

Over the years, she served in numerous roles, culminating in her current duties as a Congressional Liaison Representative in 1997. In this capacity, Mrs. Haveron has been responsible for well over 100,000 constituent inquiries, from all 50 states and territories. In fact, she was the first civilian action officer to draft and successfully staff a Congressional response for signature by the Air Force Chief of Staff.

During her 42 years of work in the Office of Legislative Liaison, Mrs. Haveron has provided dedicated and professional service to both the U.S. Senate and the House of Representatives. She has developed close working relationships with many of our staffs, and her efforts have greatly enhanced congressional understanding of Air Force personnel matters. The distinctive accomplishments of Mrs. Paula D. Haveron highlight a long and distinguished career in the service of the Federal Government, and reflect great credit upon herself and the Department of the Air Force.

IN HONOR OF THE NORTH AMERICAN CONFERENCE ON ETHIOPIAN JEWRY

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. NADLER. Mr. Speaker, I rise today to pay tribute to the North American Conference on Ethiopian Jewry on the occasion of the first annual Adopt-A-Student reunion in Israel. On October 13th there will be a first-time reunion of Ethiopian Israeli graduates that were able to obtain education because of NACOEJ. Hundreds of American sponsors who provide support, correspondence and financial assistance have arranged to travel to Israel to take part in the celebration.

NACOEJ was founded in 1982 to help Jews cope with living conditions in Ethiopia; provide educational opportunities; aid with their emigration to Israel; and help aid the absorption of the émigrés into Israel's society while preserving their unique and ancient culture. In Ethiopia, NACOEJ is the sole supporter of compounds in Addis Ababa and Gondar Province providing 10,000 meals to babies, children, and pregnant or nursing women daily. In addition, it supports Jewish Day Schools for 3,500 students, as well as adult education, employment training, family food distributions and religious facilities.

In Ethiopia generations of Jews were always among the poorest inhabitants. Families faced poverty, famines and malaria epidemics while malnutrition, disease and civil war were a part of daily life. Yet since 1984, 2,200 Ethiopian Israeli university students have received NACOEJ living stipends that many times can mean the difference between dropping out and graduating. Many people that relocated to Israel are now leading free, fulfilling and fruitful lives because of the work this group does.

For their generosity, for their commitment to freedom and democracy in Ethiopia and Israel, and for their unyielding commitment to improving the lives of people in the worst of conditions, it is my privilege to honor the North American Conference on Ethiopian Jewry.

MARRIAGE PROTECTION AMENDMENT

SPEECH OF

HON. BARNEY FRANK

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2004

Mr. FRANK of Massachusetts. Mr. Speaker, during the debate last week on the amendment that would overturn Massachusetts' decision to allow same-sex marriage, I received permission to put into the RECORD an excellent article by M.V. Lee Badgett, refuting the shoddy scholarship of Stanley Kurtz, who has alleged with no logical basis that same-sex marriages have somehow caused a decline in heterosexual marriages in some European countries. I should note that Mr. Kurtz completely ignores, in his research, the most relevant example for us—civil unions in Vermont. But even with regard to the handful of European countries he analyzes, his work does not support the conclusion he is so desperate to sustain.

M.V. Lee Badgett has done a very good job of refuting Mr. Kurtz, and I was glad to have a chance to insert her analysis in the record of the debate from last Thursday. Unfortunately, her name was omitted. I recommend, Mr. Speaker, that those reading this insertion who are interested in the subject go to the CONGRESSIONAL RECORD for September 30, at page H7914, to read the article entitled "Will Providing Marriage Rights To Same-Sex Couples Undermine Heterosexual Marriage?" in which Ms. Badgett demolishes Mr. Kurtz.

Mr. TOWNS. Mr. Speaker, I rise in honor of Sonny Hall, the President of Transport Workers Union of America International, in commemoration of his 50 years of dedicated service to the union.

As the International President of TWU, Sonny Hall represents more than 110,000 men and women employed in the nation's transportation and allied industries. Hall was elected to this post at the Unions 19th Constitutional Convention in October 1993. Previously Sonny had served as President of TWU Local 100, the largest local union of TWU, representing nearly 38,000 members who operate the New York City subway system and both public and private bus lines.

