HONORING THE 14TH ANNUAL DC BLACK PRIDE CELEBRATION

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2004

Ms. NORTON. Mr. Speaker, this Memorial Day Weekend, May 28–31, is the 14th Annual DC Black Pride celebration in Washington, DC.

DC Black Pride is an exciting 4-day event complete with dynamic workshops, receptions, cultural arts activities, small and large nightclub events culminating with the world's largest Black Pride Festival at Washington, DC's new state-of-the-art Convention Center. It is considered one of the preeminent Black Pride celebrations in the world consistently drawing 30,000 people to the Nation's capital. Attendees come from every major urban area in the United States as well as from Canada, Great Britain, France, Germany, the Netherlands, the Caribbean and South Africa. The Black Pride Festival features activities for the entire family including a performance by national recording artist, Kelly Price, 200 exhibition booths, book signings from noted writers, participation from national and local health organizations, and arts and crafts.

This year's DC Black Pride theme is, "Honoring Our Sheroes and Heroes," to remember and honor African-American/Black—women and men, LGBT and straight, dead and alive, those who are famous and those who are known only to a few who have shown strength of character in order to make a difference in the lives of our people and our Nation.

The event is coordinated by Black Lesbian and Gay Pride Day, Inc (BLGPD), a nonprofit organization with a volunteer Board of Directors: Earlene Budd, Member-At-Large; Sterling A. Washington, Member-At-Large; Clarence J. Fluker, Secretary; Robert Jones, Vice President; Eric E. Richardson, Member-At-Large; B. Roland Edwards, Member-At-Large; Cheryl Dunn, Treasurer; Rayceen Pendavis, Member-At-Large; Toni Collins, Member-At-Large; Shanika Whitehurst, Member-At-Large; and Earl D. Fowlkes, Jr., President. BLGPD's mission is to build awareness of and pride in the diversity of the Black lesbian, gay, bisexual and transgendered community as well as to create a funding source and support organizations that are addressing HIV/AIDS and other health issues adversely affecting our community.

I ask the House to join me in welcoming all attending the 14th Annual DC Black Pride celebration in Washington, DC, and I take this opportunity to remind the attendees that United States Citizens who reside in Washington, DC are taxed without full voting representation in Congress.

HONORING DR. BRADLEY E. HABERMEHL

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2004

Mr. KILDEE. Mr. Speaker, I rise before you today on behalf of the Rotary Club of Burton, Michigan to honor my good friend and constituent Dr. Bradley E. Habermehl. Dr. Habermehl has unselfishly donated his time and medical expertise to educating the underserved on maintaining good eye health. On Thursday, April 22, 2004, the Burton Rotary Club during their monthly meeting will present Dr. Habermehl with the prestigious Jack Hamady Good Scout award for outstanding community service.

Dr. Habermehl was born and raised in Burton, Michigan. He graduated in 1981 from Bentley High School. He attended Ferris State University, after which he enrolled in the Illinois College of Optometry. Upon graduation in 1988 he joined the private group of Dr. Thomas Pardee and Dr. David Visser, where he began his primary eye care practice. His practice has flourished into one of the most well known, and accomplished eye care practices in Genesee County. On June 27, 1988, he became a member of the Burton Rotary Club, and in 1990 he served as President of the Club. Dr. Habermehl made history in 1996, when he became the youngest Optometrist to be appointed to the State Board of Examiners of Optometry. He currently holds the position of Chairman of the Board until his term expires in June of 2004. Dr. Habermehl shares his knowledge of maintaining excellent eye health to not only the residents of Genesee County, but to the underserved populace around the world. In 2001, he was appointed Chairman of the Burton Rotary Club's Avoidable Blindness Committee, and as a result has led a team of doctors, VOSH volunteers, and Rotarians to Mexico for the past four years to dispense used eyeglasses. This effort has led to the giving of corrected vision to over 10,000 Mexican citizens. Dr. Habermehl is also actively involved with the Michigan Optometric and the American Optometric Association. He is the Director of the Flint Sensory Learning Center, which is devoted to aiding children and adults with developmental delays. Dr. Habermehl has received numerous accolades for work, but one that is most worthy of mentioning for this occasion is the "Rotarian of Year" award, which he has been awarded three times by the Burton Rotary Club. Dr. Habermehl credits the love and support of his devoted wife Cindy and his two children, Chad and Kylee to his success.

Mr. Speaker, as a Member of Congress, I ask my colleagues in the 108th Congress to please join me in congratulating a humanitarian, and my good friend Dr. Bradley E. Habermehl.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2004

Mr. RADANOVICH. Mr. Speaker, I rise today to honor and congratulate Doug Harrison upon his retirement after 33 years of service to the Fresno Metropolitan Flood Control District. A reception will be held in his honor on April 15th in Fresno, California.

Doug has achieved numerous accomplishments and has been involved in many noteworthy projects. Mr. Harrison has spoken nationally on urban storm water and flood control issues, including frequent testimony before the United States Congress and the California State Legislature. He has published numerous articles and was a contributing author for a national water resources policy white paper developed by the National Water Alliance for the George Bush administration. Doug's work in urban runoff quality research was recognized by the American Waterworks Association as the best water resources research effort of 1988. The State Water Resource Control Board acknowledged Mr. Harrison for Federal Clean Water Act program assistance, and was subsequently named by the American Public Works Association as one of the Top Ten Public Works Leaders in the nation in 1993.

