## BREAST CANCER STAMP EXTENSION

SPEECH OF

**HON. LYNN C. WOOLSEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 27, 2004*

Ms. WOOLSEY. Mr. Speaker, I rise today in support of H.R. 1385, which continues the authorization of the breast cancer research stamp. This stamp has been just one small part of a comprehensive federal effort to combat this horrible disease, and I am pleased that it will continue. It's strange to think that a postage stamp has the ability to save lives, but the breast cancer stamp truly has such potential. With the continuation of this stamp, people around the country will have the opportunity to support research programs at the National Institute of Health and the Department of Defense. These research efforts are playing a critical role in understanding breast cancer, identifying who is at risk, and creating safer and more effective treatments that allow more people to survive and prosper after fighting this disease.

Perhaps no one understands the tragedy of breast cancer more than the people of Marin County in my Congressional district. For some reason, Marin has an unusually high rate of breast cancer. Far too many mothers, wives, sisters, and daughters have been lost in our community. We're doing all that we can to find out what is happening in Marin and what we discover will be used to fight breast cancer all over this country. In the face of so much community tragedy and loss, I have had the honor of working with breast cancer survivors and advocates in my community to help understand the causes of this epidemic and support those who are battling cancer. Watching their struggle has underscored the importance of federal efforts just like the creation and extension of the breast cancer stamp. By allowing Americans to give just a little bit every time they mail a card or a letter, we can help fund the research that will save the lives of our daughters and granddaughters.

I urge my colleagues to join me in supporting H.R. 1385 to help continue the fight against breast cancer.

HONORING MR. DALE BUTLER, JR.

### HON. DENNIS A. CARDOZA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 28, 2004*

Mr. CARDOZA. Mr. Speaker, I rise today to honor a great friend to the 18th Congressional District, the State of California, and our Nation, Mr. Dale Butler, Jr. Dale is retiring from his 33-year tenure with Stanislaus County, and he is a living example of how the American dream is alive and well today.

Dale was raised on the Westside of Stanislaus County, a predominantly agricultural area in the San Joaquin Valley. His first job as a migrant farm worker gave him a work ethic that has followed Dale his entire life. The first major leadership role Dale took on was serving our nation in the U.S. Navy as a personnel specialist from 1962 to 1966. He then took his leadership abilities to the Riverbank Army Ammunition Plant as a production control scheduler. In 1971, Dale graduated from California State Stanislaus with a bachelor of arts degree in political science.

Following graduation, Dale began his career with Stanislaus County. From 1971 to 1999, Dale held a variety of administrative and management positions with the county. He has been involved in budgets, legislation analysis, recruitment selection, discipline, labor relations, training, and Equal Rights. He has held positions as a Principal Analyst, Senior Management Consultant in the Chief Executive Office, and Senior Personnel Analyst. He has also served Stanislaus County as the Equal Rights Officer from 1972 to 2001. Currently, he serves in the Stanislaus County Chief Executive Office as the Deputy Executive Officer, overseeing purchasing, central services, and fleet services divisions.

Not only has Dale served our Nation, but he has a deep commitment to the betterment of our Central Valley as well. Currently, he is the president of the Stanislaus County Fair Board, a member of the Stanislaus County Latino Community Round Table, the Stanislaus County Hispanic Leadership Council, the Mabuhay Club, and the Modesto Bee's Hispanic Advisory Council. Dale has also founded a number of organizations such as the Stanislaus County Latino Community Round Table, El Concilio de Stanislaus County for the Spanish-Speaking, Inc., and the Stanislaus County Disability Resources Agency for Independent Living. There have been a number of honors bestowed upon Dale such as, the Stanislaus County Latino Community Round Table's Outstanding Latino of the Year, the California Association of Physically Handicapped's Humanitarian of the Year, the American GI Forum's Hispanic of the Year, and the Volunteer of the Year from the Hispanic Chamber of Commerce.

Dale is married to Corazon Butler, and together they have three children, Christine, Diana, and Dale III. I am proud to recognize all of Dale's accomplishments, and to call him my friend. Today I call upon my colleagues to help me thank Dale for his service to the Central Valley, and to wish him a very happy retirement.

CLARIFICATION OF CONGRES-  
SIONAL INTENT OF SECTION  
102(g) OF DIVISION H IN H.R. 2673

### HON. WILLIAM M. THOMAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 28, 2004*

Mr. THOMAS. Mr. Speaker, I rise to clarify the Congressional intent of Section 102(g) of Division H, Miscellaneous Appropriations and Offsets, in H.R. 2673, the Consolidated Appropriations Act, 2004.

Specifically, after discussing this Section with my colleague, Mr. GOODLATTE of Virginia, it is my understanding that it is the Congressional intent of that provision to also provide assistance to those producers who sustained eligible losses in the wildfire, known as the McNally Fire, which occurred in southern California in 2002.

I am pleased that this is indeed the Congressional intent of Section 102(g) because, as in the case of the 2003 southern California wildfires, while human action contributed to the genesis of the McNally Fire, the underlying natural conditions were such that it quickly became a natural disaster of enormous proportions and intensity. Among those underlying natural conditions were the weather, specifically drought conditions, and a buildup of undergrowth, dead or dying trees, and brush.

From my discussions with the Gentleman from Virginia, it is my further understanding that Section 102(g) is intended to provide assistance to those producers in the same manner as authorized in the underlying act cited in Section 102(g), Division H of the Conference Report to H.R. 2673, and specifically using the same loss thresholds as provided in that underlying act. The Congressional intent also is to ensure that the Secretary of Agriculture has the flexibility to make payments in a manner that quickly facilitates receipt of this assistance by eligible persons.

I appreciate the assistance rendered by the Gentleman from Virginia in this matter.
