TRIBUTE TO JOHN H. WATSON, INDUCTEE TO ALABAMA BUSINESS HALL OF FAME

HON. TERRY EVERETT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. EVERETT. Mr. Speaker, I rise to shine the spotlight on an exemplary Alabamian and resident of the Second Congressional District, Mr. John H. Watson of Dothan, who is being inducted into the Alabama Business Hall of Fame October 7th.

John Watson is well known in the Wiregrass of Southeast Alabama where his name is synonymous with hard work and business success. His life reads like a classic American success story. He started early his tradition of entrepreneurship by delivering ice and performing carpentry while still in grade school in the 1950's.

John was the first person in his family to attend college. He turned down a scholarship at the University of Alabama in order to avail himself of the superior engineering program at rival Auburn University. He graduated in 1960 with a degree in engineering, putting it to work almost immediately for Uncle Sam as a member of the U.S. Army Corps of Engineers. He proudly served as a second lieutenant in 1961 and 1962 during the Berlin Crisis.

John returned to Dothan and civilian life with his wife, Gail, to set up their home. John quickly made a name for himself as self-starter by joining the staff of Smith's Incorporated of Dothan—the largest mechanical contracting firm in the area. As an engineer, John did what he always did by putting 200 percent into his work. Within four years, he became presi-

dent of the company at the age of 28. Soon after, he and two fellow employees bought the company.

This success would crown many people's business careers, but not John's. He was just getting started. First, he continued to build and expand Smith's, Inc. to weather future market trends. He then labored to help build a number of other substantial firms including Engineered Systems, Inc., Higgins Electric, Inc., Aladan, Inc., USA Yeast, Inc., South Alabama Brick Company; Southeastern Commercial Financial, LLC, and Twitchell, Inc. He also serves on the board of directors of Regional Financial Corporation.

John's ability to lead is not limited to the business area as he was called to serve as a past member and Chairman of the Alabama Ethics Commission in addition to his many Southeast Alabama volunteer efforts.

I congratulate John in his induction and wish him the very best as he continues to create jobs, serve our community, and inspire future business leaders.

HONORING GLORIA VOUTOS, TEXAS 2005 ELEMENTARY TEACHER OF THE YEAR

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. SESSIONS. Mr. Speaker, I join my fellow Lone Star State colleagues in congratulating Gloria Voutos of the Richardson Independent School District's (RISD) Spring Valley Elementary School. I am proud to represent Spring Valley Elementary School in the 32nd Congressional District of Texas.

Gloria Voutos was just recently named the Texas Elementary Teacher of the Year for 2005 by the Texas Education Agency. This award is a high distinction for Gloria, as more than 228,000 teachers in Texas are eligible to be chosen for this honor.

Gloria is a proud veteran of the U.S. Air Force, and after serving her country in uniform, she decided to further serve her local community by becoming a teacher. She completed her teacher preparation program at Southern Methodist University that I am also proud to represent. She has pursued a career of being a bilingual instructional specialist, and constantly wins high praise from her colleagues and students.

This is the second consecutive year that the RISD has produced a teacher that has been named a finalist for this year, and I am very delighted that this year Richardson was able to be the home for the winner. I wish Gloria all the best for her continued teaching excellence with the children of the Richardson ISD.

LAMENTING THE LOSS OF LIEUTENANT COMMANDER SCOTT ZELLEM

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. SHUSTER. Mr. Speaker, I rise today to lament the loss of a great American hero and

Naval Officer, Lieutenant Commander Scott Zellem. The people of Indiana County and this country lost a dedicated and faithful sailor when a naval training mission turned tragic on August 10th. Scott was laid to rest at Arlington Cemetery on September 7, 2004 with full military honors and after living a life of distinguished service to this great nation.

Founded upon the ideals of liberty and democracy, America is a country unlike any other. As Americans, we cherish freedom and strive for progress with every opportunity. Our men and women of the United States Military are dedicated to this cause and are respected and honored for their service.

Our troops stand resolved to protect our families and our children from danger and attack. To these American military heroes, it is understood that we must do everything possible to win the war against terrorism and keep Americans safe at home.

