IN THE HOUSE OF REPRESENTATIVES

Mrs. CAPPS. Mr. Speaker, today I rise to pay tribute to Easy Lift Transportation as they celebrate their 25th anniversary of providing transportation services to the disabled and elderly in the Santa Barbara area.

APPOINTMENT OF CONFEREES ON H.R. 3550, TRANSPORTATION EQ- UITY ACT: A LEGACY FOR USERS

SPEECH OF

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 3, 2004

Mr. BACA. Mr. Speaker, I rise in support of the Oberstar Motion to Instruct Conferees on the Safe Routes to Schools program.

The Safe Routes to Schools is a good program designed to save the lives of children and the many commuters that drive near schools. This program helps create infrastructure so that children can safely walk or bike to school.

Our children will also be safer while walking to school because the Safe Routes to Schools program also encourages greater enforcement of traffic laws, educates the public, and explores ways to create safer streets.

As a nutrition advocate, I am also concerned about the growing obesity epidemic that is affecting our children. Sedentary lifestyles, too much television, and far too many non-athletic activities are causing our children's waistlines to grow out of control. That is why I support this program. We need to promote walking and biking to school as alternatives.

Mr. Speaker, I urge my colleagues to please support this Motion to Instruct the Conferees so that our children can live safer, healthier, and happier lives.

PAYING TRIBUTE TO ANN
RUDOLPH

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 8, 2004

Mrs. CAPPS. Mr. Speaker, today I rise to pay tribute to a very special resident of the 23rd Congressional District, Ann Rudolph, as she retires from Hollister School. As Office Manager, Ann has touched the lives of countless Hollister School students, parents and faculty over the past 18 years.

One of the Principals who worked with Ann described her as the centerpiece of the school. Her caring nature and generosity extended well past her job description as she corralled stray dogs, helped paint office walls and provided after-school academic assistance to students in need. In addition to providing countless hours of her time to school projects and to helping each student succeed, Ann assisted in jog-a-thons, created a scholarship fund for sixth grade science camp and contributed to the school band. Ann provided for the Hollister School community as if each child were her own. She valued every individual, working with parents and teachers to make each student's experience at Hollister the best it could be.

When talking about Ann to students, one might hear a story of Ann waiting until late

afternoon with a student until her parents arrived, or inviting a child to her home for after school tutoring. In addition to her extensive work with the students, Ann also assisted members of the Santa Barbara community by washing all of the school's unclaimed "lost and found" clothes so that they could be given to needy families.

Ann Rudolph has served the Hollister School community in so many ways over her 18 years of employment. She has touched the lives of many and will be missed by each parent, teacher and student who had the privilege of knowing her. Dedicated and devoted people like Ann are what make our community so special. I wish Ann the best as she begins retirement and thank her for all that she has done.

BACK TO WORK INCENTIVE ACT
OF 2003

SPEECH OF

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 3, 2004

Mr. BACA. Mr. Speaker, I rise in opposition to H.R. 444. H.R. 444 authorizes a pilot program to allow unemployed workers to receive job-training vouchers.

Unfortunately, the bill does not even fund the voucher program. The funding must come from existing job-training programs. These vouchers could be as small as \$500 and as large as \$3000. Voucher recipients could purchase job-training and child-care services, or use the funds to cover some transportation expenses. However, job-training services would no longer be free, but would have to be purchased for a one-year period.

We are stealing Peter's training money to give Paul a voucher. Tell me how this improves job training in our country? This is not the solution for the millions of Americans that don't have a job and can't put food on the table. The White House and Republican Con-

gress have failed to create jobs. They have failed to respond in thoughtful way to the needs of the American workers or the basic needs of our sluggish economy. Where is the compassion in the White House's conservatism for the 1.5 million Americans that have exhausted their unemployment benefits?

H.R. 444 is a misguided response to the great needs of our country. We need more jobs, not to privatize the job training. Millions need to put food on the table with their unemployment checks, not a tax cut that rewards corporations that move jobs overseas. I have had enough of nonsense legislation from this White House and Republican Congress. I will not vote for a bill that will result in cuts to the very job-training that will help people get a job.

In sum, this bill siphons money away from job training programs, limits people's access to that training, and does not even fund the pilot project. The motivation for this bill must have been, "why help people, when you can just pretend."

I urge my colleagues to reject this ineffective and purely cosmetic bill.

HONORING THE LATE ROGER
PELTYN

HON. JON C. PORTER

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 8, 2004

Mr. PORTER. Mr. Speaker, I rise today to remember Roger Peltyn, who passed away suddenly last Thursday at the age of 60. Roger Peltyn helped build the modern Las Vegas that has become one of the wonders of the world, and will be remembered by all who knew him, and admired by everyone who sees the marvelous buildings he created.

Roger Peltyn was born in Brooklyn, New York in 1944 and moved to Las Vegas to work as a structural engineer at the Golden Nugget. From this work Roger Peltyn's genius was recognized, and he went on to serve as an engineer at the Bellagio, Mirage, Venetian and many other world class resorts in Las Vegas. Roger Peltyn was also a major contributor to our community in other ways, and helped raise more than \$4 million for various charities.

Thanks to Roger Peltyn, the Las Vegas skyline has become one of the great symbols of America, whose beauty, strength, and success are reminders of everything our nation stands for. I urge the House to join with me in honoring Roger Peltyn and extending our condolences to his wife Sandy and his two sons on his untimely passing.
