

management in many different industry areas, including aerospace, automotive, business management, construction, engineering, financial services, information technology, pharmaceuticals and telecommunications.

Over time, PMI has become, and continues to be, one of the leading professional associations in project management. PMI's professional certification of Project Management Professional, or PMP, is highly respected across numerous industries. Professionals who have earned this credential are recognized daily for their value-added contributions to the organizations they serve.

The St. Louis chapter was founded on October 14, 1994, as the 71st chapter of PMI. At that time, the chapter had 24 charter members. Today, the St. Louis chapter is recognized as one of the fastest growing national chapters with over 600 members, more than 100 of whom have become certified PMPs. The chapter's board members and volunteers host monthly dinner and educational meetings, and they provide ongoing support for special events including national speaker presentations and PMP certification workshops.

The members of the St. Louis chapter are working professionals from regional businesses that include Fortune 500 companies, Federal, State and local government agencies, as well as mid-to-small size companies, start-ups and not-for-profits. Their efforts are important to the overall success of the region. I am honored to share their accomplishments with my colleagues, and I wish them all the best for the future.●

#### ST. LOUIS HURLING CLUB NATIONAL CHAMPIONS

• Mr. BOND. Mr. President, I wish to pay special tribute to the St. Louis Hurling Club on their National Championship of the North American Gaelic Athletic Association, Junior-C Division on September 3, 2004.

The St. Louis Hurling Club was founded in the Summer of 2002 by Paul C. Rohde, Daniel D. Lapke, and Patrick O'Connor. Their vision included introducing the sport of hurling to the greater metropolitan area of St. Louis, MO., creating opportunities to play the sport, and developing strong St. Louis representation in nationwide competition.

In just 2 short years the St. Louis Hurling Club has expanded to a four-team league, and has become the second-largest club of primarily American-born hurlers in North America. In just the first year of existence, the Gaelic Athletic Association extended the rare invitation to the St. Louis Hurling Club to join twenty-one other cities to the North American County Board. In September 2004, the St. Louis Hurling Club traveled to Colorado and returned with the National Championship by defeating clubs from Milwaukee and Seattle.

Paul Rohde, Daniel Lapke, and Patrick O'Connor are to be commended for their vision, leadership, and introduction of the ancient Irish sport as well as the continued growth of Irish culture to St. Louis, MO. Again, I wish to congratulate the St. Louis Hurling Club on their National Championship and wish them future success as they continue to evolve.●
