TITLE II—NATIONAL AVIATION HERITAGE AREA

SEC. 201. SHORT TITLE.

This title may be cited as the “National Aviation Heritage Area Act”.

SEC. 202. FINDINGS AND PURPOSE.

(a) FINDINGS.—Congress finds the following:

(1) Few technological advances have transformed the world or our Nation's economy, society, culture, and national character as the development of powered flight.

(2) The industrial, cultural, and natural heritage legacies of the aviation and aerospace industry in the State of Ohio are nationally significant.

(3) Dayton, Ohio, and other defined areas where the development of the airplane and aerospace technology established our Nation's leadership in both civil and military aeronautics and astronautics set the foundation for the 20th Century to be an American Century.

(4) Wright-Patterson Air Force Base in Dayton, Ohio, is the birthplace, the home, and an integral part of the future of aerospace.

(5) The economic strength of our Nation is connected integrally to the vitality of the aviation and aerospace industry, which is responsible for an estimated 11,200,000 American jobs.

(6) The industrial and cultural heritage of the aviation and aerospace industry in the State of Ohio includes the social history and living cultural traditions of several generations.

(7) The Department of the Interior is responsible for protecting and interpreting the Nation's cultural and historic resources, and

there are significant examples of these resources within Ohio to merit the involvement of the Federal Government to develop programs and projects in cooperation with the Aviation Heritage Foundation, Incorporated, the State of Ohio, and other local and governmental entities to adequately conserve, protect, and interpret this heritage for the educational and recreational benefit of this and future generations of Americans, while providing opportunities for education and revitalization.

(8) Since the enactment of the Dayton Aviation Heritage Preservation Act of 1992 (Public Law 102-419), partnerships among the Federal, State, and local governments and the private sector have greatly assisted the development and preservation of the historic aviation resources in the Miami Valley.

(9) An aviation heritage area centered in Southwest Ohio is a suitable and feasible management option to increase collaboration, promote heritage tourism, and build on the established partnerships among Ohio's historic aviation resources and related sites.

(10) A critical level of collaboration among the historic aviation resources in Southwest Ohio cannot be achieved without a congressionally established national heritage area and the support of the National Park Service and other Federal agencies which own significant historic aviation-related sites in Ohio.

(11) The Aviation Heritage Foundation, Incorporated, would be an appropriate management entity to oversee the development of the National Aviation Heritage Area.

(12) Five National Park Service and Dayton Aviation Heritage Commission studies and planning documents: “Study of Alternatives: Dayton's Aviation Heritage”, “Dayton Aviation Heritage National Historical Park Suitability/Feasibility Study”, “Dayton Aviation Heritage General Management Plan”, “Dayton Historic Resources Preservation and Development Plan”, and Heritage Area Concept Study, demonstrated that sufficient historical resources exist to establish the National Aviation Heritage Area.

(13) With the advent of the 100th anniversary of the first powered flight in 2003, it is recognized that the preservation of properties nationally significant in the history of aviation is an important goal for the future education of Americans.

(14) Local governments, the State of Ohio, and private sector interests have embraced the heritage area concept and desire to enter into a partnership with the Federal government to preserve, protect, and develop the Heritage Area for public benefit.

(15) The National Aviation Heritage Area would complement and enhance the aviation-related resources within the National Park Service, especially the Dayton Aviation Heritage National Historical Park, Ohio.

(b) PURPOSE.—The purpose of this title is to establish the Heritage Area to—

(1) encourage and facilitate collaboration among the facilities, sites, organizations, governmental entities, and educational institutions within the Heritage Area to promote heritage tourism and to develop educational and cultural programs for the public;

(2) preserve and interpret for the educational and inspirational benefit of present and future generations the unique and significant contributions to our national heritage of certain historic and cultural lands, structures, facilities, and sites within the National Aviation Heritage Area;

(3) encourage within the National Aviation Heritage Area a broad range of economic opportunities enhancing the quality of life for present and future generations;

(4) provide a management framework to assist the State of Ohio, its political subdivisions, other areas, and private organizations, or combinations thereof, in preparing and implementing an integrated Management Plan to conserve their aviation heritage and in developing policies and programs that will preserve, enhance, and interpret the cultural, historical, natural, recreation, and scenic resources of the Heritage Area; and

(2) The single event of Colonel Edwin Drake’s drilling of the world’s first successful oil well in 1859 has affected the industrial, natural, social, and political structures of the modern world.

