

for the River so that the upstream states can have some hope of fairness and equity.

Sincerely,

BYRON L. DORGAN,
U.S. Senator.

I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1378

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. MISSOURI RIVER MASTER WATER CONTROL MANUAL.

(a) FINDINGS.—Congress finds that—

(1) the original study for the revision of the operating plan under the Missouri River Master Water Control Manual was begun in November 1989 and was scheduled to be completed 6 months later;

(2) the Corps of Engineers has missed that deadline by more than 13 years and has consistently missed every other deadline set in the interim;

(3) the Corps of Engineers is unable or unwilling to move the process forward to revise the Manual, despite legal requirements, direction from Congress, scientific evidence, and various lawsuits from affected parties;

(4) in report number RCED-92-4 in January 1992, the Comptroller General of the United States concluded that there is no statutory or regulatory basis for any contention by the Corps of Engineers that the Corps is bound to give higher priority to navigation interests than to recreation interests affected by the operation of dams on the Missouri River;

(5) the Missouri River yields more than 10 times the economic benefit for recreation and tourism in upstream States than it does for shipping interests in the downstream States; and

(6) it appears that the Corps of Engineers is unable to provide the leadership necessary to finalize revisions to the Manual.

(b) DEFINITIONS.—In this section:

(1) SECRETARY OF THE ARMY.—The term “Secretary of the Army” means the Secretary of the Army, acting through the Chief of Engineers.

(2) SECRETARY OF THE INTERIOR.—The term “Secretary of the Interior” means the Secretary of the Interior, acting through the Commissioner of Reclamation.

(3) MANUAL.—The term “Manual” means the Missouri River Master Water Control Manual.

(c) TRANSFER OF AUTHORITY.—There is transferred from the Secretary of the Army to the Secretary of the Interior all authority of the Secretary of the Army to—

(1) revise the Manual; and

(2) operate the dams the operation of which is governed by the Manual.

(d) COMPLETION OF CURRENT REVISION.—The Secretary of the Interior shall, to the maximum extent practicable, complete the revision of the Manual begun by the Secretary of the Army before the date of enactment of this Act not later than the date set for completion by the Secretary of the Army.

(e) MANAGEMENT OF WATER RESOURCE PROJECTS.—After the Secretary of the Interior revises the Manual, the Secretary of the Interior shall manage water resource projects formerly operated by the Corps of Engineers in accordance with the revised Manual.
