

law, merely clarifying, and I think it is an important point here that we make, that we do not go beyond any existing law requirements.

The CHAIRMAN pro tempore. Does anyone else wish to speak on this point of order?

It is the opinion of the Chair that the gentleman from Florida has been unable to carry his burden of proving that the standards in the relevant statute are already applicable to reports by the Corporation. Barring that proof, the Chair is constrained to find that the amendment would make these standards applicable. By making standards apply that are not otherwise applicable, the amendment changes law in violation of clause 2 of rule XXI. The point of order is sustained. The amendment is not in order.

Are there further amendments?

Mr. ISTOOK. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. MICA) having assumed the chair, Mr. TERRY, Chairman pro tempore of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2989) making appropriations for the Departments of Transportation and Treasury, and independent agencies for the fiscal year ending September 30, 2004, and for other purposes, had come to no resolution thereon.

GENERAL LEAVE

Mr. ISTOOK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks on the consideration of H.R. 2989, and that I may include tabular and extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oklahoma?

There was no objection.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 6 o'clock and 11 minutes p.m.), the House stood in recess until approximately 6:30 p.m.

□ 1833

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. GREEN of Wisconsin) at 6 o'clock and 33 minutes p.m.

TRANSPORTATION, TREASURY, AND INDEPENDENT AGENCIES APPROPRIATIONS ACT, 2004

The SPEAKER pro tempore (Mr. GREEN of Wisconsin). Pursuant to

House Resolution 351 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 2989.

□ 1833

IN THE COMMITTEE OF THE WHOLE

The Clerk read the title of the bill.

The CHAIRMAN. When the Committee of the Whole rose earlier today, the amendment by the gentleman from Florida (Mr. MICA) had been disposed of.

SEQUENTIAL VOTES POSTPONED IN COMMITTEE OF THE WHOLE

The CHAIRMAN. Pursuant to clause 6 of rule XVIII, proceedings will now resume on those amendments on which further proceedings were postponed in the following order: Amendment No. 6 offered by the gentleman from Colorado (Mr. HEFLEY); amendment No. 24 offered by the gentleman from Texas (Mr. SESSIONS); the amendment offered by the gentleman from Arizona (Mr. FLAKE); Amendment No. 2 offered by the gentleman from Massachusetts (Mr. DELAHUNT); the amendment offered by the gentleman from Vermont (Mr. SANDERS); amendment No. 5 offered by the gentleman from Florida (Mr. HASTINGS); the amendment offered by the gentleman from Maryland (Mr. VAN HOLLEN); and the amendment offered by the gentleman from Florida (Mr. DAVIS).

□ 1950

Mr. GUTKNECHT changed his vote from "aye" to "no."

So the amendment was agreed to.

The result of the vote was announced as above recorded.

Mr. STUPAK. Mr. Chairman, I rise to highlight my amendments to the Transportation-Treasury-Independent Agencies Appropriations Act. Although they were ruled out of order by the House Committee on Rules, I believe they warrant attention.

I offered two amendments to the Rules Committee: one to require that the State of Michigan use some of their federal aid to help rehabilitate the Mackinac Bridge; and another to prohibit airlines from cutting their service if they took the most recent federal airlines' bail-out money.

My Mackinac Bridge amendment would have bolstered much-needed support of the largest suspension bridge in the Western Hemisphere, connecting Michigan's Lower and Upper Peninsulas.

Under the Mackinac Bridge Authority's original 1956 toll agreement, the Bridge does not qualify for state apportioned federal aid. However, the Mackinac Bridge Authority, the Michigan Department of Transportation, and the Federal Highway Administration are now working to update the Bridge's toll agreement to allow it to qualify for federal aid.

Should the toll agreement take effect, my Mackinac Bridge amendment would ensure the State of Michigan would use "such sums as necessary" of their state apportioned federal aid for the rehabilitation of Mackinac Bridge.

My air carrier amendment would protect airports and airline passengers from increasing cuts in service. During the last two years, air carriers have lobbied for federal aid on the grounds that they cannot alone shoulder the burden of heightened security needs and the declining economy while maintaining adequate flight service.

Congress has continually supported increased federal aid for U.S. air carriers, most recently during the Fiscal Year 2003 Supplemental Appropriations Act. The Supplemental provided an "emergency" \$2.9 billion in assistance to U.S. air carriers.

Yet despite increased federal assistance, air carriers continue to cut flight service at airports across the country. Rural airports have been hit particularly hard by air carriers eliminating air travel options or reducing the flight schedule.

