

partisans, and reasonable people on both sides of the abortion issue, can agree that we have been reminded of the precious nature of human life and that we ought to work to reduce the number of abortions in America."

**SHARON HABERSKI HONORED AS  
THE PULASKI COUNCIL 2004 POLISH  
HERITAGE AWARD RECIPIENT**

**HON. GERALD D. KLECZKA**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. KLECZKA. Mr. Speaker, it is a pleasure for me to take this opportunity to recognize the special volunteer work of Sharon Haberski who has devoted much of her life to the important task of preserving Polish traditions, heritage and culture throughout the United States and in her hometown of Milwaukee.

Sharon has tirelessly given of her time and talents to the Polish American Community for almost 30 years. Her efforts have resulted in countless examples of Polish culture, arts, including dance, and events flourishing in communities across the country. With her boundless energy and enthusiasm Sharon plays a major role in ensuring the continuity of Polish culture by serving as the Director of the Polish Roman Catholic Union of America, a director of the Polish American Congress, a board member of the Polish Heritage Alliance, Inc. and President of the Pulaski Council.

Inspiration for much of Sharon's volunteer work has come from her father John, who told her stories about his homeland Poland and her father-in-law Stephen Haberski, Sr., who made her aware of the work of the Polish Roman Catholic Union of America and who was her favorite polka partner. Sharon married her childhood sweetheart Stephen Haberski in 1963 and attributes his encouragement, understanding and the support of her efforts as a primary reason for her successfully accomplishing her volunteer work. The Haberskis have two daughters and Sharon is the proud "Babcia" of four grandsons.

Sharon Haberski has a personal motto which is: "All is activity, and all activity is towards building, loving, caring and sharing Polish culture, heritage, history and fraternalism in our community."

Congratulations to Sharon on receiving the Pulaski Council 2004 Polish Heritage Award, which she so richly deserves and continued success in her activities on behalf of Poles throughout the United States.

**IMPORTANT AND ESSENTIAL ROLE  
OF ONCOLOGY NURSES**

**HON. STEPHANIE TUBBS JONES**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mrs. JONES of Ohio. Mr. Speaker, I rise today to bring to the attention of my colleagues the important and essential role that oncology nurses play in the care of patients diagnosed with cancer. As anyone ever treated for cancer will tell you, oncology nurses are intelligent, well-trained, highly skilled, kind-hearted angels who provide quality clinical,

psychosocial, and supportive care to patients and their families. In short, they are integral to our Nation's cancer care delivery system.

Cancer is a complex, multifaceted, and chronic disease, and people with cancer are best served by a multidisciplinary health care team specialized in oncology care, including nurses who are certified in that specialty. This year alone 1.3 million Americans will hear the words "You have cancer." In addition, 556,500 will lose their battle with this terrible disease. Everyday, oncology nurses see the pain and suffering caused by cancer and understand the physical, emotional, and financial challenges that people with cancer face throughout their diagnosis and treatment. Oncology nurses play a central role in the provision of quality cancer care as they are principally involved in the administration and monitoring of chemotherapy and the associated side-effects patients may experience.

The Oncology Nursing Society (ONS) is the largest organization of oncology health professionals in the world with more than 30,000 registered nurses and other health care professionals. Since 1975, the Oncology Nursing Society has been dedicated to excellence in patient care, teaching, research, administration and education in the field of oncology.

On behalf of all the people with cancer and their families in Ohio's 11th Congressional District, I would like to acknowledge Molly Loney for her leadership within the Oncology Nursing Society. For the past 2 years, Molly has served on the ONS Board of Directors as Secretary. Through Molly's and ONS' leadership, our Nation is charting a course that will help us win the war on cancer.

The ONS has 9 chapters in the great state of Ohio. These chapters serve the oncology nurses in the State and help them to continue to provide high quality cancer care to those patients and their families in the State.

I commend the Oncology Nursing Society for all of its efforts and leadership over the last 29 years and thank the Society and its members for their ongoing commitment to improving and assuring access to quality cancer care for all cancer patients and their families. I urge all of my colleagues to support them in their important endeavors.

**PAYING RESPECT TO LAVERNE  
HOGAN**

**HON. GENE GREEN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. GREEN of Texas. Mr. Speaker, I rise today to pay respect to Laverne Hogan, a great leader in the Houston Community, who passed away Thursday, April 22, 2004 at the age of 65.

Laverne Hogan's work was instrumental in setting up the first enhanced 9-1-1 system in the state of Texas. Ms. Hogan began work on the system nearly 20 years ago working for then Harris County Commissioner Tom Bass and Houston City Councilmember Eleanor Tinsley. While serving in the Texas state legislature, and later in the U.S. House of Representatives, I worked closely with Ms. Hogan on a number of occasions to improve the 9-1-1 system in Houston and throughout Texas.

