HONORING THE GREEN VALLEYS
ASSOCIATION

HON. JIM GERLACH

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. GERLACH. Mr. Speaker, I rise today to honor the Green Valleys Association on the occasion of their 40th Anniversary. For forty years, the Green Valleys Association has been working diligently to protect the watersheds and ecosystems in northern Chester County, Pennsylvania.

The Green Valleys Association was founded in 1964 by landowners who were threatened by the proposed damming of the French Creek in Chester County. The proposed damming would have transformed the area into a reservoir, so the landowners took a stand and created a formidable defense against the dam—a group called the French Creek Watershed Association. This spirit and drive has been, and still is, a part of all who work within the Association, now known as Green Valleys Association. Six years later, in 1972, the Association expanded to oversee all five of the northern and eastern Chester County's Schuylkill River watersheds. This area includes Pigeon Creek, Stony Run, Pickering Creek, French Creek, and Valley Creek. The region covered by the Association is largely rural and more than 70 percent of the population who live there depend on the activism of the Green Valleys Association to help protect their water resources. Today, the Association's activity spreads throughout 21 municipalities and over 155 square miles. The Green Valleys Association is unique in its work and purpose as it is the only watershed association in northern Chester County.

Throughout the past forty years, the Association has worked to protect the natural resources in northern Chester County by helping to limit the Warner Quarry expansion, protecting Valley Creek and by achieving "Exceptional Value" status for the upper French Creek. In fact, all of the watersheds under Green Valleys Association's oversight have been designated either "High Quality" or "Exceptional Value." Exceptional Value is the highest protective designation offered by the Commonwealth of Pennsylvania.

The Green Valleys Association has also taken on the task of educating the public on resources and the environment. They provide the community with information on environmental laws; organize meetings on water resources, effective land-use planning and wildlife resources; and bring the community together for local participation in stream watches. They also provide summer camps and school programs for students introducing them to important environmental concerns. The Green Valleys Association has also developed

the Sustainable Watershed Management program to be utilized as a tool for local municipalities to incorporate in regulations of water use.

Mr. Speaker, I ask that my colleagues join me today in honoring Green Valleys Association's role as an educator and a protector of the watersheds of northern Chester County, Pennsylvania. They have done tremendous work, and for that, they should be commended.

CELEBRATING TAIWAN'S
NATIONAL DAY—OCTOBER 10

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. DAVIS of Illinois. Mr. Speaker, as the Republic of China (Taiwan) gets ready to celebrate its National Day this October 10, I join my colleagues in sending my best wishes and congratulations to Taiwan President Chen Shui-bian and the Taiwanese people on this happy occasion.

In recent years Taiwan has continued to press forward with democratic reforms and economic development. We wish Taiwan continued success as a democracy and economic power and an early return to the World Health Organization.

The United States maintains a strong relationship with Taiwan. We appreciate Taiwan's continuing commitment to combating global terrorism and we are committed to help Taiwan find peaceful solutions to any and all external challenges it may face. I am sure that this strong relationship with Taiwan will grow and flourish in the years to come.

I commend President Chen Shui-bian for his commitment to a policy of mutual respect and dialog with China. I share his view that such a stance is the only reliable foundation for long-term peace and stability for the people and later generations on both sides of the Taiwan Strait. We all hope that peace and stability will forever prevail in the Taiwan Strait.

Greetings and congratulations, President Chen, to the people of Taiwan on your National Day.

PAYING TRIBUTE TO BRYAN HESS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Mr. McINNIS. Mr. Speaker, I rise today to pay tribute to Bryan Hess, a dedicated man-

ager of Emergency Medical Services at the Gunnison Valley Hospital in Colorado. Bryan was recently awarded the Rural Healthcare Excellence Award by the Colorado Rural Health Center for his tireless efforts in the Gunnison community. It is my privilege to stand before this body of Congress and this Nation today to recognize Bryan receiving this well-deserved award.

Bryan began his medical career at the young age of sixteen as an Emergency Medical Technician in rural Pennsylvania. He currently serves as the manager of Emergency Medical Services at Gunnison Valley Hospital, as well as the Director and Coordinator of the local EMS training center. Through his leadership, several new technological innovations have been implemented for the services the organizations provide. These include the Life Pack 12 monitors that give an electrical representation of a patient's heart, and automated external defibrillators which aide first responders in procedures at the scene of an accident. One of the most important changes implemented by Bryan is a rigorous training program for the Gunnison Volunteer Fire Department and local search and rescue teams. The hard work and dedication of Bryan and his crew has paid off in providing excellent personal patient care in very stressful situations.

Mr. Speaker, Bryan Hess is a strong, dedicated individual who devotes his time to helping those in need. His work as a paramedic and director of Emergency Medical Services has taken him away from friends and family, often putting him in harm's way. It is my honor to stand here before this body and recognize the efforts of such a selfless and benevolent man. Congratulations on your award Bryan, and I wish you all the best in your future endeavors.

RECOGNIZING THE FARMWORKER HOUSING DEVELOPMENT CORPORATION

HON. DARLENE HOOLEY

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2004

Ms. HOOLEY of Oregon. Mr. Speaker, I rise today to honor Roberto Franco, who is stepping down as director of the Farmworker Housing Development Corporation, FHDC, after years of effective service to Oregon's farmworker community.

FHDC is a non-profit community-based organization that was founded in 1990 to help serve farm workers in Oregon's Mid-Willamette Valley by developing affordable housing for workers and their families. Despite many hurdles, under Mr. Franco's leadership at FHDC has been very successful in achieving its mission and now provides housing for over 100 families. The group's major complex, Nuevo Amenecer or "New Dawn," gives 93 families who otherwise might not have acceptable living quarters an opportunity to live in clean, decent, and dignified housing.

But FHDC has done more than put a roof over the head of those it serves. Mr. Franco led a successful effort to create the Cipriano Ferrel Education Center, a multipurpose community facility that serves the needs of Nuevo Amenecer residents and others in the community. With the opening of the center last year,

FHDC has begun offering opportunities for self-enhancement to those who wish to get ahead. Earlier this year I visited Cipriano Ferrel to address a group working to improve financial literacy and homeownership opportunities for Oregon's Latino community.

Cipriano Ferrel includes a Head Start program, child care, and a computer lab that provides opportunities for both young and old alike to learn technology skills that will help them get ahead. In addition, Cipriano Ferrel provides adult educational programs, including literacy and language classes, homeownership education, preparation for becoming a U.S. citizen, and a microenterprise program that helps people start their own businesses. A recently announced grant by Microsoft to upgrade the computer lab will provide software and help fund an instructor, thus offering even more opportunities for Nuevo Amenecer residents and members of the community.

I want to thank Roberto Franco and the Farmworker Housing Development Corporation for their work in offering low-income farm workers additional opportunities. Thanks to you, hundreds of families truly have experienced a New Dawn.
