

HONORING GERALDINE CATHERINE MURPHY

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. McCOTTER. Mr. Speaker, I rise today in honor of Geraldine Catherine Murphy upon her retirement after 40 years of teaching the children of our community.

After graduating from Marygrove College in 1964, Ms. Murphy taught the students of SS. Peter and Paul School in Detroit until 1998. During this time, she served on many educational committees, including the committee which wrote the Language Arts/English curriculum for the Archdiocese of Detroit.

In 1998, Ms. Murphy came to the educational community at St. Edith in Livonia. There is no doubt, her wisdom and guidance were a great asset to our community. The impact she had upon St. Edith will be felt for many years to come, as she will be sorely missed.

Mr. Speaker, I extend my sincere appreciation to Geraldine Catherine Murphy, upon her retirement after 40 years of teaching, for her fine service to our community and our country.

HONORING MARK EARL OF SPRING HILL, FLORIDA

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise today to honor my constituent, Mark Earl of Spring Hill, Florida.

Mr. Earl will be recognized this evening at the Hope Awards Benefit for his work on finding missing children. He will receive the Charles B. Wang International Children's Award, given annually by the National Center for Missing and Exploited Children.

In 1994, Mark's concern and vision prompted him to establish a Missing Children's Board in the Walmart store where he worked. Two years later, Walmart expanded on his initiative and installed Missing Children's Boards nationwide. He was promoted to District Loss Prevention Supervisor, and his efforts have resulted in the recovery of over 100 children.

On behalf of these children, their families, and my entire constituency, I would like to formally praise Mark Earl on the floor of this House. His initiative and dedication to his community are to be commended. I am proud to call him my constituent and eager to honor him in person this evening.

VILLAGE OF WESTERN SPRINGS: A TRIBUTE TO ARBOR DAY

HON. WILLIAM O. LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. LIPINSKI. Mr. Speaker, I rise today to pay tribute to the Village of Western Springs, a township located in the Third Congressional District of Illinois. The Village of Western

Springs officially proclaimed April 30, 2004 as Arbor Day, a special day to set aside for the planting of trees.

This year, Western Springs was recognized and awarded the prestigious title of Tree City USA by the Arbor Day Foundation. It is certainly an occasion worthy of special recognition, as Western Springs has shown a commitment and dedication to Arbor Day by planting trees and caring for their woodlands.

Village President John Kravcik publicly declared April 30 as the official Arbor Day for the Village of Western Springs. I was privileged to take part in the Western Springs Arbor Day ceremony with the students of McClure Junior High School, Principal John Chick, Vice Principal Matt Castle and the citizens of Western Springs. We were honored with the presence of the Western Springs Garden Club, including Ann Gindorf and President Mary Kubalanza, Fred Rodriguez and Jack Lund of the Western Springs Memorial V.F.W. Post 10778, and Father Tom Bernas of St. Richard's Parish who offered the ceremony's prayer.

I would like to pay special tribute to the Arbor Day essay winners Jenni Breslin, Schuyler Hilton, and Nicky Galvez, who shared their literary works to commemorate this day. It is essential for children to learn the importance and value of trees to the environment and our community, in order to ensure future generations will enjoy greener, healthier, and more beautiful places. The students of McClure Junior High School displayed their commitment to protecting and promoting the community's natural beauty by planting a tree on school grounds during the ceremony.

In the 128 years since its founding, Arbor Day has become a holiday celebrated in cities across America and nations throughout the world. Arbor Day draws particular attention to the part trees play in our lives and in the significant ways they beautify and enrich our communities.

Mr. Speaker, I am pleased that the people of Western Springs are taking the time to celebrate Arbor Day. I wish them the best of success in their tree-planting efforts and I strongly hope that more Americans will follow their positive example.

SALUTE TO JOHN RYAN, SR.

HON. SHERWOOD BOEHLERT

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. BOEHLERT. Mr. Speaker, I would like to take this opportunity to congratulate one of my constituents from Cortland County, New York, John Ryan Sr., for 51 exceptional years of service to the Homer Fire Department. Mr. Ryan joined the Homer Fire Department in 1953, upon his return from service in the Korean War. His commitment to public service for his country and his community is unmatched.

His father was a volunteer firefighter and served as fire chief in the 1940's. Mr. Ryan also served as fire chief for four years beginning in 1970. He has presided over the Cortland County Fire Chiefs Association and the County Fire Advisory Board. The love of firefighting has been passed down to his children and grandchildren, as his son, John

Ryan Jr., serves as the current fire chief and his other sons, Steve and Mike, also serve as firefighters. His granddaughter was the fourth generation Ryan to belong to the fire department before she moved from the area.