Just a few of her many accomplishment included being elected to and serving as the

Southeast Regional President of the National Emergency Number Association from 1996 to 2000; being appointed to serve as a commissioner for the Texas Commission on State Emergency Communications from 1992 to 1998 by Governor Ann Richards; and at the time of her death, Ms. Hogan was serving as the Executive Director of the Greater Harris County 9-1-1 Emergency Network, the largest 9-1-1 system in Texas, and the third largest in the United States.

Laverne Hogan will be greatly missed by all those who knew her, and all those she worked to protect throughout her dedicated career.

**HONORING DIANA NEULAN OF  
GIRL SCOUT TROOP 555**

**HON. LANE EVANS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. EVANS. Mr. Speaker, today I would like to salute an outstanding young woman who has been honored with the Girl Scouts of the USA Gold Award by Girl Scouts—Kickapoo Council in Peoria, Illinois. She is Diana Neulan of Girl Scout Troop 555.

Diana is being honored on May 2, 2004 for earning the highest achievement award in U.S. Girl Scouting. The Girl Scout Gold Award symbolizes outstanding accomplishments in the areas of leadership, community service, career planning, and personal development. The Girl Scout Gold Award can be earned by girls ages 14-17 or in grades 9-12.

Girl Scouts of the USA, an organization serving over 2.6 million girls, has awarded more than 20,000 Girl Scout Gold Awards to Senior Girl Scouts since the inception of the program in 1980. To receive the award, a Girl Scout must fulfill 5 requirements: earn 4 interest project patches, earn the Career Exploration Pin, earn the Senior Girl Scout Leadership Award, earn the Senior Girl Scout Challenge, and design and implement a Girl Scout Gold project. A plan for fulfilling the requirements of the award is created by the Senior Girl Scout and is carried out through close cooperation between the girl and an adult Girl Scout volunteer.

As a member of the Girl Scouts—Kickapoo Council, Diana began working toward the Girl Scout Gold Award in September 2000. For her project, Diana completely reorganized her school's music library and cataloged, repaired, or replaced the sheet music. She is currently a senior at East Peoria High School.

The earning of the Girl Scout Gold Award is a major accomplishment for Diana and I believe she should receive the public recognition due her for this significant service to her community and her country.

**HONORING IOWA STATE SENATOR  
KITTY REHBERG**

**HON. JIM NUSSLE**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. NUSSLE. Mr. Speaker, I rise today to pay tribute to someone who exemplifies the meaning of public service. I want to join Kitty's

constituents in expressing my sadness on the retirement of Iowa State Senator Kitty Rehberg after 8 years of dedicated service to our State. Instead of spending several months each year in Des Moines, Senator Rehberg is choosing to spend more time in Rowley with her family, particularly her supportive husband, Frank, and their grandchildren.

I have known Kitty for many years, and have been proud to watch a former staff member achieve such a record of success. While working for me as a district representative in Iowa, she showed her dedication to my constituents. Once she was elected to the Iowa Senate, I watched her define the meaning of hard work on behalf of her constituents. People could agree or disagree with her on the issues, but no one could ever disagree that she worked hard every single day on her constituents' behalf.

For those who follow her in her seat, and for her colleagues she will not return to next year, they have a tough void to fill. Kitty has set the bar high on service to Iowa. If they are half as hard working as Kitty, Iowa will continue to benefit.

Below I have included Iowa Senate Resolution No. 153, which honors Senator Kitty Rehberg. I wish Kitty continued success and many, many quality hours with her family and friends. It is well deserved.

#### IOWA SENATE RESOLUTION No. 153

Whereas, Senator Kitty Rehberg is retiring from legislative office after completing two terms in office as a State Senator; and

Whereas, Senator Rehberg's distinguished career as a State legislator has included service as the Chairperson of the Small Business, Economic Development and Tourism Committee in the Seventy-ninth General Assembly, as Chairperson of the Economic Growth Committee in the Eightieth General Assembly, and as Chairperson of the Education Appropriations Subcommittee in the Seventy-seventh and Seventy-eighth General Assemblies; and

Whereas, Senator Rehberg has also served as Vice Chairperson of the Education Committee and on many other standing committees throughout her 8 years of legislative service and has been an influential and devoted legislator in this state; and

Whereas, Senator Rehberg has been influential in the passage of legislation in areas of economic and rural development, and education, and has championed the interests of her constituents; and

Whereas, Senator Rehberg has served honorably and has unselfishly given of her time and efforts to further the interests of the State of Iowa and to provide beneficial programs for the citizens of Iowa: Now therefore, be it

*Resolved by the Senate,* That the Senate pay tribute to Senator Kitty Rehberg for her devoted service to the Iowa General Assembly and the citizens of this state and wish her the very best in the years ahead; and be it further

*Resolved,* That an official copy of this Resolution be prepared and presented to Senator Rehberg.

