Mr. PUTNAM. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 866 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

□ 1115

Mr. PUTNAM. Mr. Speaker, it is a beautiful Saturday morning all across America and people are waking up and taking their morning coffee, reading the paper, getting the kids off to soccer practice, and slipping into the woods to do a little hunting.

As I say, on this glorious Saturday morning, people are going about their lives and doing the things that they do, enjoying time with their family and their business, and they are undoubtedly thinking to themselves, as they find out that Congress is in session on a Saturday, that it is about time those guys did some work.

It is an important issue indeed that finds us here doing the people's business this weekend as we wrap up a very productive 108th Congress. The omnibus package that is here before us today, this rule, H. Res. 866, provides for consideration of H.R. 4818, making appropriations for foreign operations, export financing, and related programs for the fiscal year ending September 30, 2005.

Mr. Speaker, this rule waives all points of order against the conference report and against its consideration. Section 2 of the resolution provides for consideration of H.J. Res. 114 under a closed rule and provides for one hour of debate in the House, equally divided and controlled by the chairman and
