

gentleman from California (Mr. HUNTER).

Mr. HUNTER. Mr. Speaker, I thank the chairman, the gentleman from California (Mr. POMBO), for his great work in putting together this bill, particularly for a guy who represents the district where the Barona tribe have had major problems with water. They have had substantial water problems for the last several years. The tribe and the residents of the Old Barona Road have been working together to try to bring this pipeline up from the San Vincente reservoir, up over the saddle that separates the Barona Valley from the reservoir, and provide water in that area. It is expected that the rural residents of the Old Barona Road and the tribe will work together to make sure that there is a connection there off that main pipeline so that everyone can partake of this secure water supply that is not dependent on the well water level in that particular valley.

I thank the chairman, and ask him if that is his intent with this legislation.

Mr. POMBO. Mr. Speaker, will the gentleman yield?

Mr. HUNTER. I yield to the gentleman from California.

Mr. POMBO. Mr. Speaker, I thank the gentleman for his statement and his continued involvement as this legislation has moved forward.

Obviously, the growth that we have experienced in California, coupled with the recent wildfires, have pointed out to a greater extent the need for this pipeline to be put in.

I agree that it is important that the Barona Band of Mission Indians continue to work with the local communities to address everyone's concerns. I did have an opportunity to tour the site of the proposed pipeline that was going to go in, as well as the neighbors and the issues that they have, and I will continue to work with Barona and make sure that everyone's concerns are addressed.

Mr. HUNTER. Mr. Speaker, I thank the gentleman. This is great legislation.

Mr. UDALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I also would just like to congratulate Senator Ben Nighthorse Campbell on this legislation and all of the staff members that worked on it, and especially Marie Howard.

Mr. Speaker, I yield back the balance of my time.

Mr. POMBO. Mr. Speaker, I urge my colleagues to support the legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. POMBO) that the House suspend the rules and pass the Senate bill, S. 523.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.