#### COMMEMORATING THE 18TH ANNIVERSARY OF CHERNOBYL

#### HON. CURT WELDON

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. WELDON of Pennsylvania. Mr. Speaker, on April 26, 2004 we marked the 18 year anni-

versary of the terrible tragedy at Chernobyl, Ukraine. On that day and those that followed, thousands of people lost their lives and millions more around the world felt the effects of the escaped radiation.

Today, many of the survivors have returned to live in the contaminated area. They no longer fear the lingering radiation or the land's barren landscape, choosing rather to live on the only land they can call home. They do not have much to live for, the contaminated zone offers little in the shadow of the reactor's remains, but they are tough-minded individuals with little else to give.

The incident at Chernobyl reminded us that mankind remains at the mercy of its creations. Innovation sets mankind apart from other living creatures, yet to a certain extent we will always be powerless to the whims of technology. The incident at Chernobyl was a tragedy of epic proportions, one that is too easily overlooked by the world even though it took place less than 20 years ago. As we continue to progress and develop new technologies, we must remember the lessons of Chernobyl and the lives it forever altered.

#### HONORING THE MEMORY OF MASON, OHIO MAYOR LOUIS J. EVES

#### HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. PORTMAN. Mr. Speaker, I rise today to honor the memory of a friend, respected elected official and distinguished constituent, Louis J. Eves, who passed away on Friday, April 16, 2004.

Known as the father of Mason, Ohio, Lou will be remembered for his dedication to Mason and was the longest serving mayor in the city's history—sixteen years. Appointed to the Mason City Council in 1973, Lou was re-elected five times. His vision for the city could be summed up as growth with control, and he helped Mason become the growing and prosperous city it is today. He also paved the way for toll free calling from Mason to Cincinnati; urged additional park funding; and pushed for construction of a municipal swimming pool, which was eventually named for him.

A Mason resident for more than thirty years, Lou was the owner of Mason's Houston Inn Restaurant, a Warren County landmark for many years. Lou bought the restaurant in 1959, expanded it three times, and it is still run by his family.

Lou was also an Army Master Sergeant who served his country honorably. He served in Korea and completed multiple tours of duty in World War II. The first life member of the Landen Kings Chamber of Commerce, Lou was one of only four lifetime Mason Kiwanians.

Lou is survived by his devoted wife, Frances; his children, David, Michael, Lou and Kathy; eleven grandchildren and four great-grandchildren.

I am grateful to have had his friendship and counsel, and all of us in Southwest Ohio have benefited from Lou's leadership and his strong example in our lives.

HONORING SANDRA J. ANDERSON,  
ESQ., RECIPIENT OF THE 2004  
JUSTICE ALICE ROBIE RESNICK  
AWARD OF DISTINCTION

#### HON. DEBORAH PRYCE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Ms. PRYCE of Ohio. Mr. Speaker, I rise today to honor Sandra J. Anderson, a partner in the Columbus law office of Vorys, Sater, Seymour and Pease LLP.

On Friday, April 23, 2004, Ms. Anderson was presented with the Justice Alice Robie Resnick Award of Distinction. This honor is the Ohio Women's Bar Association's highest award for professional excellence, and is bestowed annually on a deserving attorney who exhibits leadership in the areas of advancing the status and interests of women and improving the legal profession in the State of Ohio.

In addition to her litigation practice, Ms. Anderson is a Fellow of the American College of Trial Lawyers and a faculty member of the National Institute for Trial Advocacy. She has also served as an Adjunct Professor for the Ohio State University College of Law and Capital University Law School, and is a frequent speaker in continuing legal education programs.

I am proud that citizens of Central Ohio continue to excel among their peers and commend Ms. Anderson for her dedication to our community and her commitment to advancing the status of women within the legal profession.

#### HONORING CLARK COUNTY HIGH SCHOOL STUDENTS, TEACHERS AND ADMINISTRATORS FOR THEIR DEDICATION TO MAIN- TAINING SUFFICIENT BLOOD SUPPLIES IN SOUTHERN NEVADA

#### HON. JON C. PORTER

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 28, 2004*

Mr. PORTER. Mr. Speaker, I rise today to honor the efforts of all those in Southern Nevada, particularly Clark County School District high school students, teachers, and administrators, involved in projects dedicated to maintaining a sufficient blood supply to meet local and at times national demands and contingencies.

Clark County high school students are crucial donors of blood products for twenty-one area hospitals, providing over 6,000 units of blood annually. They provide a significant volume of the community's blood supply in their commitment to community service and humanitarianism. In addition, high school junior and senior classmen from thirty-three schools perform life-saving services by recruiting blood donors, volunteering at on-campus blood drives, and soliciting media support for United Blood Services, a provider of blood products for area hospitals for more than 50 years.

In a show of their dedication and support, the Clark County School District has invested significant resources to provide for adequate space and class time that ensure an adequate blood supply to meet the daily demand of 250
