

daughters with priority in their respective immigration categories. I urge its passage.

Two other bills I have introduced also would correct deficiencies in our immigration system which impact Filipino-Americans disproportionately. H.R. 3306, The Compassionate Visitor Visa Act, would facilitate the temporary admission of nonimmigrant aliens in circumstances of family emergency of U.S. citizens or permanent residents. H.R. 4018, introduced yesterday, would ensure that family members who have petitioned to immigrate into the United States are not penalized as a result of an award of citizenship to a sponsoring parent or spouse.

Both bills recognize the basic concept that our country can ensure our national security, while providing flexibility for immigrants from certain countries that have longstanding close relationships with our country. The Philippines is certainly very high on that list.

In summary, Mr. Speaker, both Filipino veterans and our larger Filipino-American community have contributed immensely to our country, and I believe that the best is yet to come. On this Filipino Veterans Action Day, let us recognize that we do what is right for both the past and the future by acknowledging their contributions and committing ourselves to the unfinished business at hand.

Mahalo!

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference.
