ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mrs. BLACKBURN) (during the vote). Members are advised there are 2 minutes remaining in this vote.

□ 1919

So (two-thirds having voted in favor thereof) the rules were suspended and the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. TURNER of Ohio. Mr. Speaker, today the House of Representatives took recorded votes on H. Res. 591, H.R. 4363, and H. Res. 660. Had I been present, I would have voted "yes" on each of these items.

PERSONAL EXPLANATION

Mr. COLLINS. Mr. Speaker, I was not present for rollcall vote 276, Expressing the gratitude of the House of Representatives for the contributions made by America's community banks and the sense of the House of Representatives that a month should be designated as "Community Banking Month" (H. Res. 591); rollcall vote 277, Helping Hands for Homeownership Act (H.R. 4363); rollcall vote 278, Congratulating Randy Johnson on his perfect game (H. Res. 660).

Had I been present, I would have voted "yea" for rollcall votes 276, 277 and 278.

CELEBRATING JUNETEENTH

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Madam Speaker, 2 days ago, many in the United States celebrated Juneteenth. June 19, 2004, was the celebration of what occurred in 1865 in places like Texas and Louisiana when the announcement finally came that the slaves had been emancipated.

I rise today to congratulate the wonderful celebrations that occurred in Texas, and particularly in Houston, Texas. I congratulate Reverend C. Anderson Davis and Mrs. Davis who have, for many years, founded the Emancipation Association and celebrated and educated young people about what freedom truly means. The parades; the celebration at Herman Park; the gospel celebration; the hip-hop celebration; the Acres Home celebration, a long-standing historic African American community celebrated Juneteenth, sponsored by the Acres Home Citizens Council.

Then, of course, our final celebration, in the evening at Jones Hall honoring Representative Al Edwards, the author of the legislation in 1979 that made the Emancipation Proclamation, Juneteenth Day, a State holiday, 25 years of commemoration.

I believe, Madam Speaker, that it is always important to celebrate freedom. That is the very underpinning of what this Nation stands for: democracy and freedom. June-teenth is just a very defined freedom, the day that many found out that they were free Americans to be part of the American dream.

ECONOMY NEEDS NEW DIRECTION

(Mr. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BROWN of Ohio. Madam Speaker, President Bush again was in Ohio today in Cincinnati to again try to justify his economic program and his last 3 years of managing this economy. One out of six manufacturing jobs in Ohio has been lost since George Bush took office. We have lost 190 jobs every single day of the Bush administration.

He has two answers. His first answer is more tax cuts for the most privileged, for the largest corporations, for the wealthiest 5 percent of people in this country, hoping that those tax cuts will trickle down and create jobs. That has failed.

His second answer is more trade agreements like the North American Free Trade Agreement. He wants to extend NAFTA to Central America into South America. Those trade agreements have hemorrhaged jobs; they have shipped jobs overseas. Instead, we need to extend unemployment benefits, reject the Bush plan, and go in a different direction. We need to extend unemployment benefits, pass legislation to reward and incentivize those companies that manufacture in this country, rather than big tax breaks to those companies that outsource jobs and ship jobs overseas.
