COMPREHENSIVE PEACE IN SUDAN ACT OF 2004

Mr. BURNS. I ask unanimous consent that the Chair now lay before the Senate the House message to accompany S. 2781.

There being no objection, the Presiding Officer (Mr. CORNYN) laid before the Senate the following message from the House of Representatives:

S. 2781

Resolved, That the bill from the Senate (S. 2781) entitled "An Act to express the sense of Congress regarding the conflict in Darfur, Sudan, to provide assistance for the crisis in Darfur and for comprehensive peace in Sudan, and for other purposes", do pass with the following amendment:

Strike out all after the enacting clause and insert:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Comprehensive Peace in Sudan Act of 2004".

SEC. 2. DEFINITIONS.

In this Act:

(1) **APPROPRIATE CONGRESSIONAL COMMITTEES.**—The term "appropriate congressional committees" means the Committee on Foreign Relations of the Senate and the Committee on International Relations of the House of Representatives.

(2) **GOVERNMENT OF SUDAN.**—The term "Government of Sudan" means the National Congress Party, formerly known as the National Is-

lamic Front, government in Khartoum, Sudan, or any successor government formed on or after the date of the enactment of this Act (other than the coalition government agreed upon in the Nairobi Declaration on the Final Phase of Peace in the Sudan signed on June 5, 2004).

(3) **JEM.**—The term "JEM" means the Justice and Equality Movement.

(4) **SLA.**—The term "SLA" means the Sudan Liberation Army.

(5) **SPLM.**—The term "SPLM" means the Sudan People's Liberation Movement.

SEC. 3. FINDINGS.

Congress makes the following findings:

(1) A comprehensive peace agreement for Sudan, as envisioned in the Sudan Peace Act (50 U.S.C. 1701 note) and the Machakos Protocol of 2002, could be in jeopardy if the parties do not implement and honor the agreements they have signed.

(2) Since seizing power through a military coup in 1989, the Government of Sudan repeatedly has attacked and dislocated civilian populations in southern Sudan in a coordinated policy of ethnic cleansing and genocide that has cost the lives of more than 2,000,000 people and displaced more than 4,000,000 people.

(3) In response to two decades of civil conflict in Sudan, the United States has helped to establish an internationally supported peace process to promote a negotiated settlement to the war that has resulted in a framework peace agreement, the Nairobi Declaration on the Final Phase of Peace in the Sudan, signed on June 5, 2004.

(4) At the same time that the Government of Sudan was negotiating for a comprehensive and all inclusive peace agreement, enumerated in the Nairobi Declaration on the Final Phase of Peace in the Sudan, it refused to engage in any meaningful discussion with regard to its ongoing campaign of ethnic cleansing and genocide in the Darfur region of western Sudan.

(5) The Government of Sudan reluctantly agreed to attend talks to bring peace to the Darfur region only after considerable international pressure and outrage was expressed through high level visits by Secretary of State Colin Powell and others, and through United Nations Security Council Resolution 1556 (July 30, 2004).

(6) The Government of the United States, in both the executive branch and Congress, has concluded that genocide has been committed and may still be occurring in the Darfur region, and that the Government of Sudan and militias supported by the Government of Sudan, known as the Janjaweed, bear responsibility for the genocide.

(7) Evidence collected by international observers in the Darfur region between February 2003 and November 2004 indicate a coordinated effort to target African Sudanese civilians in a scorched earth policy, similar to that which was employed in southern Sudan, that has destroyed African Sudanese villages, killing and driving away their people, while Arab Sudanese villages have been left unscathed.

(8) As a result of this genocidal policy in the Darfur region, an estimated 70,000 people have died, more than 1,600,000 people have been internally displaced, and more than 200,000 people have been forced to flee to neighboring Chad.

(9) Reports further indicate the systematic rape of thousands of women and girls, the abduction of women and children, and the destruction of hundreds of ethnically African villages, including the poisoning of their wells and the plunder of their crops and cattle upon which the people of such villages sustain themselves.

(10) Despite the threat of international action expressed through United Nations Security Council Resolutions 1556 (July 30, 2004) and 1564 (September 18, 2004), the Government of Sudan continues to obstruct and prevent efforts to reverse the catastrophic consequences that loom over the Darfur region.