(3) Six national historic districts are located within the State Heritage Park boundary, in Emlenton, Franklin, Oil City, and Titusville, as well as 17 separate National Register sites.

(4) The Allegheny River, which was designated as a component of the national wild and scenic rivers system in 1992 by Public Law 102-271, traverses the Oil Region and connects several of its major sites, as do some of the river’s tributaries such as Oil Creek, French Creek, and Sandy Creek.

(5) The unspoiled rural character of the Oil Region provides many natural and recreational resources, scenic vistas, and excellent water quality for people throughout the United States to enjoy.

(6) Remnants of the oil industry, visible on the landscape to this day, provide a direct link to the past for visitors, as do the historic valley settlements, riverbed settlements, plateau developments, farmlands, and industrial landscapes.

(7) The Oil Region also represents a cross section of American history associated with Native Americans, frontier settlements, the French and Indian War, African Americans and the Underground Railroad, and immigration of Swedish and Polish individuals, among others.

(8) Involvement by the Federal Government shall serve to enhance the efforts of the Commonwealth of Pennsylvania, local subdivisions of the Commonwealth of Pennsylvania, volunteer organizations, and private businesses, to promote the cultural, national, and recreational resources of the region in order to fulfill their full potential.

(b) **PURPOSE.**—The purpose of this title is to enhance a cooperative management framework to assist the Commonwealth of Pennsylvania, its units of local government, and area citizens in conserving, enhancing, and interpreting the significant features of the lands, water, and structures of the Oil Region, in a manner consistent with compatible economic development for the benefit and inspiration of present and future generations in the Commonwealth of Pennsylvania and the United States.

The SPEAKER pro tempore (Mr. STEARNS). Pursuant to the rule, the gentleman from Arizona (Mr. HAYWORTH) and the gentlewoman from Guam (Ms. BORDALLO) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona (Mr. HAYWORTH).

GENERAL LEAVE

Mr. HAYWORTH. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 4492, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. HAYWORTH. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4492, introduced by the gentleman from Ohio (Mr. REGULA), would amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain National Heritage Areas, and for other purposes.

The bill was subsequently amended by the Committee on Resources where five additional titles were added. As amended, Title I would extend the existing authorities of six established National Heritage Areas. Titles II and VI would establish the National Aviation Heritage Area in Ohio and the Oil Region National Heritage Area in northwestern Pennsylvania, respectively. Titles III, IV, and V would make technical changes to two existing National Heritage Areas and one Heritage Trail Route.

The existing Heritage Areas seek to transition their management authority to a nonprofit organization, which is in line with more recent Heritage Area management, and the Trail Route seeks to produce an economic feasibility plan in an effort to move away from Federal appropriations.

Mr. Speaker, H.R. 4492 is supported by the majority and minority of the committee.

I urge adoption of this legislation.

Mr. Speaker, I reserve the balance of my time.

Ms. BORDALLO. Mr. Speaker, I yield myself such time as I may consume.

(Ms. BORDALLO asked and was given permission to revise and extend her remarks.)

Ms. BORDALLO. Mr. Speaker, National Heritage Areas protect and interpret some of the best stories and places in American history. Heritage Areas have been enormously popular and successful partnerships between the local communities and the National Park Service.

This legislation makes important technical changes to several existing Heritage Areas and establishes several new ones.

We urge our colleagues to support this measure.

Mr. WELLER. Mr. Speaker, I rise today to express my support for H.R. 4492. Among its provisions, H.R. 4492 reauthorizes the Illinois and Michigan (I&M) Canal National Heritage Corridor to receive appropriations and transfers management entity status from the federal, I&M Commission to the non-profit Canal Corridor Association. I would like to commend Chairman POMBO and the House Committee on Resources for their hard work on this important piece of legislation.