Scott Zellem was one of the men to which we owe our safety and freedom. His life is one that will be remembered with great admiration and respect. Tonight, October 8, 2004, Scott's high school graduating class of 1987 will join with family, friends, and the community of Indiana County to pay tribute and thank Scott Zellem for his service. Scott answered the call to duty, and for his service, we are a grateful nation. His sacrifice, and the sacrifice of thousands who have fallen before him, will not be forgotten.

TRIBUTE TO BOB WOLFE

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. SKELTON. Mr. Speaker, it has come to my attention that a long and exceptionally distinguished career has come to an end. Mr. Bob Wolfe, of Sedalia, Missouri, has retired from his position as president of the Sedalia office of Septagon Construction Company.

Mr. Wolfe was born on August 12, 1943, in Cleveland, Ohio. After graduating from Charles F. Brush High School, he attended Iowa State University on a full football scholarship. He graduated in 1965 with a degree in Business Administration.

In 1975, Mr. Wolfe began working at a company called Temple Callison, and in 1977, Mr. Wolfe and his business associate, Tom Davis, bought Temple Callison. At the time, the Temple Callison Company generated 3 million dollars in revenue. In 1982, Mr. Davis and Mr. Wolfe turned the Callison Company into the Septagon Construction Company. The company currently has 5 locations in two states and generates over 100 million dollars. Mr. Wolfe believes in strong principles and values that have helped his business continue to be successful for so many years. He believed that the company had to be a part of the community, and the company needed to be a family of customers and employees for the company to survive and flourish. Mr. Wolfe was president of the entire Septagon Construction Company until 1998, at which time he became president of the company's Sedalia Office.

In addition to his accomplished business career, Mr. Wolfe has been very involved in his community. He has served as a board member, campaign chairman and president of the

Sedalia Pettis County United Way. Also, he was a board member, officer and founder of the Ditzfeld Foundation for recovering alcoholics. He has been a member and chairman of the Central Missouri State University College of Business and Economics Advisory Board and has served as a member of the Iowa State University College of Business Advisory Board. He is a member of St. Paul's Lutheran Church, and he has been president of the congregation for three terms.

Mr. Speaker, I know the Members of the House will join me in paying tribute to Mr. Bob Wolfe for his outstanding career and dedication to his community and in wishing him all the best as he enters the next stage of his life with his wife Claudia and his children, Erika and Aaron.

COMPREHENSIVE PEACE IN SUDAN ACT

SPEECH OF

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 6, 2004

Mr. WOLF. Mr. Speaker, I rise in strong support of H.R. 5061 and urge all members to vote for this important legislation.

I would like to thank Representative TOM TANCREDI for introducing this important legislation. I would also like to thank Chairman HYDE and Congressman LANTOS and their staffs for moving this legislation swiftly through committee.

This legislation could not be more timely. Stories and pictures of horrific abuse and suffering in the Darfur region of Sudan are now on our nightly news. Newspapers are running daily stories. I visited Sudan in July and witnessed with my own eyes the horrific conditions.

The world has now awakened to this nightmare and we must do everything in our power to try to stop it.

We must not forget that the conflict in Darfur has been occurring for the last year and a half but that there also has been an ongoing war for the last 20 years between the Government of Sudan and the mostly Christian South.

Millions of lives have been lost. Millions more are shattered and scarred forever.

Sudan has suffered from war crimes and unspeakable human rights abuses. One country, one group of people, should not have to endure so much suffering.

Sudan is not alone. Africa has seen enormous suffering this past decade from the butchery that took place in Sierra Leone to the genocide in Rwanda. We must learn from the past, learn from the mistakes of our own inaction, and mobilize to try to save lives.

Some 50,000 people are already dead in Darfur and more than a million more are at risk. The world must act now.

The United States took a bold move under the leadership of Secretary of State Powell by calling what is occurring in Sudan what it is—a genocide. Unfortunately the international community has been slow to respond.

H.R. 5061 is based on the fact that genocide is now occurring in Darfur and that the Government of Sudan is complicit in this genocide. Significant pressure must be placed on the Government of Sudan to both end the

genocide and finalize a comprehensive peace agreement with the South.

