGOVERN), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Last night, the Committee on Rules met and granted an open rule for H.R. 2559, the Fiscal Year 2004 Military Construction Appropriations Act.

The United States military is clearly the best in the world. The young men and women in our Army, Navy, Air Force, Marines, and Coast Guard are thoroughly dedicated and patriotic professionals, the best our Nation has to offer. We are asking a lot from our military today. Our personnel on active duty know that they may well be deployed overseas and, perhaps, on dangerous missions. So we want to provide them a quality of life for themselves and their families that will allow them to serve, knowing that their families will be taken care of with good housing and good health care.

Mr. Speaker, H.R. 2559 recognizes the dedication and commitment of our troops by providing for their most basic needs: improved military facilities, including the previously mentioned housing and medical facilities.

□ 1500

Mr. Speaker, we must honor the most basic commitments we have made to the men and women of our Armed Services. We must ensure a reasonable quality of life to recruit and retain the best and brightest for America's fighting forces. Most importantly, we must do it all, everything in our power to ensure a strong, able, dedicated American military so this Nation will be ever vigilant, ever prepared, so much more important now than it has been in the past.

This bill provides nearly \$1.2 billion for barracks, and \$176 million for hospitals and medical facilities for our troops and their families. It also provides \$2.7 billion to operate and maintain existing housing units, and \$1.2 billion for new housing units, much, much needed.

Military families also have a tremendous need for quality child care, especially single parents and families in which one or both parents may face lengthy deployment. To help meet this need, the bill provides \$16 million for child development centers. H.R. 2559 is more than just a signal to our soldiers, sailors, airmen and Marines that this Nation recognizes their services and their sacrifice. It is a means by which we meet our commitment to providing
