

add extraneous issues can refrain from doing so in order to complete our work and to avoid what might be an extended delay.

I know both sides are working with that in mind. I appreciate the effort made to bring this matter to a close. This is probably one of the most important remaining pieces of unfinished business. I appreciate very much the leader's report tonight.

I yield the floor.

Mr. FRIST. Mr. President, I also want to reemphasize what the Democratic leader just said. A number of people are coming forward with legislation in the hopes there is some way it can be attached to the omnibus bill because people realize it is an important bill, and it is a bill we have worked on in a bipartisan way to bring to closure, which we will. I encourage our colleagues on both sides of the aisle to understand that we are not going to be including extraneous matter on this bill. That is under mutual agreement with the Democratic leadership and the Republican leadership.