The I&M Canal changed the nation in 1848 when it opened the first shipping route between New York and New Orleans, designating Chicago as the nation's greatest inland port. While the canal eventually fell into disuse due to new transportation methods and routes, in 1982, business and industry leaders founded the Canal Corridor Association to help revitalize the I&M Canal region, and in doing so, created a national model for regional partnership, conservation and renewal. I am proud to say that the I&M Canal National Heritage Corridor was America's charter National Heritage area, being created by an act of Congress in 1984. For 20 years, the federal I&M Commission has worked to carry out the mission of the I&M Canal National Heritage Corridor. Its efforts have been particularly successful during the past five years that Phyllis Ellin has provided strong leadership as the Executive Director of the Commission.

Since 1984, the I&M Canal National Heritage Corridor has increasingly become an engine of economic growth in communities up and down the length of the Corridor; primarily through an increase in tourism but also in the use of the Corridor for recreational purposes. After consulting with local officials and those most interested and involved in the I&M Canal, it seems that the private sector approach offers more advantages to handle the increased work load brought on by the recent success of the canal and interest in heritage tourism.

As a result, H.R. 4492 designated the Canal Corridor Association (CCA) as the new management entity of the I&M Canal National Heritage Corridor. The CCA seeks to enhance economic vitality by raising awareness of and expanding the parks, trails, landscapes, and historic sites that make the I&M Canal region a special place. They have also successfully implemented education programs and improved the cultural, environmental, historic and tourism resources that the canal offers.

Under the leadership of Ana Koval I am firmly convinced that the CCA, through their governance of the I&M Canal, will continue to successfully educate citizens of the nationally historical importance of the I&M Canal and to play a pivotal role in the continued economic redevelopment of the region.

Mr. LOBIONDO. Mr. Speaker, I rise today to urge my colleagues to support H.R. 4492, which includes legislation to reauthorize the New Jersey Coastal Heritage Trail Route. I would first like to take this opportunity to thank my colleagues in the New Jersey delegation for their support of this reauthorization, especially Representative JIM SAXTON whose assistance helped to bring this legislation to the floor today. I would also like to thank Chairman POMBO and his staff for their support and guidance.

I firmly believe the New Jersey Coastal Heritage Trail incorporates the very best of what the great state of New Jersey has to offer the rest of the Nation. Established by Congress in 1988, the Trail unifies New Jersey's many scenic points of interest. These points of interest include a wealth of environmental, historic, maritime and recreational sights found along New Jersey's coastline, stretching 300 miles from Perth Amboy to the north, Cape May in the extreme southern tip of the State and Deepwater to the west.

The Trail's area includes three National Wildlife Refuges, four tributaries of a Wild and Scenic River system, a Civil War fort and National cemetery, several lighthouses, historic homes, and other sites tied to southern New Jersey's maritime history. Through a network of themes and destinations, the New Jersey Coastal Heritage Trail connects people with places of historic, recreational, environmental and maritime interest.

H.R. 4492 would extend the authorization of the Trail to provide additional funding over 2 years to continue the work began in 1988. It would also require that during this period, a Strategic Plan be created in order to explore opportunities to increase participation by national and local private and public interests, as well as organizational options for sustaining the Trail.

The New Jersey Coastal Heritage Trail has helped New Jersey residents develop pride, awareness, experience with, and understanding of our coastal resources and its history. This reauthorization will allow the Trail to continue and flourish.

I urge my colleagues in the House to support this legislation.

Ms. BORDALLO. Mr. Speaker, I have no further speakers, and I yield back the balance of my time.

Mr. HAYWORTH. Mr. Speaker, I have no additional speakers, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. HAYWORTH) that the House suspend the rules and pass the bill, H.R. 4492, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

RIVERSIDE COUNTY, CALIFORNIA, LAND CONVEYANCE

Mr. HAYWORTH. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3874) to convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal, as amended.

The Clerk read as follows:

H.R. 3874

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONVEYANCE OF BUREAU OF LAND MANAGEMENT LAND IN RIVERSIDE COUNTY, CALIFORNIA.