It is this kind of dedication and commitment to community that makes John Ryan Sr. such a legacy in Homer, NY. Not only has he answered the call to community service, but he has also instilled that same spirit in his children and grandchildren. I thank Mr. Ryan for his years of service, and I know the town of Homer thanks him as well.

IN HONOR OF COACH RICK ORTEGA'S ELECTION INTO THE NATIONAL WRESTLING HALL OF FAME

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. SESSIONS. Mr. Speaker, I rise today to honor Coach Rick Ortega of St. Mark's School of Texas. I am pleased to represent St. Mark's in Congress, and have been impressed with the quality of education produced by the school. My oldest son Bill currently attends St. Mark's, and one of the staffers in my Washington office is an alumnus of this college preparatory school.

Coach Ortega has been a valued member of the faculty since coming to St. Mark's in 1982. Now in his third decade of service to St. Mark's, Coach Ortega has been elected as a member of the Class of 2004 for the National Wrestling Hall of Fame in Stillwater, Oklahoma. I am very proud of Coach Ortega's election, and I know firsthand the quality of the wrestling program at St. Mark's. My son Bill is currently in the middle school wrestling program and the results of the wrestling program speak volumes to Coach Ortega's dedication to the young men that he educates.

Wrestling is one of the few sports that a small school such as St. Mark's can compete in against larger high schools in Texas that have thousands of students. From 1992 to 1994, St. Mark's "three-peated" as Texas High School Wrestling Champions. St. Mark's three straight championships could not have been possible without the leadership and dedication of Coach Ortega and the many wrestlers that he inspires on a daily basis.

During his time at St. Mark's and his prior stint as the Head Wrestling Coach at Burges High School in El Paso, Texas, Coach Ortega has amassed an impressive winning record. In his 32 years of coaching, he has an overall dual meet record of 532 wins compared with only 80 losses. He won seven Texas State Championships, and five Prep State Championships. This is in addition to being Texas State Runner-up six times. During his time at St. Mark's, Coach Ortega has won 18 Southwest Preparatory Championships in 22 seasons, a very impressive record in the conference. On the individual level, Rick Ortega has coached 59 state champion wrestlers, and 53 prep all-Americans.

Coach Ortega himself was a State Wrestling Champion in New Mexico in 1966. He has a natural love for wrestling and for those that pursue the sport. Coach Ortega inspires discipline on the mats, and an emphasis on nutritional wellness off of the mats. His personal

commitment to scholarship, sportsmanship, and excellence has served the school well throughout his career. I congratulate Coach Ortega on this important accomplishment, and I wish him all the best for continued success at St. Mark's.

COMMEMORATING THE 50TH ANNIVERSARY OF BROWN v. BOARD OF EDUCATION

HON. DIANE E. WATSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Ms. WATSON. Mr. Speaker, I rise today to commemorate the 50th anniversary of the Brown versus Board of Education Supreme Court decision and to call on this administration and Congress to further renew the goals and visions laid out by this monumental case.

On May 17, 1954, the United States Supreme Court announced in Brown versus Board of Education that "in the field of education, the doctrine of 'separate but equal' has no place." In the half century that followed, this pivotal decision ushered in a new era, leading to the gradual elimination of State-sponsored racism. Specifically, it established the legal and moral framework for the civil and voting rights legislation of the 1960s that drastically expanded the Constitution's promise of "equal protection" to all spheres of public life.

However, few people today would claim that the promises of Brown have been fulfilled. There is no doubt that the disturbing phenomenon of "white flight" in the North and "segacademies" in the South following efforts at integration created new forms of segregation along economic, and all too often, racial lines. As a recent study by the Harvard Civil Rights Project indicates, 70 percent of African-American children today attend schools that are predominantly African-American, roughly the same level as 40 years ago.

Throughout the country today and this week, many will gather to celebrate and commemorate the legacy of Brown. But it is also an occasion for observance. We cannot ignore how, across America today, Black and White students still go to separate schools in the same town, divided by neighborhoods and segregated by wealth. We cannot ignore the disparity in resources that continue to plague many of our school systems, especially those serving predominantly inner-city minority and impoverished children.

Today is an occasion to recommit ourselves to the vision of Brown, to redouble our efforts in working toward an America that treats everyone equally and empowers everyone economically. Congress passed the No Child Left Behind Act to establish a framework for States and districts to address and eventually eliminate education failures. I once again issue a call to action. First this administration and this Congress must fully fund No Child Left Behind to demonstrate our commitment to educational equity. Second, we must increase funding for Pell grants so that low- and moderate-income students can have access to higher education. This 50th anniversary commemoration of Brown versus Board of Education, like the decision itself, calls for action, not just words. Justice deferred is justice denied.