Sonny, served in virtually every union position from Shop Steward on up. He was named President of Local 100 in May, 1985 and subsequently elected to full three-year terms in December 1985, 1988 and 1991. He joined TWU in 1950 as a Bus Cleaner for the old Omnibus Corp. and became a Bus Operator in 1957. In between, he served tours of duty in both the Marines and the Army.

Mr. Hall was elected an International Vice President at TWUs 17th Constitutional Convention in September 1985. He was appointed Executive Vice President by the International Executive Council on January 9, 1989, and was elected to that post for a four-year term at the Unions 18th Constitutional Convention in October, 1989.

Sonny was elected Secretary-Treasurer to the AFL-CIO Transportation Trades Department in 1995 and President of that organization in 1998. He was elected to the AFL-CIO's Executive Council at the Federation's Convention in October 1995. In addition to the aforementioned duties, Sonny is also a Board Member of the Mount Sinai Hospital Health and Safety Department; on the Board of Governors of the New York Chapter Arthritis Foundation, and the President's Advisory Council of the Deborah Heart and Lung Center of the Deborah Heart and Lung Foundation. He also serves as President of START (Safe Transit And Rail Transportation).

Sonny holds a B.A. from the Cornell Labor College and studied military and criminal law at the University of New Mexico. He is the son of a retired New York City Bus Operator, now deceased, who served the riding public for 30 years and was an early member of Local 100.

During this time, he has worked hard to improve the lives of TWU members, their members and all of organized labor. As such, he is more than worthy of receiving our recognition today and I urge my colleagues to join me in honoring this truly remarkable person.

COMMENDING Rx NEW HAMPSHIRE

HON. CHARLES F. BASS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. BASS. Mr. Speaker, I rise to commend six months of operation of Rx New Hampshire, a website and program designed to bring affordable prescription drug costs to New Hampshire residents. Launched on April 5, 2004, it has already hosted more than 14,000 visits and is responsible for hundreds of anecdotal cases of Granite Staters using the information to save on their needed medications.

New Hampshire Governor Craig Benson is a leader on this issue and has demonstrated that affordable prescription drugs and safety are not mutually exclusive goals. In order to provide citizens with the confidence to use any of the screened pharmacies located in Canada listed on the State website at <http://www.state.nh.us/governor/prescription/prescription.html>, Governor Benson directed the New Hampshire Department of Health and Human Services to identify only those Canadian pharmacies that meet strict domestic and international accreditation standards. Onsite inspections of facilities in Canada have also been performed by independent New Hampshire pharmacists for each listed provider. Samples have been bought and shipped through the normal process and were analyzed for active ingredients at the NH State Police Forensic Laboratory and examined by the NH Board of Pharmacy. No significant difference between these drugs and a duplicate prescription list that was filled from local U.S. chain pharmacies was found.

For more information, I have linked the prescription drug section of my Congressional Web site at www.house.gov/bass to the Rx New Hampshire page and urge my House colleagues and all Americans to visit and examine the good work and solutions offered in the Granite State.

I again call on Congress and the Federal Drug Administration to adopt importation policies that do not stand in the way of such innovative and proven solutions to these growing costs. I am certain that Governor Benson and the New Hampshire Department of Health and Human Services would be willing to lend their expertise to any other State or Federal agency wise enough to follow their lead.

HONORING MRS. GRECIA GRECIA ALAJAR

HON. JON C. PORTER

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. PORTER. Mr. Speaker, I rise today to honor Mrs. Grecia Grecia Alajar, a retired teacher and Nevada's recipient of the Outstanding Older Worker Award. The work for and dedication to the community of retired individuals, like Mrs. Alajar, are inspiring to all of us as we seek to improve our districts and our States.

Mrs. Alajar, after a lifetime of teaching in the Philippines, Los Angeles, California, and Las Vegas, Nevada, returned to the workforce, this time as a member of health care delivery sys-

tem. She is an integral part of the operations of the First Choice Home Health Care Agency.

Mrs. Alajar was born and raised in the Philippines, where she taught high school before moving to the United States in 1970. After overcoming the language barrier, she began teaching mentally challenged children. Her good works continued as she impacted the lives of many children facing challenges. I applaud Mrs. Alajar and her dedication to our community as an excellent role model for us all.

