#### COMMENDING THE FLORIDA MAR- LINS FOR WINNING THE 2003 WORLD SERIES

Mr. MCCAIN. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 254 submitted earlier today by Senators NELSON and GRAHAM of Florida.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 254) commending the Florida Marlins baseball team for winning the 2003 World Series.

There being no objection, the Senate proceeded to consider the resolution.

Mr. GRAHAM of Florida. Mr. President, I rise today to recognize the Florida Marlins for their outstanding victory in the 2003 World Series. The Marlins, under the leadership of their Managing General Partner Jeffrey Loria, General Manager Larry Beinfest and Manager Jack McKeon, defeated the 26-time World Champion New York Yankees to garner their second World Championship in only their 10th year of existence.

With their combination of youthful energy and veteran experience, the Marlins were able to defeat the defending National League Champion San Francisco Giants in four games in the divisional series before coming back from a three games-to-one deficit to defeat the Chicago Cubs in seven games to win the National League Pennant. Led by the enthusiastic leadership of veteran catcher Ivan Rodriguez and the pitching of budding superstar Josh Beckett, the Marlins have a bright future ahead of them.

Floridians from Key West to Pensacola were riveted by the Marlins comeback style and gritty determination as they watched their home team defeat three of baseball's most storied franchises on their way to the championship. As a silence fell over the boroughs of New York City, a party of historic proportions broke out in my home state as our team emerged from the dugout to celebrate its second championship.

The Florida Marlins continue to be a source of pride for residents of the Sunshine State and this year's team, so often faced with adversity, stood as a fine representative of all that our great state has to offer.

Mr. NELSON of Florida. Mr. President, I rise today to urge passage of a resolution sponsored by Senator GRAHAM and myself commending the Florida Marlins for winning the 2003 World Series.

In their 10th anniversary season the Marlins have once again reached the pinnacle of baseball. They provided us with a magical season many in Florida and elsewhere won't soon forget. They started the season with little fanfare and low expectations, and they struggled at first with a losing record. And just when things seemed as if they couldn't get any worse, they lost their manager. For many the Marlins' early misfortunes signaled another losing season.

But on May 23, the team began a magical run that culminated in a World Series title over the storied New York Yankees. During this remarkable stretch, they compiled the best record in baseball, earned a wild-card playoff
