

local police stations with over \$3,000 in funds matched by the government for new equipment and over \$5,000 in grants for local firefighters to assist in the purchase of new equipment as well. This is truly an organization that makes the lives of Western Pennsylvanians better every day.

I ask my colleagues in the House of Representatives to join me in honoring this fine organization and the volunteers who support it. It is an honor to represent the Fourth Congressional District of Pennsylvania and a pleasure to recognize Benson's Battalion for its efforts to improve the safety of western Pennsylvanians.

SUPPORTING VIRGINIA'S WHITE COAT DAY

HON. ERIC CANTOR

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Mr. CANTOR. Mr. Speaker, I rise today in support of Virginia's White Coat Day. As many as 1,500 physicians from all over the State marched on the Virginia Capitol today to make the case for common-sense medical liability reform in the state legislature.

Led by the Medical Society of Virginia, today's White Coat Day march on Richmond is designed to educate State lawmakers on how doctors' skyrocketing malpractice insurance is limiting patients' access to medical care. Outrageous runaway jury awards are causing malpractice premiums to rise uncontrollably, and many doctors are being forced to shut their doors.

The doctors' offices across the Commonwealth that are closed today for the march are symbolic of what out-of-control insurance premiums are doing to our medical system. Doctors being forced to close their doors because they can no longer afford insurance directly affects rural, low-income and senior health care in my district and State.

Mr. Speaker, the pattern of doctors nationwide protesting high medical insurance premiums is a clear sign that the entire system is broken. Not only should the Virginia Legislature address this issue, but we as a Congress need to do the same. We need to take President Bush's lead in ending the jackpot payouts that our legal system encourages. While the House has passed legislation to reform the medical liability system, it is now time to enact common sense reforms into law.

Mr. Speaker, I applaud the doctors in Virginia for taking a stand today. I know they do it for their patients.

SAFEGUARDING SCHOOLCHILDREN OF DEPLOYED SOLDIERS ACT

HON. LOUISE McINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Ms. SLAUGHTER. Mr. Speaker, I rise today to announce the introduction of the Safeguarding Schoolchildren of Deployed Soldiers Act of 2004.

Today there are 129,000 United States troops serving in Iraq alone, including nearly

80,000 reservists and members of the National Guard. As the Congressional Representative for the Niagara Falls Air Reserve Station, I recognize the enormous disruption of deployment on their families.

When soldiers are deployed, many arrangements must be made. Many men and women are leaving a job, a family, or even children behind.

We have long recognized the need to minimize the hardships to these men and women, as demonstrated in the comprehensive Servicemember's Civil Relief Act. Originally enacted in 1940, this law provides relief to military personnel from many of the economic and legal burdens they have incurred because of their deployments. This law never anticipated lengthy deployments by mothers and fathers who may not have any choice but to send their children to live with another parent, sister, or grandfather one or two towns away.

I learned firsthand how deployments can cause significant upheaval in a child's life when the brother of a deployed soldier recently contacted my office. He explained that his niece had moved to live with her mother while her father was away fighting in Iraq. As a result, she was prevented from attending her normal high school because she no longer resided within the school district.

According to the Department of Defense, there are currently 1.2 million children with military parents in the United States. This number is only slightly less than the total number of adults currently serving in the Armed Forces.

I am proud to introduce, along with my colleague Representative BROWN-WAITE, the Safeguarding Schoolchildren of Deployed Soldiers Act. This bipartisan legislation would ensure some measure of continuity for children who change residence as a result of their parent's military service by allowing them to continue to receive an education at their schools, even if they are temporarily residing outside the school district.

As our men and women in uniform continue to be deployed in support of military operations around the world, it is vital that we do our best to minimize the disturbance to their lives and that of their families.

I urge my colleagues to join me in supporting the Safeguarding Schoolchildren of Deployed Soldiers Act. We owe this protection to the education of our children and to the peace of mind of our soldiers.

TRIBUTE TO DR. FRANK GULIUZZA III

HON. ROB BISHOP

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Mr. BISHOP of Utah. Mr. Speaker, it is my pleasure to congratulate Dr. Frank Guliuzza III, a resident of Ogden, Utah, and a professor of political science at Weber State University, on his reception of the CASE (Council for Advancement and Support of Education) Award for Teacher of the Year. I am pleased that the CASE organization recognized the caliber of Dr. Guliuzza as a professor and as a citizen.

Dr. Guliuzza has an impressive record: he has published two books (*American Government*, *American Ideals* and *Over the Wall*:

Protecting Religious Expression in the Public Square) and three more will be completed by 2005. He has served as the Chairman of the Department of Political Science and Philosophy at Weber State University since 2002 and has taught courses including Constitutional Law, The Modern Presidency, and Constitutional Rights and Liberties. Earlier this year, Dr. Guliuzza was presented with Weber State University's most prestigious faculty honor: the John S. Hinckley Fellow award for excellence in teaching, service, and scholarship.