Only then will the innocent civilians, who have suffered for so long, be able to begin rebuilding their lives.

This bill immediately imposes sanctions on the Government of Sudan. I think this is sound policy. We are dealing with a government that is committing genocide against its own people, therefore we need to use every possible tool to apply pressure so that it will stop.

H.R. 5061 also outlines multilateral actions to press U.N. countries to apply additional pressure on Sudan, and most importantly provides much-needed humanitarian aid to Darfur and humanitarian and development aid to alleviate suffering in the South.

We are beyond the point of merely warning the Government of Sudan with punitive measures. We must now take action.

The world is watching and rogue regimes in other nations who have the ability to do this to their own people are watching how we respond. Our response to genocide must be firm.

The world will look back on Darfur in 10 years and know that the United States stood firm and the United States stood with the people of Darfur.

I call on every member of Congress to vote in favor of this important legislation. We must send a strong message to the Government of Sudan that the United States will not sit by while they commit genocide.

HONORING ALL THOSE SERVING NORTHWEST FLORIDA IN THE AFTERMATH OF HURRICANE IVAN

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. MILLER of Florida. Mr. Speaker, I rise today to honor the organizations, businesses, and people who helped the residents of Northwest Florida get back on their feet during Hurricane Ivan's aftermath.

The panhandle of Florida was dealt a difficult hand, as Ivan left no life untouched. Undoubtedly once again, Northwest Floridians have proven their strength during times of devastating destruction and loss.

Returning to our homes to assess the damage, we were reassured that we were not alone and help was on the way. Gulf Power, Escambia River Electric Cooperative, local radio stations and newspapers, the Red Cross, FEMA, Army Corps of Engineers, and the Small Business Administration assisted almost everyone in the community in a variety of ways; from supplying ice, water, and food, to emotional support, the spread of information and monetary funds in the effort to help rebuild. Thanks to these folks, I'm happy to report that the lights are coming back on, bridges are mended, roofs are tarped, businesses are reopening, and naval aviators are training.

As for the Panhandle's future, it's not the character of Northwest Floridians to give up hope. Our communities will continue to unite together, and rebuild our homes and businesses better and stronger. Our military infrastructure will rebuild and Pensacola will re-

main the Cradle of Naval Aviation. There is no other place in the world like the panhandle of Florida and the residents there recognize that there is no better place to rebuild their lives.

Mr. Speaker, I offer my sincere thanks to all those, near and far, who have given comfort and have helped the residents of Florida's panhandle rebuild their lives.

CONGRATULATIONS TO TEXAS INSTRUMENTS WORKING MOTHER MAGAZINE'S TOP PLACES TO WORK

HON. SAM JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 2004

Mr. SAM JOHNSON of Texas. Mr. Speaker, congratulations are in order for Texas Instruments. For the Ninth Year in a Row—Working Mother magazine has named Texas Instruments a best place to work.

It's an honor to represent the numerous employees at Texas Instruments who helped make this achievement possible.

Some would consider Texas Instruments a trailblazer in the workplace when it comes to family issues. That's because they are.

In the early 1990's, a small team of employees concerned about work and family issues created the Texas Instruments Work/Life Strategy; an endeavor that has helped shape the company's culture through changing times with outstanding results.

TI champions talented and ambitious women throughout the organization. TI has a number of very active Women's Initiatives that offer a range of speakers and programs to help women achieve their full potential in their careers at TI. Since 1989 representation of women in management job grades has increased over 450 percent.

New mothers receive eight weeks of paid maternity leave at TI, and they have a built-in support network when they return to the job. TI employees can find help and advice with work and personal issues through the LifeWorks resource and referral service. And a Corporate Concierge service can help with everything from party planning, to locating hard-to-find gifts.

TI employees receive discounts at child care centers and have access to back-up care and care for sick children.

TI offers a flexible work environment allowing employees the opportunity to effectively manage their work/life challenges.

Is it any wonder that Texas Instruments is recognized globally as a great place to work—by employees and third parties alike? Congratulations, and I salute all the people at TI who helped make this accomplishment a reality.