(11) In addition to the thousands of violent deaths directly caused by ongoing Sudanese military and government-sponsored Janjaweed attacks in the Darfur region, the Government of Sudan has restricted access by humanitarian and human rights workers to the Darfur area through intimidation by military and security forces, and through bureaucratic and administrative obstruction, in an attempt to inflict the most devastating harm on those individuals displaced from their villages and homes without any means of sustenance or shelter.

(12) The Government of Sudan's continued support for the Janjaweed and their obstruction of the delivery of food, shelter, and medical care to the Darfur region is estimated by the World Health Organization to be causing up to 10,000 deaths per month and, should current conditions persist, is projected to escalate to thousands of deaths each day by December 2004.

(13) The Government of Chad served an important role in facilitating the humanitarian cease-fire (the N'Djamena Agreement dated April 8, 2004) for the Darfur region between the Government of Sudan and the two opposition rebel groups in the Darfur region (the JEM and the SLA), although both sides have violated the cease-fire agreement repeatedly.

(14) The people of Chad have responded courageously to the plight of over 200,000 Darfur refugees by providing assistance to them even though such assistance has adversely affected their own means of livelihood.

(15) On September 9, 2004, Secretary of State Colin Powell stated before the Committee on Foreign Relations of the Senate: "When we reviewed the evidence compiled by our team, along with other information available to the State Department, we concluded that genocide has been committed in Darfur and that the Government of Sudan and the [Janjaweed] bear responsibility—and genocide may still be occurring."

(16) The African Union has demonstrated renewed vigor in regional affairs through its willingness to respond to the crisis in the Darfur region, by convening talks between the parties and deploying several hundred monitors and security forces to the region, as well as by recognizing the need for a far larger force with a broader mandate.

(17) The Government of Sudan's complicity in the atrocities and genocide in the Darfur region raises fundamental questions about the Government of Sudan's commitment to peace and stability in Sudan.

SEC. 4. SENSE OF CONGRESS REGARDING THE CONFLICT IN DARFUR, SUDAN.

(a) **SUDAN PEACE ACT.**—It is the sense of Congress that the Sudan Peace Act (50 U.S.C. 1701 note) remains relevant and should be extended to include the Darfur region of Sudan.

(b) **ACTIONS TO ADDRESS THE CONFLICT.**—It is the sense of Congress that—

(1) a legitimate countrywide peace in Sudan will only be possible if those principles enumerated in the 1948 Universal Declaration of Human Rights, that are affirmed in the Machakos Protocol of 2002 and the Nairobi Declaration on the Final Phase of Peace in the Sudan signed on June 5, 2004, are applied to all of Sudan, including the Darfur region;

(2) the parties to the N'Djamena Agreement (the Government of Sudan, the JEM, and the SLA) must meet their obligations under that Agreement to allow safe and immediate delivery of all humanitarian assistance throughout the Darfur region and must expedite the conclusion of a political agreement to end the genocide and conflict in the Darfur region;

(3) the United States should continue to provide humanitarian assistance to the areas of Sudan to which the United States has access and, at the same time, implement a plan to provide assistance to the areas of Sudan to which access has been obstructed or denied;

(4) the international community, including African, Arab, and Muslim nations, should immediately provide resources necessary to save

the lives of hundreds of thousands of individuals at risk as a result of the crisis in the Darfur region;

(5) the United States and the international community should—

(A) provide all necessary assistance to deploy and sustain an African Union Force to the Darfur region; and

(B) work to increase the authorized level and expand the mandate of such forces commensurate with the gravity and scope of the problem in a region the size of France;

(6) the President, acting through the Secretary of State and the Permanent Representative of the United States to the United Nations, should—

(A) condemn any failure on the part of the Government of Sudan to fulfill its obligations under United Nations Security Council Resolutions 1556 (July 30, 2004) and 1564 (September 18, 2004), and press the United Nations Security Council to respond to such failure by immediately imposing the penalties suggested in paragraph (14) of United Nations Security Council Resolution 1564;

(B) press the United Nations Security Council to pursue accountability for those individuals who are found responsible for orchestrating and carrying out the atrocities in the Darfur region, consistent with relevant United Nations Security Council Resolutions; and