My air carrier funding amendment would prohibit any air carrier receiving federal assistance under the FY03 Supplemental Appropriations Act from reducing the level of service at any airport for a period of two years, retroactive to the date of the Supplemental's enactment on April 16, 2003.

These amendments would have helped improve the lives of northern Michigan residents. It is unfortunate the House Rules Committee prohibited their consideration.

Mr. STUPAK. Mr. Chairman, I rise in strong support of Mr. MCHUGH's amendment to protect commercial air service for small communities.

The Federal Aviation Administration Conference Report establishes a pilot program to require up to 10 selected Essential Air Service communities to contribute a 10 percent cost share for a 4-year period.

The McHugh amendment prevents this baseless cost-sharing burden from taking effect.

For 25 years now, EAS has provided government subsidies to air carriers serving small communities like mine in northern Michigan.

Without the federal help of EAS, many small communities would not be able to retain scheduled commercial air service. Rural residents like those in the 1st District of Michigan deserve access to the air transportation system. Commercial air service is also critical to economic development.

Never before have local airports been required to contribute to the federal EAS program, nor should they be expected to do so now.

I'm supporting the McHugh amendment to make sure communities receiving EAS funding won't be forced to sacrifice other important local programs at the expense of air service.

I also take this opportunity to mention my other efforts in this bill to protect my community airports and air passengers.

I submitted an amendment to the House Committee on Rules to prohibit airlines from cutting their service if they took the most recent federal airlines' bailout money.

During the last two years, air carriers have lobbied for federal aid on the grounds that they cannot alone shoulder the burden of heightened security needs and the declining economy while maintaining adequate flight service.

Congress has continually supported increased federal aid for U.S. air carriers, most recently during the Fiscal Year 2003 Supplemental Appropriations Act. The Supplemental provided an "emergency" \$2.9 billion in assistance to U.S. air carriers.

Yet despite increased federal assistance, air carriers continue to cut flight service at airports across the country. Rural airports have been hit particularly hard by air carriers eliminating air travel options or reducing the flight schedule.

My air carrier funding amendment would prohibit any air carrier receiving federal assistance under the FY03 Supplemental Appropriations Act from reducing the level of service at any airport for a period of two years, retroactive to the date of the Supplemental's enactment on April 16, 2003.

This amendment would have helped improve the lives of northern Michigan residents. It is unfortunate the House Rules Committee prohibited their consideration.

I do, however, urge my colleagues to support the McHugh amendment.

Mr. ACEVEDO-VILÁ. Mr. Chairman, I want to thank Chairman ISTOOK, Ranking Member OLVER and the staff of the Transportation, Treasury and Independent Agencies Subcommittee for their continued consideration and support of the transportation related needs in the Commonwealth of Puerto Rico.

As many of my colleagues are aware, Puerto Rico, with a limited land mass and a very high population density, faces enormous challenges in meeting the demands on surface transportation networks. Through our partnership with the federal government, with local financial commitments tied to necessary planning and project construction, Puerto Rico will meet the growing needs for transportation.

Congestion, a serious problem crippling the San Juan metropolitan area, will be significantly reduced by the initial phase of Tren Urbano. The light rail project will grow transit ridership over time and provide an integrated, multi-modal transportation system with buses, publicos, water taxis, pedestrians and automobiles. The Commonwealth of Puerto Rico is committed to the successful completion of Phase I of Tren Urbano and the development of future extensions.

I thank the Appropriations Committee for including \$43.5 million in funds for Phase 1 of Tren Urbano. Additionally, under the House passed bill, Puerto Rico will receive significant funds for new bus purchases, and for ferryboat and ferryboat facility improvements. I will work with conferees to safeguard this necessary support Puerto Rico has been provided by the House.

The CHAIRMAN. The Clerk will read the last 3 lines of the bill.

The Clerk read as follows:

This Act may be cited as the "Transportation, Treasury, and Independent Agencies Appropriations Act, 2004".

The CHAIRMAN. Are there any further amendments to the bill? If not, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. THORBERRY) having assumed the chair, Mr. DREIER, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2989) making appropriations for the Departments of Transportation and Treasury, and independent agencies for the fiscal year ending September 30, 2004, and for other purposes, pursuant to House Resolution 351, he reported the bill back to the House with sundry amendments adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

Under clause 10 of rule XX, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 381, nays 39, not voting 14, as follows:

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. THORNBERY) (during the vote). Members are advised there are 2 minutes remaining in this vote.

□ 2010

Mr. MEEK of Florida and Mr. HASTINGS of Florida changed their vote from "yea" to "nay."