(a) IN GENERAL.—

(1) CONVEYANCE.—*The Secretary of the Interior shall convey, without consideration and subject to valid existing rights, to S.V.D.P. Management Inc-DBA Father Joe's Villages (referred to in this section as the "Villages"), all right, title, and interest of the United States in and to the parcel described in paragraph (2) for use by the Villages for the purposes described in subsection (b).*

(2) PARCEL.—*The parcel referred to in paragraph (1) is the parcel of land identified for disposal and consisting of approximately 44 acres under the jurisdiction of the Bureau of Land Management, as generally depicted on the map entitled "H.R. 3874 Coachella Valley Land Transfer" and dated March 5, 2004.*

(b) PURPOSES OF CONVEYANCE.—*The purposes of the conveyance under section (a) are to provide a homeless shelter, a training center, and affordable housing.*

(c) REVERTER.—*If the Villages or any subsequent owner of the land transferred under this section uses that land for purposes other than those described in subsection (b), all right, title, and interest to the land (and any improvements thereon) shall revert to the United States to be administered by the Bureau of Land Management if the Secretary of the Interior determines that such a reversion is in the best interests of the United States.*

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arizona (Mr. HAYWORTH) and the gentlewoman from Guam (Ms. BORDALLO) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona (Mr. HAYWORTH).

GENERAL LEAVE

Mr. HAYWORTH. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 3874, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. HAYWORTH. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 3874, introduced by the gentlewoman from California (Mrs. BONO), as amended by the Committee on Resources, would authorize the Secretary of the Interior to convey 44 acres of Federal land identified for disposal in Riverside County, California, to Father Joe's Villages, a successful nonprofit organization that assists the homeless in California. Father Joe's plans to develop a comprehensive operation that will address both housing

and training needs for the homeless in the greater Coachella Valley.

Mr. Speaker, H.R. 3874 is supported by the majority and minority of the Committee on Resources and by the administration.

I urge adoption of the bill.

Mr. Speaker, I reserve the balance of my time.

Ms. BORDALLO. Mr. Speaker, I yield myself such time as I may consume.

(Ms. BORDALLO asked and was given permission to revise and extend her remarks.)

Ms. BORDALLO. Mr. Speaker, the gentlewoman from California's (Mrs. BONO) bill, H.R. 3874, would transfer a parcel of BLM land in North Palm Springs, California, to a charitable organization.

As the administration testified before our committee, the Federal Government would normally require some amount of compensation for a land conveyance such as this one, a requirement this legislation waives. However, it appears that, in this instance, making this conveyance free of charge may be in the best interests of the entire community.

Father Joe's Village has a long history of working in the community to address the problems of unemployment, substance abuse and homelessness. It is our hope that this conveyance will enable this organization to continue its fine work and expand whatever projects that are currently ongoing.

Mrs. BONO. Mr. Speaker, it is truly rewarding when we, as Members of Congress, can move a bill that will make such a positive impact in our own communities. This bill, H.R. 3874, does just that.

As we all know, no matter how well our economy does, there will always be a segment of our population in need of a safety net. H.R. 3874 takes a step in the right direction as it relates to helping those less fortunate in our society.

This legislation conveys 44 acres of BLM land, which is already on the disposal list, to Father Joe's Villages. Together, with a local charity called Martha's Village and Kitchen, the plan is to build a residential center for the homeless, a job training center and 100 units of affordable housing.

Many would be surprised to learn that even Palm Springs and its surrounding community have numerous people in dire need of a helping hand. But my community, much like everyone else's, unfortunately has a need for shelters, worker training and other forms of assistance.

Father Joe's, located in San Diego and part of Congresswoman SUSAN DAVIS's district, and Martha's Village and Kitchen, which is headquartered in my district, are two very reputable and successful organizations. That is why Congressman DAVIS and I want to help them make this village a reality.

Thanks to the most generous individuals I know, Mr. Tom Martin and his wife Rita, much of the money to build this project is secured. Mr. and Mrs. Martin have helped Martha's Village and Kitchen and have again put themselves on the front line of fighting for compassion by getting involved in this effort. Furthermore, we have the energy and enthusiasm of
