ORDERS FOR THURSDAY, FEBRUARY 12, 2004

Mr. FRIST. Mr. President, I ask unanimous consent that when the Senate completes its business today, it adjourn until 8:30 a.m., Thursday, February 12. I further ask that following the prayer and pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate then resume consideration of S. 1072, the highway bill, provided that the time until 9 a.m. be equally divided between the chairman and ranking member of the Environment and Public Works Committee or their designees.

I further ask consent that the mandatory quorum be waived for both cloture motions and the cloture vote on

the substitute amendment occur at 9 a.m.; provided, further, that Senators have until 9 a.m. tomorrow to file second-degree amendments to the highway bill.

The PRESIDING OFFICER. Is there objection?

Mr. REID. No objection.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. FRIST. Tomorrow, the Senate will resume consideration of S. 1072, the highway bill. The vote on the motion to invoke cloture on the pending substitute to the highway bill will occur at 9 a.m. It is my hope that if cloture is invoked, we will be able to dispose of any additional germane amendments in a timely manner, thereby clearing the way to wrap up consideration of the substitute. Once the substitute amendment is disposed of, we still may require a cloture vote on the bill itself. Again, it is my hope that we will be able to speed the process along and be in a position to complete action on the bill tomorrow. It is my intention, however, to remain in session until we pass this bill.

Senators should expect rollover votes throughout the day tomorrow, with the first vote occurring at approximately 9 a.m. In addition, I remind all Senators that all second-degree amendments must be filed at the desk no later than 9 a.m. tomorrow.

The PRESIDING OFFICER. The assistant Democratic leader.

Mr. REID. Mr. President, I know the hour is late. I want to acknowledge how difficult this has been for the majority leader. This has been extremely difficult. I know there is pressure from a lot of different sources to do things differently than we have done this week.

I say to the majority leader, whom I compliment for standing firm on what he believes to be the proper role of the Senate on this matter, everyone will have their day. When we complete this legislation—I believe we will be able to do it tomorrow—the House will do theirs and there will be some process to meld together the legislation from the two bodies. Then, of course, there will be input from the administration. At this stage we don't have to be concerned about vetoes. We are a long way from that.

I want the RECORD to reflect my personal appreciation for the courage of the majority leader during this most difficult 2 weeks.

Mr. FRIST. I thank the assistant Democratic leader. It has been a challenge for both sides the last 2 weeks as we have been on this bill. Again, we gave the time for discussion and debate, and we had regular order throughout using the Senate rules. With that, we will be able to complete our goal of giving very careful consideration to this bill. At the end of this 2-week period, during which people

have had plenty of time, plenty of opportunity to understand what is in this very important bill, they will have the opportunity to vote. They will have that opportunity tomorrow.

ADJOURNMENT UNTIL 8:30 A.M. TOMORROW

Mr. FRIST. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 7:10 p.m., adjourned until Thursday, February 12, 2004, at 8:30 a.m.
