

To the Congress of the United States:

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c), and section 505(c) of the International Security and Development Cooperation Act of 1985, 22 U.S.C. 2349aa-9(c), I am transmitting a 6-month periodic report prepared by my Administration on the national emergency with respect to Iran that was declared in Executive Order 12957 of March 15, 1995.

GEORGE W. BUSH.
THE WHITE HOUSE, March 12, 2003.

NOTICE STATING THAT THE EMERGENCY DECLARED WITH RESPECT TO THE GOVERNMENT OF IRAN IS TO CONTINUE BEYOND MARCH 15, 2003—PM 24

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iran emergency is to continue in effect beyond March 15, 2003, to the *Federal Register* for publication. The most recent notice continuing this emergency was published in the *Federal Register* on March 14, 2002 (67 FR 11553).

The crisis between the United States and Iran constituted by the actions and policies of the Government of Iran, including its support for international terrorism, efforts to undermine Middle East peace, and acquisition of weapons of mass destruction and the means to delivery them, that led to the declaration of a national emergency on March 15, 1995, has not been resolved. These actions and policies are contrary to the interests of the United States in the region and pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to Iran and maintain in force comprehensive sanctions against Iran to respond to this threat.

GEORGE W. BUSH.
THE WHITE HOUSE, March 12, 2003.
