

After a short stay at the San Juan Bosco School in La Vibora, he returned to Güines in 1955 to take the reigns as director of the Salesian San Julian School, where he had previously spent time as a seminarian. In 1959, he was officially named "Adopted Son" of his resident town and continued his impressive educational career in 1960 by receiving a doctorate degree in Arts and Philosophy from the University of Santo Tomás de Villanueva. He remained in Güines until May 1961, when Cuba's private educational institutions fell under the dictatorship's control and he was forced into exile.

From there, Father Mendez moved to Puerco Rico, becoming director of the San Juan Bosco School from 1963 to 1969. Later in 1969, he received a Master's in Education from the University of Puerto Rico, where he was subsequently hired as faculty in the university's Humanities Department. In 1970, Father Mendez held a similar position as professor of humanities at the University of the Sacred Heart in Santurce, and in 1972 he received another Master's Degree in Hispanic Studies from the University of Puerto Rico. In June of 2000, he was recognized by the House of Representatives of Puerto Rico for having been designated by the University of the Sacred Heart as Professor Emeritus of that institution.

Since 1963, Father Mendez has served as Spiritual Director and Chaplain of the American Military Academy and has held the same title for the Circulo Cubano de Puerto Rico since 1970. Over the course of his long and decorated professional and clerical career, Father Mendez has impacted the lives of countless young men and women who have attempted to live by the principles and values he has always preached. As a result, Father Mendez has gained the respect, admiration, and gratitude of all those who have had the good fortune of learning from him.

From all the people you have touched by your kindness and example, Father Mendez, happy 80th birthday.

COMMENDING THE HONORABLE  
DR. WILLIAM E. "BILL" WARD

**HON. J. RANDY FORBES**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 14, 2004*

Mr. FORBES. Mr. Speaker, I rise today to thank a true public servant, Dr. William E. "Bill" Ward who has given over 25 years of faithful service to the City of Chesapeake and her residents.

Mayor Ward and the City of Chesapeake have a long history together. Having resided in Chesapeake with his wife Rose since its incorporation in 1963, Mayor Ward has been instrumental in helping to shape and form one of our Nation's largest cities.

Mayor Ward has been serving his community in a variety of capacities for many decades. Those who know him best know that he is first and foremost an educator. Mayor Ward is Professor Emeritus and former Chair of the History Department at Norfolk State University, where he taught from 1973 to July of 2000. In addition, he serves on the Board of Visitors at his alma mater, Virginia State University in Petersburg, Virginia.

Mayor Ward's love of government and service eventually led him into public life in 1978 and he has faithfully served since that date. From 1978–1984, he served as a member of the Chesapeake City Council and served as Vice Mayor from 1984–1990. Mayor Ward is the longest serving Mayor in Chesapeake's history having served in that capacity since October 4, 1990.

During his tenure on the Chesapeake City Council, the city grew from 100,000 people to more than 210,000. Through a time of great change, Mayor Ward provided continuity of both leadership and direction.

In closing, I would be remiss if I did not recognize the Mayor's wife Rose and their children Michael and Michelle and thank them for their support and sacrifices over the years. The Ward family will continue to be among the most well-respected and much-loved members of the Chesapeake community.

Mr. Speaker, please join me in honoring Mayor Ward, for his years of dedication to Chesapeake and for his selfless service to her citizens.

CONGRATULATING JERRY DOUGLAS ON HIS SELECTION AS A 2004 NEA NATIONAL HERITAGE FELLOW

**HON. JIM COOPER**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 14, 2004*

Mr. COOPER. Mr. Speaker, every year, the National Endowment for the Arts honors an elite group of master folk and traditional artists for their lifetime contributions to the Nation's musical and artistic heritage. The prestigious National Heritage Fellowships, awarded by the NEA, honor artists not only for their artistic excellence but for their commitment to passing on their skills and cultural traditions to a new generation.

I am especially proud that one of this year's winners hails from the Fifth District of Tennessee. Mr. Jerry Douglas, of Nashville, is a peerless player of the steel guitar, the "Dobro's® matchless contemporary master," according to the New York Times. He is a musical innovator often compared to Jimi Hendrix and Charlie Parker, having garnered eight Grammy Awards among his myriad accolades. He is in fact one of the few artists to have a special model of the Dobro® named in his honor.

Mr. Douglas learned music at an early age, first as a singer and a player of the mandolin and guitar. But he says that once he discovered the Dobro®, "I stopped singing because it was like I'd found another way to have a voice." Since finding that voice, Mr. Douglas has influenced all forms of American music, including bluegrass, country, rock, jazz, and blues. He has taken the Dobro® from its Southern rural roots into Celtic and even clas-

sical music, adapting his instrument to embrace all styles.

This prolific career has yielded Mr. Douglas more than 1,000 recordings. He has worked in the company of a diverse array of well-known artists, including Garth Brooks, Paul Simon, James Taylor, Reba McEntire, and the late Ray Charles. He is acclaimed by fellow musician Alison Krauss as "the greatest Dobro® player the world has ever known" and by Life Magazine as one of the top ten best country musicians of all time.

I am honored to recognize Mr. Douglas for his achievements and contributions to American music and congratulate him on his recognition by the NEA. It is thanks to artists such as Mr. Douglas that Nashville continues to be proudly known as Music City, USA.

IMMIGRATION REFORM

**HON. MIKE ROSS**

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 14, 2004*

Mr. ROSS. Mr. Speaker, I want to express the need for discussion on true immigration reform.

With over eight million illegal immigrants in the U.S., and approximately half a million more entering the U.S. annually, it is now time for Congress to be diligent in trying to truly engage in discussion on how we can effectively manage immigration here in the U.S.

I do not support illegal immigration. I also do not support amnesty for undocumented immigrants. Individuals who violate America's laws should not be rewarded for illegal behavior, and I believe amnesty perpetuates illegal immigration. The fact that there are eight million undocumented immigrants estimated to live in the U.S. illustrates alone that previous amnesty programs have not worked.

I am seeing the effects of immigration with regards to healthcare and our hospitals. This burden is not a problem because of illegal immigration alone. Legal immigrants are working citizens, but many do not have benefits such as health insurance. They are forced to ignore health problems until they're magnified and eventually forced to seek care in emergency rooms. Unfortunately, these costs often must be absorbed by hospitals, taxpayers and private insurance policy holders through higher premiums.

We are appropriating funds to deal with issues such as these in the short-term, but we also have to start having discussions on long-term solutions to legal and illegal immigration. Being uninsured is only part of the problem.

We must not lose sight of the significant role immigration has played in the development of the United States. We must be wise as we move into uncharted waters regarding new immigration policies. We must look for ways to construct positive steps that will ultimately lead to a better life for everyone.