CONGRATULATING THE PEOPLE OF TAIWAN AND PRESIDENT CHEN SHUI-BIAN

HON. ILEANA ROS-LEHTINEN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to send my best wishes and warm congratulations to the people of Taiwan for having successfully concluded their most recent presidential election.

As the people of Taiwan prepare to inaugurate their incumbent President, Mr. Chen Shui-bian, I salute them and the democratic endeavor that we have recently witnessed.

In the last 4 years, under the leadership of President Chen Shui-bian, Taiwan has continued to prosper.

It has one of the strongest economies in the world and its people enjoy unprecedented prosperity. Taiwan has solid schools, a good transportation system, and sound medical care for its citizens. Furthermore, the people of Taiwan enjoy political freedoms, such as direct elections, a free press, and human rights.

Mr. Speaker, the people of Taiwan have every right to be proud of their presidential election.

I look forward to working with Mr. Chen's new administrative team in the next 4 years and beyond. Taiwan and the United States are truly friends and this relationship is stronger now than at any other time.

Americans and the people of Taiwan are also allies in the war on terrorism. Moreover, we share an abiding concern about peace and stability in the Taiwan Strait and Taiwan's participation in world organizations, such as the World Health Organization.

Congratulations again to the people of Taiwan and President Chen Shui-bian.

A TRIBUTE TO MRS. ALICE NICKENS

HON. FRANK W. BALLANCE, JR.

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. BALLANCE. Mr. Speaker, I rise to honor Mrs. Alice Nickens, one of my most senior constituents on the occasion of the recent celebration of her 100th birthday. Mrs. Nickens has had the good fortune to witness all of the remarkable events and changes that shaped our country during the 20th century.

Mr. Speaker, Mrs. Nickens is a retired educator who taught at every school in Hertford County. She began by teaching history as a senior at Waters Normal Institute before beginning her formal career as an educator in 1922.

Mr. Speaker, Mrs. Nickens indicated that, "in those days", a person didn't have to go to college in order to teach. Mrs. Nickens was considered bright in her subjects and she acknowledges that she was fortunate to have gotten a teaching position. She earned an undergraduate degree from Hampton Institute in Virginia and a masters degree from the University of Pennsylvania, and she never looked for another job.

Mr. Speaker, for 95 long years, Mrs. Nickens has been a dedicated member of

Pleasant Plains Baptist Church. She taught Sunday school for 50 years, emphasizing the power of prayers and the providence of the Lord.

Mr. Speaker, Mrs. Nickens acknowledges the fact that she is very blessed to have lived such a long and productive life. She realizes that many people take their health for granted and neglect to go to the doctor for regular visits. She warns that some of the diseases with which we suffer today could be prevented if folks would simply commit to take care of themselves and make regular visits to the doctor whether in good or poor health.

Mr. Speaker, I ask my colleagues to join me in paying tribute to Mrs. Alice Nickens, an exemplary citizen as she celebrates her 100th birthday.

RECOGNIZING THE IMPORTANCE OF INCREASING AWARENESS OF AUTISM (H. RES. 605)

HON. RAHM EMANUEL

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. EMANUEL. Mr. Speaker, today I am proud to rise in strong support and as a co-sponsor of H. Res. 605, recognizing the importance of increasing awareness of autism. Autism spectrum disorders and related developmental disabilities affect one in every 166 children—a dramatic increase from a decade ago when the prevalence was thought to be one in every 10,000. Prevalence is thought to be increasing by 10–17 percent annually, yet there remains little public awareness and understanding regarding these conditions.

Autism is a brain disorder, affecting a child's ability to communicate and interact socially. Parents of children with autism require a great deal of patience and support to properly care for these children. Congress must raise awareness of these conditions so that these parents receive the support of their communities and the expert assistance of trained medical professionals and teachers, regardless of income level.

It is not enough, however, to simply recognize the needs of people living with autism. As Members of Congress, we have a responsibility to follow through on commitments we have already made to the parents and teachers of these children. The Individuals With Disabilities Education Act requires the Federal Government to allocate funding for 40 percent of the cost of educating children with disabilities. Since this law was passed in 1991, Congress has never appropriated sufficient resources to meet this requirement. States are left to cover the costs of funding-intensive programs, such as special education programs for children with autism. As a result of insufficient funding, special education programs are chronically plagued by insufficient staffing, resources and training.

Congress must also provide resources to diagnose and treat children with autism before they reach school age, through training programs for medical professionals and initiatives designed to reach and treat autistic children during the crucial early stages of development. Medical professionals need to be educated so that they are aware of and recognize autism and its related disorders. Too often parents