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

DISTRICT OF COLUMBIA
APPROPRIATIONS ACT, 2004

The SPEAKER pro tempore. Pursuant to the order of the House of Friday, July 25, 2003, and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 2765

□ 2012

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole

House on the State of the Union for the further consideration of the bill (H.R. 2765) making appropriations for the government of the District of Columbia and other activities chargeable in whole or in part against the revenues of said District for the fiscal year ending September 30, 2004, and for other purposes, with Mr. BASS in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. When the Committee of the Whole rose on Friday, September 5, 2003, amendment No. 2 offered by the gentleman from Colorado (Mr. HEFLEY) had been disposed of and the bill was open for amendment from page 12, line 23, through page 52, line 12.

Mr. YOUNG of Florida. Mr. Chairman, I move to strike the last word.

Mr. Chairman, I take this time to advise the House that this vote that we will take soon on the D.C. bill is the end of the 13 regular appropriations bills for fiscal year 2004. This does the job.

We have had some interesting times, Mr. Chairman; but in this calendar year starting in February, the Committee on Appropriations concluded 11 of last year's bills, two major supplementals, and 13 regular bills once we have the vote on the D.C. appropriations bill.

I want to say thank you to all of the Members of the Committee on Appropriations on both sides. I want to say thank you to the Members of the House that gave us some spirited debate in amendments but also some very strong votes.

Mr. Chairman, we are prepared then to move on to our conferences with the other body, which should prove to be very interesting.

Ms. NORTON. Mr. Chairman, I move to strike the last word.

Mr. Chairman, this House has a proud bipartisan record of reserving scarce Federal funds for public education. We cannot convincingly make the District of Columbia an exception to that record.

The majority of the city council, the majority of the elected members of the school board, and as the member who has represented the city for 13 years, the majority of the residents of the city are just like your districts and overwhelmingly oppose vouchers. Hundreds of them, led by the clergy of our city ministers and rabbis, came to fan out to tell the Congress that just last week.

□ 2015

If you are willing to vote to give public money to private schools this year, you better be prepared to answer back home. Of course you can say, well, the District of Columbia is different; you know, the schools are so bad. There are school districts exactly like the District of Columbia in every State of the Union. Those of you from Michigan know about Detroit. If you come from Georgia, you know about Atlanta. If you come from Connecticut, you know

about Bridgeport. If you come from Texas, you know about Houston and Dallas. And I do not know all of your rural districts, but I am sure they will match the District in test scores and all the rest of the deprivations that lead to bad schools.

So you go home, if you will, and tell them that in the year when the unkept promise of special education remains outstanding, while the schools in your district are being called shortchanged, that is okay; there was one district in the United States that I was willing to give private money for public schools.

So you go home and tell them, well, I am not for it here, because that is the hypocrisy I hear time and again, but this is one district in the whole United States that I was willing to dig in my Federal pocket and draw out some public money for private schools and it will never happen again. There is a 5-year appropriation here. You will be doing it year after year. And you go home and tell them, when there is a backlash now developing against the bipartisan No Child Left Behind, that that \$9 billion unfunded mandate, that is okay, we are taking care of that. Meanwhile, we had some private schools in the District of Columbia that we simply had to fund this year.

This is a voucher-only bill. If you vote for the Davis amendment, you are voting for vouchers for our country. If you vote "yes" on final, you are voting vouchers if the Davis amendment is in the bill. Vote "no" on Davis. Vote "no" on final passage. Do not flip-flop on vouchers. You will pay the price. We will try to see to it that you do.

Mr. BOEHNER. Mr. Chairman, I move to strike the last word.

Mr. Chairman, I would say to my colleagues that I will not use the 5 minutes, but we need to understand that the Davis proposal that the gentleman from New Jersey (Mr. FRELINGHUYSEN) and I have cosponsored is supported by the Mayor and supported by the President of the school board and other members of the city government. It is also overwhelmingly supported by the people of D.C.

But do not take my word for this, because this is really not about the politicians and it is really not about us; it is about poor kids in poor schools who are being denied an education. We hope, we hope that the Mayor and the school board do a great job trying to improve the city schools. But while they are out there working, trying to improve the city's schools, why should we not take the chance, why should we not take the chance of offering 2,000 children a chance to go to a better school? Because in the end, that is what this is about, these kids. And these kids today are going to have no future if we do not stand up and begin to help them.

So I would ask all of my colleagues today, when you vote, think about these children and think about their future. All of their parents want, and what these kids want is the same