(C) encourage member states of the United Nations to—

(i) cease to import Sudanese oil; and

(ii) take the following actions against Sudanese Government and military officials and other individuals, who are planning, carrying out, or otherwise involved in the policy of genocide in the Darfur region, as well as their families, and businesses controlled by the Government of Sudan and the National Congress Party:

(I) freeze the assets held by such individuals or businesses in each such member state; and

(II) restrict the entry or transit of such officials through each such member state;

(7) the President should impose targeted sanctions, including a ban on travel and the freezing of assets, on those officials of the Government of Sudan, including military officials, and other individuals who have planned or carried out, or otherwise been involved in the policy of genocide in the Darfur region, and should also freeze the assets of businesses controlled by the Government of Sudan or the National Congress Party;

(8) the Government of the United States should not normalize relations with Sudan, including through the lifting of any sanctions, until the Government of Sudan agrees to, and takes demonstrable steps to implement, peace agreements for all areas of Sudan, including the Darfur region;

(9) those individuals found to be involved in the planning or carrying out of genocide, war crimes, or crimes against humanity should not hold leadership positions in the Government of Sudan or the coalition government established pursuant to the agreements reached in the Nairobi Declaration on the Final Phase of Peace in the Sudan; and

(10) the Government of Sudan has a primary responsibility to guarantee the safety and welfare of its citizens, which includes allowing them access to humanitarian assistance and providing them protection from violence.

TREATING CERTAIN ARRANGEMENTS MAINTAINED BY THE YMCA RETIREMENT FUND AS CHURCH PLANS FOR THE PURPOSES OF CERTAIN PROVISIONS OF THE INTERNAL REVENUE CODE OF 1986

Mr. BURNS. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of H.R. 5365, which is at the desk.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (H.R. 5365) to treat certain arrangements maintained by the YMCA Retirement Fund as church plans for the purposes of certain provisions of the Internal Revenue Code of 1986, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. BUNNING. Mr. President, I support H.R. 5365, a bill designed to ensure

that the thousands of pension plan participants and retirees for the YMCA continue to be able to count on their benefits, ensuring the pension plan may continue to operate as it has for over 80 years. The Senate passed my bill, S. 2589, by unanimous consent on July 14 of this year, and I am pleased that the House has recently passed H.R. 5365, which closely follows the direction of the Senate legislation. I worked together with fellow Senators, including Senator GRAHAM of Florida, to move this process toward today's hopeful conclusion. I want to stress that this effort has been a very bipartisan effort, in both the House and Senate, to produce a consensus solution and legislation.

I also thank Finance Committee Chairman GRASSLEY and Ranking Member BAUCUS for their assistance in bringing this bill to the floor today.

This is a bill about protecting the retirement security for thousands of YMCA employees and retirees. I have heard from Kentucky YMCA leaders and employees—leaders such as R. Stephen Tarver of YMCA of Greater Louisville, Dean Ehrenheim of the Owensboro YMCA, and Kenneth Barnes, who runs the Chestnut Street YMCA in Louisville, and countless YMCA employees—about the importance of protecting retirement security. This legislation addresses a concern about the technical status of the YMCA pension plan as a church plan, a type of pension plan offered by churches or associations of churches. This legislation will ensure that the YMCA pension plan will be able to provide a secure retirement to the more than 80,000 plan participants.

I also thank the Treasury Department and IRS for their patience while the Congress worked through finding a solution to ensure the YMCA pension plan could continue to offer the benefits to its participants and retirees.

As I have stated, the YMCA pension plan is a very significant part of each YMCA employee's compensation package, most of whom are modestly paid. I have heard from many of the Kentucky YMCAs, and their employees, about the importance of this pension plan to their future. In Kentucky alone, there are 19 YMCAs with over 485,000 members, and 918 pension plan participants, retirees or past employees who have vested benefits. Today's legislation is vitally important to the each and every plan participant in Kentucky and their families, and more than 80,000 participants and retirees in the YMCA pension plan, offering them financial and retirement security for their long service on behalf of our Nation's YMCA.

In closing, I encourage all of my colleagues to support this bill, and I am pleased that we are moving forward with this legislation today and look forward to its enactment soon.

Mr. BURNS. Mr. President, I ask unanimous consent that the bill be read a third time and passed, the motion to reconsider be laid upon the