Dr. Guliuzza is an asset to his university and community. He founded the Weber State university mock trial team in 1996 and, under his direction, Weber State has earned several top-ten finishes at national tournaments. Dr. Guliuzza ran for the United States Senate in 2000 and has served as a Chair of the Weber County Republican Party and Vice Chair of the Utah Republican Party. A licensed minister, Dr. Guliuzza has served in ecclesiastical positions at Calvary Baptist Church in Ogden, First Baptist Church in Brigham City, and Mountain View Baptist Church in Layton. He has served his fellow men at the most basic and important level. Dr. Guliuzza and his wife of 21 years, the former Kathy Spaulding, are the foster parents of two children, Matthew Williamson and Timothy Stoddard.

Despite all of these awards, accomplishments and interests, Frank's true passion lies with teaching. As a former high school history teacher, I understand this purpose. And he is an excellent teacher, in the truest sense of the word. As Dr. Guliuzza said, "One need not be prominent to be a great woman or man." Frank is a great teacher, one who guides his students, who enlightens, shapes and challenges them. He is also a great American, and I am pleased to recognize him on this occasion.

TRIBUTE TO THE LIFE OF ROSE KENNEDY

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Ms. KAPTUR. Mr. Speaker, the holiday season 2003 marks the passing of a loved and beloved member of our community of Toledo, Ohio. Rose Kennedy, a mother for our community and a pioneering activist of her North Toledo neighborhood, passed from this life on December 26, 2003 at age 76.

I came to know Rose and her husband Bob nearly three decades ago as she vigorously pursued improvements in her neighborhood, Toledo's oldest. Small in stature, unassuming by nature, she worked on larger-than-life projects side-by-side with community leaders on the revitalization of the heart of our city, starting in North Toledo with beautification initiatives. Most notably, North Toledo's signature effort, the Buckeye Basin Greenbelt Parkway, has Rose's imprimatur. Without Rose Kennedy's personal tireless efforts, this major parkway construction which diverted traffic from North Toledo streets and upgraded the entire region with a linear greenbelt in the heart of our city would not have been realized. She pursued this goal for nearly a quarter century, and proudly stood by as the dream was finally brought to fruition and ribbons cut.

In addition to her community activism, Rose Kennedy, together with her husband Robert, brought a sense of family to eighteen children: four adopted and fourteen fostered. She explained, "These kids needed love and that was about all we had to give them."

The oldest of six children, Rosalie Kennedy spent her entire life in her North Toledo neighborhood. After marriage, she and her husband were involved in veterans' organizations—heading up the Toledo chapter of the DAV in the 1950's—in addition to neighborhood groups. She worked with the Northriver Development Corporation and the Economic Opportunity and Planning Association. Civic-minded as well, Rose served for many years as her precinct's Democratic committeewoman. Rounding out her community and civic responsibilities, she also served her faith as Secretary to her church, Salem Lutheran Church.

In spite of her family and community demands, Rose found time to enjoy her hobbies of crochet and crossword puzzles and reading. She was an ordinary woman who accomplished extraordinary feats. To her husband, children, grandchildren and great-grandchildren, we extend our heartfelt sympathy. Rose Kennedy lived life large, and her actions left a lasting legacy. We will miss her earnest resolve, her unrelenting dedication, and the loving gift she gave of herself.

Ms. ESHOO. Mr. Speaker, because my flight, United Airlines #950 was cancelled due to mechanical problems, I was absent from votes on February 3rd. Had I been present, I would have voted "Yea" on rollcall vote Nos. 12, 13 and 14.

HONORING THE NORTHERN CIRCLE INDIAN HOUSING AUTHORITY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize the Northern Circle Indian Housing Authority (NCIHA) as it celebrates its 25th Anniversary.

The NCIHA is the Tribally Designated Housing Entity (TDHE) for eight federally recognized Indian Tribes in Northern California. Originally created in 1980, the NCIHA is a valuable asset to Butte, Colusa, Lake, Mendocino and Sonoma Counties, providing safe and sanitary housing for low and moderate-income Native American families. The NCIHA is governed by a twenty member Board of Commissioners and staffed by 17 dedicated employees.

Over its 25-year history, the NCIHA has built 324 housing units in nine locations, directing \$60 million in construction planning and development programs. The organization manages an additional 232 housing units located in seven reservation communities. The NCIHA also administers a down payment as-

sistance home ownership program, rental subsidy programs, housing rehabilitation and replacement services for member tribes.