HONORING THE FORMER FIRST LADY OF NORTH SAINT PAUL, DOLORES SANDBERG

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Ms. McCOLLUM. Mr. Speaker, I rise today to honor a dear friend of mine, the former First Lady of North Saint Paul, Dolores Sandberg.

Dolores Sandberg passed away last month, surrounded by her family including her loving husband William, her daughter Karen and two grandchildren, Caroline and William.

Dolores was a woman of great character and strength. She always had a tremendous sense of humor and wit and was always positive even as she dealt with her illness.

She was also a woman who supported and loved North St. Paul and its people along with her husband Mayor Sandberg, our beloved mayor. I know that I am not the only one who will miss her kind words, warm smile and soft voice.

We will miss Dolores dearly. She led a life of dignity and warmth, and will be remembered fondly in the hearts of many.

HONORING THE ANI DANCE ENSEMBLE

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. SCHIFF. Mr. Speaker, Mr. WAXMAN and I rise today to honor "the Ani Dance Ensemble," part of the Armenian Educational and Cultural Society, Hamazkayin, as it celebrates its 30th anniversary. Hamazkayin was founded by a group of community leaders on May 28, 1928, in Cairo, Egypt with the objective of providing a sound education to the new generation and preserving the ethnic identity and cultural heritage of the Armenian people forced to live outside their homeland after the 1915 Armenian genocide.

Subsequently, Hamazkayin chapters sprouted throughout the Middle East, Europe, the United States, Canada, South America and Armenia to instill, perpetuate and preserve the centuries of Armenian culture. Hamazkayin has been successful in establishing secondary and higher educational institutions which have prepared scholars, literary figures, and community leaders throughout Armenia and the Diaspora. The establishment of "the Ani Dance Ensemble" achieves the objectives of Hamazkayin through their unique performances of traditional Armenian folk dances.

"The Ani Dance Ensemble" was established in 1974 in Los Angeles, California under the leadership of artistic directors/choreographers Ms. Suzy Barseghian-Tarpinian and Mr. Yeghia Hasholian. The ensemble has had more than 80 dances in its repertoire, and presently consists of 40 dancers. Since its inception it has performed and captivated audiences throughout California as well as cities across the nation including Washington DC, Chicago, Illinois; Falls Church, Virginia; and Las Vegas, Nevada. In addition, the group has performed in Armenia and Karabagh in 1999, 2001, and 2004. The ensemble has also represented Armenian Culture through Armenian folk dances at the American Ethnic Day in Washington, DC in 1987. They are frequently invited by American, ethnic and Armenian organizations to perform at functions. As one of the oldest and most accomplished Armenian Dance Ensembles in the United States, it is recognized as one of the best ethnic dance groups in America.

It is our distinct honor to recognize the cultural contributions of "the Ani Dance Ensemble." I ask all members to join me in congratulating the "the Ani Dance Ensemble's" 30 years of performing traditional Armenian folk dances.

SENSE OF CONGRESS REGARDING HUMANITARIAN ASSISTANCE TO COUNTRIES OF CARIBBEAN DEVASTATED BY HURRICANES CHARLEY, FRANCES, IVAN, AND JEANNE

SPEECH OF

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 4, 2004

Mr. MEEK of Florida. Mr. Speaker, I rise today in support of H. Con. Res. 496, a bill I cosponsored, which expresses the sense of Congress on the need for humanitarian assistance to hurricane-ravaged Caribbean countries. As you know, Hurricanes Charley, Frances, Ivan and Jeanne struck the Caribbean, leading to widespread destruction and devastation.

This is a matter of great concern to me because many of my constituents in Dade and Broward Counties are from, have ancestors from, or have relatives presently living on the islands of the Caribbean. I also represent the largest Haitian constituency in the country. Of all the islands in the Caribbean, Haiti was particularly hard hit. As of today, the toll was more than 2,900 dead or missing and presumed dead. An estimated 300,000 Haitians are left homeless. The extent of this destruction has severely strained the already meager resources of the government, law enforcement authorities, and the United Nations forces in Haiti.

Haiti especially has suffered. Just yesterday, the Washington Post reported the heartwrenching story of Monise Alsenor, a Haitian mother, two of whose children are missing after water tore through her house and swept her family away. She could not reach her children as they yelled "save me!" in Creole. She and her husband spent the night holding onto a tree while the water tugged at them and the tree thorns ripped off