Mr. Harrison has received various awards and recognitions. He was named Manager of the Year by the California Special Districts Association, and later given the 2002 Excellence in Water Leadership Award by the Association of California Water Agencies. CONGRATULATING MRS. BERNICE MOUNIA

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2004

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and honor that I congratulate Mrs. Bernice Mounia on her momentous 80th birthday that she will be celebrating on April 19, 2004. Bernice has spent the past 80 years of her long and distinguished life caring for her family and her community in Gary, IN. Her presence in Northwest Indiana has allowed her the opportunity to touch the lives of many people.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

Bernice was born on April 19, 1924, and subsequently moved to Gary, IN from Alabama in 1944 with her loving husband, Webster Mounia. After moving to Gary, IN, Bernice and Webster were blessed with the births of their 10 wonderful children. Her children, as well as people whose lives are touched by Bernice, admire her for devoting unselfish love, time, dedication, guidance, and spirit to her family, church, and friends.

As we'll as being dearly loved and respected by her family and community, Bernice was also well known for her ingenuity and prudence. Bernice currently resides in the same house at 2700 Jefferson Street that she and her husband built 48 years ago. She displayed ingenuity in constructing insulation out of dryer lint to plug cracks around windows and doors. Along with her many other accomplishments in her community, Bernice was also a pioneer in the practice of recycling. Due to her resourcefulness, Bernice invented ways in recycling aluminum, bread bags, cloths, jars, food, soap, wax paper, and cans of grease that were left over from her gourmet cooking.

Gourmet cooking on a frugal budget was definitely one of Bernice's fortes. Bernice made sure no one in her family went without a first class meal to eat. As well as providing the best meals available for her children, Bernice also wanted the best upbringing for her children. By providing unwavering guidance to her children, she instilled in them the morals and fortitude that have molded her children into successful adults who are raising families of their own.

Mr. Speaker, Bernice Mounia has given her time and efforts selflessly to the people of Northwest Indiana throughout her long and illustrious life. She has taught every member of her family and extended family the true meaning of service to all people in the community. I respectfully ask that you and my other distinguished colleagues join me in congratulating Mrs. Bernice Mounia for her outstanding contributions to Indiana's First Congressional District. I am proud to commend Bernice for her lifetime of service and dedication.

**GAY AND LESBIAN ACTIVISTS ALLIANCE OF WASHINGTON, DC,
33RD ANNIVERSARY RECEPTION
HONORING DISTINGUISHED
SERVICE AWARD RECIPIENTS**

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 20, 2004

Ms. NORTON. Mr. Speaker, I rise today to recognize a Washington, DC institution that has been in the forefront of the lesbian, gay, bisexual, and transgendered civil rights movement, and that I have the distinct honor and pleasure of representing in this body: the Gay and Lesbian Activists Alliance of Washington, D.C. (GLAA), the oldest continuously active gay and lesbian rights organization in the United States.

Since its founding in April 1971, GLAA has been a respected and persistent advocate in District politics tirelessly asserting equal rights and social equality for lesbians and gay men living in the city through peaceful participation in the political process.

GLAA has long fought to improve relations among the District's gay, lesbian, bisexual,

and transgendered communities and the D.C. Government. GLAA has taken the lead in advocating better training for the D.C. Metropolitan Police Department and Fire and Emergency Medical Service employees. GLAA persuaded the D.C. Public Schools to implement and enforce an effective, antiharassment policy established to protect all students. GLAA advocated effective public health strategies in the fight against AIDS. GLAA fought to insure that treatments and medicine are available to those in need and that the District's spending on HIV/AIDS services be both open and transparent.

GLAA also has long been at the forefront of the efforts to strengthen enforcement of the D.C. Human Rights Act of 1977 by demanding all antidiscrimination policy statements in the D.C. Government reflect the full range of classes protected by that law.

On April 20, GLAA held its 33rd Anniversary Reception honoring the 2004 recipients of its Distinguished Service Awards: Sarah Kellogg, Deacon MacCubbin, The Mautner Project, Cheryl Spector, and Nadine Chandler Wilburn.

Sarah Kellogg is a director of D.C.'s Reel Affirmations film festival and a member of the board of its parent organization, One In Ten.

For 35 years Deacon MacCubbin has been a model community activist and business leader. He created the first D.C. Gay Pride celebration, the gay switchboard, the first D.C. gay youth support group, and his bookstore, Lambda Rising, serves as a de facto community center.

Since its founding in 1990, the Mautner Project has been the only national organization dedicated to lesbians with cancer, their partners and caregivers. Its mission is to improve the health and well-being of lesbians and their families by: delivering services and support to lesbians with cancer, their families and caregivers; educating lesbians about important health issues; educating healthcare providers about the needs and concerns of their lesbian clients; and promoting lesbian health through research, advocacy, and activism.

For over two decades Cheryl Spector has been a community activist. She has documented gay and lesbian life in Washington with her still and video photography.

Nadine Chandler Wilburn who performed excellent service to the LGBT community while she was interim director of the D.C. Office of Human Rights from 2002–2003.

GLAA's thirty-three year fight to secure equal rights for the LGBT citizens of Washington, D.C. is more poignant as United States Citizens living in our nation's capital, who have fought in every American war, including the present war in Iraq, are taxed without representation. Furthermore, GLAA's open and forthright advocacy for rights reminds us that LGBT soldiers, who have sworn to protect our country with their lives, must serve in silence, without the open support of their chosen families and communities, neither asking nor telling.

I ask the House to join me in congratulating the Gay and Lesbian Activists Alliance and its honorees.

Hall of Honor inductee Jim Corbin although no longer a resident of Mt. Morris still finds time to Give back to the community. He does so by donating his D.J. services to Mt. Morris local events, including the 125th August festival. Jim has been a Mt. Morris volunteer for 15 years. Hall of Honor inductee Fredrick J. Shannon has been a Mt. Morris area volunteer for 30 years. He donates his time and resources at the scene of accidents, fires and natural disasters by video taping, and photographing the efforts of rescue workers for documentation and training purposes.