In addition to these services, the NCIHA has worked to develop a Community Housing Development Organization to access state funding and increase housing opportunities for Native Americans. The NCIHA is sharing valuable resources and providing technical support with the newly formed United Native Housing Development Corporation to help assure its success.

Mr. Speaker, the accomplishments of the NCIHA are recognized by many, most notably by the Office of Native American Programs, who awarded the NCIHA a Certificate of Excellence in 2000 and declared the organization one of the best of its kind. With the support of both the federal government and private foundations, the NCIHA is committed to the establishment of healthy communities for the Native Americans it serves. In addition to constructing and managing sufficient housing, NCIHA builds infrastructure including roads, water and sanitation facilities, and electric services.

Mr. Speaker, for its commitment to serving the Native American population of Northern California, it is appropriate that we honor the employees and board of the Northern Circle Indian Housing Authority as they recognize their 25th anniversary.

IN MEMORY OF JUDGE ELMO B. HUNTER

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Mr. SKELTON. Mr. Speaker, it is with deep sadness that I inform the House of the death of the Honorable Elmo B. Hunter of Kansas City, MO.

Judge Hunter earned his law degree from the University of Missouri in 1938. He went on to post-graduate work at the University of Michigan. Judge Hunter served his country in World War II with the United States Army, working in military intelligence. When he came home he joined the law firm of Sabree, Shook, Hardy & Hunter in Kansas City.

Judge Hunter served on the bench as a state circuit judge from 1951 to 1957 and moved on to serve as a state appeals judge in that year. He remained in this post until 1965, when President Lyndon Johnson appointed him to the federal bench.

In recognition for his service, Judge Hunter was awarded the Edward J. Devitt Distinguished Service to Justice Award in 1987. He was also the recipient of the American Judicature Society's Distinguished Service Award and served as the society's chairman and president. In 1991, the American Judicature Society saw fit to found the Elmo B. Hunter Citizens Center for Judicial Selection. The center researches nonpartisan, merit-based judicial selections, sponsors national forums, monitors state judicial reform projects and educates international visitors on the U.S. judicial selection process.

Mr. Speaker, Elmo Hunter was a valuable member of the judiciary and a credit to his profession. I know the Members of the House will join me in extending heartfelt condolences to his family: his wife, Shirley; his daughter

Nancy; and all of his grandchildren and great-grandchildren.

RECOGNIZING THE PUBLIC SERVICE OF SAM MAMULA

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2004

Mr. UDALL of Colorado. Mr. Speaker, I rise today to recognize Mr. Sam Mamula of Breckenridge, Colorado for his exemplary public service.

Mr. Mamula has proven his dedication to Breckenridge. He has held a variety of local government positions during his residency, including 8 years on the town planning commission and 8 years on the town council before becoming Breckenridge's mayor.

The citizens of Breckenridge have benefited greatly from Mr. Mamula's dedicated leadership. Specifically, Mr. Mamula has taken leadership roles in Breckenridge's use of biodiesel in its diesel municipal vehicles which is reducing pollution in Colorado.

Mr. Mamula has also been a tireless advocate for affordable housing in Summit County and was recognized nationally when Breckenridge won an Environmental Protection Agency (EPA) National Award for Smart Growth Achievement in the built projects category for the Wellington Neighborhood affordable housing project. This project included a cooperative partnership among the town of Breckenridge, Summit County, the Environmental Protection Agency, Colorado Department of Public Health and Environment and a private developer.

The dedication, enthusiasm and activism with which Mr. Mamula has pursued his work deserves our most sincere thanks. Thus, I ask my colleagues to join me in thanking Mr. Sam Mamula for his service and many contributions to his community. He is much appreciated.

For the benefit of our colleagues, I am attaching a copy of a recent story about Mr. Mamula that appeared in the Summit Daily News.

[From the Summit Daily News, Jan. 28, 2004]

MAMULA TO END A POLITICAL ERA

We have to admit it. We are big Sam Mamula fans. Nobody is sorer than we are that the Breckenridge mayor is stepping down after one term as hizzoner.

Mamula is a quote machine without peer, except for County Commissioner Tom Long. In this business, we like that.

The thing about Mamula is that he always makes a point. We like that even better.

Usually, his point is about the quality of life in the greater Breckenridge area. With Mamula at the top spot in town, locals knew they had somebody battling for the soul of the Summit.

We say that with due apologies to The Summit Foundation, which considers itself the "Soul of the Summit," and with good reason.

But the battle for soul—quality of life—is really fought in the trenches of planning commissions and town councils where hundreds of small decisions add up to something ugly if somebody isn't on guard.

Ironically, one of Mamula's biggest achievements on behalf of the town and taxpayers will occur after he's left office—the huge open space purchase of the B&B Mines property in the Golden Horseshoe.
